## **OFFICIAL STATEMENT**

**\$14,995,000**

### **MINNESOTA HIGHER EDUCATION FACILITIES AUTHORITY**

#### **REVENUE BONDS, SERIES SIX-B**

**(MACALESTER COLLEGE)**

**(DTC Book Entry Only)**

### **INTRODUCTORY STATEMENT**

This Official Statement provides information concerning the Minnesota Higher Education Facilities Authority (the "Authority"), an agency of the State of Minnesota, and Macalester College, a Minnesota non-profit corporation and 501(c)(3) organization and the owner and operator of an institution of higher education with its campus located in Saint Paul, Minnesota, (the "College"), in connection with the issuance of the Authority's \$14,995,000 Revenue Bonds, Series Six-B (Macalester College) (the "Bonds").

The Bonds are being issued pursuant to the provisions of Sections 136A.25 through and including 136A.42, Minnesota Statutes, as amended, by the provisions of which the Authority was created and authorized to issue its obligations to assist institutions of higher education within the State of Minnesota (the "State") to finance certain projects.

The Bonds are also being issued pursuant to the Trust Indenture (the "Indenture") dated as of December 1, 2004 between the Authority and Wells Fargo Bank, National Association, Minneapolis, Minnesota, as trustee (the "Trustee"). The Trustee will also be the Registrar and Paying Agent for the Bonds.

Pursuant to a Loan Agreement (the "Loan Agreement") dated as of December 1, 2004 between the College and the Authority relating to the Bonds, the Authority is loaning the proceeds of the Bonds to the College, and the College will covenant as a general obligation of the College to make Loan Repayments in amounts sufficient to pay the principal of and interest on the Bonds as the same shall become due. The College proposes to apply the proceeds of the Bonds to pay (i) the principal of the Minnesota Higher Education Facilities Authority Revenue Bonds, Series Four-C (Macalester College) (the "Series Four-C Bonds") maturing on March 1 in the years 2006 through 2016, inclusive (the "Refunded Series Four-C Bonds"), which will be called for redemption on March 1, 2005, and (ii) the principal of the Minnesota Higher Education Facilities Authority Revenue Bonds, Series Four-J (Macalester College) (the "Series Four-J Bonds") maturing on March 1 in the years 2006 through 2017, inclusive (the "Refunded Series Four-J Bonds"), plus interest that accrues on the Refunded Series Four-J Bonds from and after March 1, 2005 until the Refunded Series Four-J Bonds are called for redemption on March 1, 2007. The Refunded Series Four-C Bonds and the Refunded Series Four-J Bonds are together the "Refunded Bonds."

The College will pay the March 1, 2005 principal and interest payment due on the Series Four-C Bonds and the Series Four-J Bonds from College funds.

Bond proceeds will be used to:

1. refund on a current refunding basis the Refunded Series Four-C Bonds;
2. refund on an advance refunding basis the Refunded Series Four-J Bonds; and
3. pay certain issuance costs.

The principal amount of the Refunded Series Four-C Bonds is \$7,530,000 and the principal amount of the Refunded Series Four-J Bonds is \$7,900,000. See "USE OF PROCEEDS" herein for a more detailed description of the refunding.

The Bonds are secured by a pledge of the Loan Repayments, which are a general obligation of the College. Under the Loan Agreement, the College will agree to provide the funds necessary to make timely payment of the Loan Repayments. See "SOURCE OF PAYMENT FOR THE BONDS" herein.

**The Bonds shall not be legal or moral obligations of the State of Minnesota, nor shall they constitute a debt for which the faith and credit of the Authority or the State of Minnesota, or the taxing powers of the State, are pledged. The Authority has no taxing powers.**

The descriptions and summaries of various documents hereinafter set forth do not purport to be comprehensive or definitive, and reference is made to each document for the complete details of all terms and conditions. All statements herein are qualified in their entirety by reference to such documents. See Appendices IV and V for definitions of certain words and terms used herein and for a description of certain provisions of the documents hereinafter referred to.

## **RISK FACTORS**

**No person should purchase Bonds without carefully reviewing the following information which sets forth some, but not all, of the factors which may affect the Owners' receipt of payments of the principal of or interest on the Bonds.**

### **Risk of Insufficient Collateral**

The Bonds are secured by (a) a pledge by the Authority to the Trustee of amounts payable by the College under the Loan Agreement, and (b) amounts in accounts and funds which will be held by the Trustee and applied to the payment of principal, premium, if any, and interest on the Bonds. The Bonds are not secured by a mortgage on or security interest in any real property or personal property and there is no debt service reserve account. If an Event of Default occurs, there can be no assurance that security for the Bonds will be sufficient to pay the principal of, premium, if any, or interest on the Bonds when due.

### **Adequacy of Revenues**

Payment of principal and interest on the Bonds is intended to be made from the College's Loan Repayments. The College's ability to make Loan Repayments will be dependent on its ability to receive sufficient unrestricted revenues in excess of expenditures. Such revenues and expenditures are subject to many conditions and factors, some of which may be beyond the control of the College and may change in the future to an extent that cannot be presently determined.

## **Competition**

Competition among institutions of higher education is intense. Universities and colleges compete principally based on location, tuition rates, degree offerings, and academic reputation. To the extent that competitors have or achieve an advantage with respect to any of these factors, the College could be adversely affected. In addition, competitive pressures could result in tuition reductions or the inability to raise tuition, which could adversely affect or change the College's unrestricted net assets.

## **Reliance on Tuition**

The adequacy of the College's revenues will depend in part on the amount of future tuition revenue the College receives. Such revenue in turn will depend primarily on the College's ability to charge sufficient rates for tuition and to maintain enrollment levels. Future enrollment levels will depend on the number of students applying to the College and accepting offers of admission. A number of factors, including, without limitation, levels of tuition rates and other fees, competition from other colleges and universities, a change in the number of college age students and changing general economic conditions will influence the number of applicants to the College.

## **Financial Aid**

Approximately 75% of the College's students currently receive some federal, state or College financial aid covering some portion of tuition and fees or living expenses. No assurance can be given that federal, state or College financial aid will continue to be funded at current levels. Curtailment of such aid may cause a decline in enrollment, which may in turn have an adverse effect on the College's revenues. State financial shortfalls may result in reductions to state aid funding for colleges, including the College.

## **Damage, Destruction or other Liability**

Although the College will be required to obtain certain insurance as set forth in the Loan Agreement, there can be no assurance that the College will not suffer losses for which insurance cannot be or has not been obtained or that the amount of any such loss will not exceed the coverage of such insurance policies. See also Appendix I, "THE COLLEGE – Financial Aid."

## **Nature of *Pro Forma* Debt Service Coverage**

Certain historical operating revenue for the College and computed *pro forma* debt service coverage is provided in APPENDIX I under the caption "Estimated Annual Debt Service for Fiscal Years 2005 and 2006 and *Pro Forma* Coverage Statement." The *pro forma* coverage is merely an arithmetical computation as reflected in the applicable table and constitutes no assurance as to the future sufficiency of College revenues to satisfy College operations and Bond and other debt service requirements.

## **Limited Obligation**

No entity or person other than the College is, or shall be, in any way liable or responsible for any payments to be made under the Loan Agreement, the Trust Indenture, or the Bonds or the other obligations of the College under such documents. Accordingly, for payment of principal of and

interest on the Bonds, holders of the Bonds must look solely to the Loan Repayments to be made by the College under the Loan Agreement and other funds, if any, the Trustee holds under the Indenture.

### **Bankruptcy**

The ability of the Trustee to exercise rights under the Loan Agreement and the Indenture may be limited by bankruptcy, insolvency, reorganization or other similar laws or equitable principles related to or affecting the enforcement of creditors' rights.

### **Derivative Products**

The College has entered into an interest rate swap agreement in the past. See footnote 8 to the College's financial statements, Appendix VI hereto. The College may enter into other interest rate swaps or other similar arrangements in the future. Under certain market conditions, termination of an interest rate swap agreement prior to its expiration may require the College to pay a termination fee to the counterparty to the agreement and such payment could be material to the College.

### **Other Possible Risk Factors**

The occurrence of any of the following events, or other unanticipated events, could adversely affect the operations of the College:

1. Inability to control increases in operating costs, including salaries, wages and fringe benefits, supplies and other expenses, without being able to obtain corresponding increases in revenues.
2. Adoption of federal, state or local legislation or regulations having an adverse effect on the future operating or financial performance of the College.
3. International events, including any acts of war and terrorism, which may have adverse effects on enrollment and investments.

## **CONTINUING DISCLOSURE**

In order to assist the Underwriter in complying with SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission, pursuant to the Securities Exchange Act of 1934, as amended (the "Rule"), the College will enter into an undertaking (the "Undertaking") with the Trustee for the benefit of beneficial owners of the Bonds to provide certain financial information and operating data relating to the College to certain information repositories annually, and to provide notices of the occurrence of any of the events enumerated in the Rule to such repositories or the Municipal Securities Rulemaking Board and to the Minnesota state information depository, if any. The specific nature of the Undertaking, as well as the information to be contained in the annual report or the notices of material events is set forth in the Continuing Disclosure Agreement to be executed by the College at the time the Bonds are delivered, a copy of which is available from the College or the Trustee. Appendix III, "Information to be Provided as Continuing Disclosure," contains a summary of the financial information and operating data to be provided annually. The Continuing Disclosure Agreement may be amended under certain circumstances as permitted by the Rule. Furthermore, the College has reserved its right to discontinue providing information required by the Continuing Disclosure Agreement or the Rule, if a final determination is made by a court of competent jurisdiction that the Rule is invalid or otherwise unlawful, and to modify the terms of the

Continuing Disclosure Agreement if a court of competent jurisdiction or the College determines that such modification is required by the Rule. The College has never failed to comply with any previous undertakings under the Rule to provide annual reports or notices of material events. A failure by the College to comply with the Undertaking will not constitute an event of default on the Bonds (although holders may have other remedies at law or in equity). Nevertheless, such a failure must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure, or the information supplied by the College pursuant to the Undertaking, may adversely affect the transferability and liquidity of the Bonds and their market price.

## **THE BONDS**

### **General**

The Bonds will be issued in book entry form. The Bonds will be dated December 1, 2004 and will mature annually each March 1, commencing March 1, 2006, as set forth on the cover page of this Official Statement. The Bonds are being issued in denominations of \$5,000 and integral multiples thereof and shall be fully registered as to principal and interest. Interest on the Bonds will be payable on each March 1 and September 1, commencing September 1, 2005.

### **Book Entry System**

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Bonds, in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 85 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation, (NSCC, GSCC, MBSCC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has Standard & Poor’s highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Bonds may wish to take certain steps to augment transmission to them of notices of significant events with respect to the Bonds, such as redemptions, defaults, and proposed amendments to the Bond documents. Beneficial Owners of the Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Registrar and request that copies of the notices be provided directly to them.

Redemption notices shall be sent to DTC. If fewer than all of the Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC (or its nominee), the Trustee, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of

such payments to Direct Participants is the responsibility of DTC, and disbursement of such payments to the Beneficial Owners is the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Bonds purchased or redeemed, through its Direct Participant, to the nominee holding the Bonds, and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Direct Participant's interest in the Bonds, on DTC's records, to the nominee holding the Bonds. The requirement for physical delivery of Bonds in connection with a purchase or redemption will be deemed satisfied when the ownership rights in the Bonds are transferred by the Direct Participants on DTC's records and followed by a book-entry credit of purchased or redeemed Bonds to the nominee holding the Bonds.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered.

The Authority, at the College's direction, may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book entry system has been obtained from DTC, which is solely responsible for such information. The Authority, the College and the Underwriter do not take any responsibility for the accuracy thereof.

## **Prior Redemption**

### Mandatory Redemption

Portions of the Bonds maturing on March 1 in the year 2017 (the "Term Bonds") shall be called for redemption on March 1 in the years set forth immediately below in the principal amounts set forth immediately below, without premium, plus accrued interest to the date fixed for redemption, from moneys in the Bond and Interest Sinking Fund Account.

Term Bonds Due	
<u>March 1, 2017</u>	
<u>Year</u>	<u>Amount</u>
2015	\$1,540,000
2016	\$1,615,000
2017*	\$ 840,000

\* *Stated maturity*

The Term Bonds or portions thereof to be so redeemed shall be selected by the Trustee by lot or in such other random manner as the Trustee shall determine.

The Term Bonds may, at the option of the College, be reduced by the principal amount of any Bonds of such maturity which at least 45 days prior to such redemption:

- (1) have been delivered to the Trustee for cancellation; or
- (2) have been purchased or redeemed (other than through operation of the Bond and Interest Sinking Fund Account) and canceled by the Trustee and not theretofore applied as a credit against such mandatory redemption obligations.

### Optional Redemption

At the College's request, the Authority may elect to prepay on March 1, 2014 and on any day thereafter Bonds due on or after March 1, 2015. Redemption may be in whole or in part. All prepayments shall be at a price of par plus accrued interest.

### Extraordinary Optional Redemption

The Bonds will also be subject to optional redemption at par in integral multiples of \$5,000, as a whole or in part, plus accrued interest in certain cases of damage to or destruction or condemnation of the Project Facilities and upon a Determination of Taxability as provided in the Loan Agreement (see "THE BONDS -- Determination of Taxability" and "SUMMARY OF DOCUMENTS -- The Loan Agreement").

### Partial Redemption

If fewer than all Bonds of a maturity are called for redemption, the Authority will notify DTC of the particular amount of such maturity to be prepaid. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interests in such maturity to be redeemed.

In the case of Bonds of denominations greater than \$5,000, if fewer than the full principal amount of such Bonds then outstanding is to be called for redemption, then for all purposes in connection with redemption, each \$5,000 of principal amount shall be treated as though it were a separate Bond of the denomination of \$5,000 bearing the number borne by such fully registered Bond and a subnumber assigned by the Trustee. Interest shall cease to accrue on the portion of the principal amount of such Bond represented by such \$5,000 unit or units of principal amount on and after the date fixed for redemption provided that funds sufficient for payment of the redemption price shall have been deposited with the Trustee and available for the redemption of said \$5,000 unit or units on the date fixed for redemption and, in such event, such Bond shall not be entitled to the benefit or security of the Indenture or the Loan Agreement to the extent of the portion of its principal amount (and accrued interest to the date fixed for redemption and applicable premium, if any) represented by such \$5,000 unit or units of principal amount, nor shall new Bonds be thereafter issued corresponding to said unit or units.

### Notice of Redemption

Notice of any redemption shall be mailed to the registered Owners at their addresses shown on the registration books of the Authority and maintained by the Trustee not less than 30 days, and if more than 60 days, then again not less than 30 nor more than 60 days, before the date fixed for such payment. If moneys are available at the office of the Trustee to pay the redemption price on the date of redemption, any Bonds thus called shall not bear interest after the call date and, except for the purpose of payment by application of the funds so deposited, shall no longer be protected by the Indenture.

### **Determination of Taxability**

If a Determination of Taxability is made that the interest payable on the Bonds is subject to federal income taxes by reason of the application of the provisions of the Internal Revenue Code and regulations thereunder in effect on the date of issuance, the Bonds shall bear additional interest equal to two percent (2.00%) per annum above the basic interest rate from the Date of Taxability effective until the date on which the principal of the Bonds is paid. **If a Determination of Taxability should occur, any monetary damages or loss resulting from or incident thereto shall be limited to the increased interest rate on the Bonds.** See "TAX EXEMPTION" herein and Appendix IV, "DEFINITION OF CERTAIN TERMS."

The College has the option to prepay the Loan on the next date for which due notice of redemption can be given, in full or in part and on any date thereafter following a Determination of Taxability at a price of par and accrued interest (including additional interest from the Date of Taxability and without a premium).

### USE OF PROCEEDS

Proceeds of the Bonds will be loaned to the College and will be used to:

1. refund on a current refunding basis the Refunded Series Four-C Bonds, which will be called for redemption on March 1, 2005;
2. refund on an advance refunding basis the Refunded Series Four-J Bonds and pay interest that accrues on the Refunded Series Four-J Bonds from and after March 1, 2005 until the Refunded Series Four-J Bonds are called for redemption on March 1, 2007; and
3. pay certain issuance costs.

The Refunded Bonds are outstanding in the following amounts:

	<u>Refunded Bonds</u>
Series Four-C	\$ 7,530,000
Series Four-J	<u>7,900,000</u>
Total:	\$15,430,000

The Series Four-C Bonds have a final maturity date of March 1, 2016 and are callable in full on any date beginning March 1, 2005 at a price of par plus interest accrued to the redemption date. The College will pay from its own funds the principal amount of the Series Four-C Bonds that matures on March 1, 2005 in the amount of \$495,000 plus the interest accruing on all Series Four-C Bonds to that date. The Refunded Series Four-C Bonds itemized above will be fully redeemed from the Series Four-C Escrow Fund on or about March 1, 2005 at a price of par plus interest to the redemption date. See "USE OF PROCEEDS – Escrow Funds."

The Series Four-J Bonds have a final maturity date of March 1, 2017 and are callable in full on any date beginning March 1, 2007 at a price of par plus interest accrued to the redemption date. The College will pay from its own funds the principal amount of the Series Four-J Bonds that matures on March 1, 2005 in the amount of \$465,000 plus the interest accruing on all Series Four-J Bonds to that date. Principal and interest on the Refunded Series Four-J Bonds will be paid thereafter as scheduled from the Series Four-J Escrow Fund until on or about March 1, 2007, when the Series Four-J Bonds will be fully redeemed at a price of par plus interest accrued to the redemption date. See "USE OF PROCEEDS – Escrow Funds."

### Escrow Funds

At the Issue Date, a portion of the Bond proceeds will be deposited in the Series Four-C Escrow Fund and the Series Four-J Escrow Fund (the "Escrow Funds") created under the Escrow Agreement among the College, the Authority and Wells Fargo Bank, National Association, as Escrow Agent. The Series Four-C Escrow Fund and the Series Four-J Escrow Fund will be funded with cash and U.S. Treasury securities sufficient, along with earnings thereon, to provide for the redemption of the Refunded Series Four-C Bonds on or about March 1, 2005 as described above and for the payment of the interest and principal due on the Refunded Series Four-J Bonds as described above on September 1, 2005 through March 1, 2007 and the

redemption of the remaining outstanding principal amount of the Refunded Series Four-J Bonds at a price of par on March 1, 2007, respectively.

McGladrey & Pullen LLP, Certified Public Accountants, will deliver an independent verification report stating that the cash and investments held pursuant to the Escrow Agreement along with interest earned thereon will be sufficient to pay the principal of and interest on the Refunded Bonds as described above and to pay the redemption price of the Refunded Bonds on their respective redemption dates. The verification report will also confirm the correctness of the mathematical computations supporting Bond Counsel's conclusion that the Bonds are not "arbitrage bonds" as defined in Section 148 of the Code.

### **ESTIMATED SOURCES AND USES OF FUNDS**

#### Sources of Funds

Par Amount of the Series Six-B Bonds	\$14,995,000
Reoffering premium	<u>960,000</u>
Total Sources:	<u>\$15,955,000</u>

Total Uses	<u>\$15,955,000</u>

In the event Bond issuance costs, including Underwriter's discount, exceed 2% of the Bond proceeds, defined as par less original issue discount, such excess shall be paid by the College from other than Bond proceeds.

### **SOURCE OF PAYMENT FOR THE BONDS**

#### **General**

The Bonds will be special obligations of the Authority payable solely from Loan Repayments made by the College as required by the Loan Agreement or out of other amounts pledged therefor under the Indenture.

The Bonds are secured by the pledge of the Loan Repayments, which are a general obligation of the College, and other funds, if any, the Trustee holds under the Indenture. The College will agree pursuant to the terms of the Loan Agreement to make payments directly to the Trustee in such amounts and at such times as to assure that the Trustee has sufficient funds with which to pay the principal of and interest on the Bonds. The College agrees to make such payments out of its operating funds or any other moneys legally available.

The College will covenant and agree: to charge tuition fees, other fees, rentals and charges which, together with the general funds or any other moneys legally available, will be sufficient at all times to make the Loan Repayments and other payments required under the Loan Agreement; to meet current operation and maintenance expenses of the Project Facilities; and to pay all other obligations of the College as they become due.

The Bonds are not secured by any mortgage lien on or security interest in any property of the College or by a debt service reserve account.

**The Bonds shall not be legal or moral obligations of the State of Minnesota, nor shall they constitute a debt for which the faith and credit of the Authority or the State of Minnesota, or the taxing powers of the State, are pledged. The Authority has no taxing powers.**

The Bonds will not be secured by the General Bond Reserve of the Authority (see “GENERAL BOND RESERVE ACCOUNT”).

## **ACCOUNTS**

### **Summary**

The Indenture will provide for the creation of certain trust accounts into which the proceeds from the sale of the Bonds and revenues received as Loan Repayments and other amounts payable under the Loan Agreement are to be deposited. These accounts include a Refunding Account, a Bond and Interest Sinking Fund Account, a Redemption Account, and a Costs of Issuance Account. The net proceeds of original issue and sale of the Bonds are to be deposited into the Refunding Account, the Bond and Interest Sinking Fund Account, and the Costs of Issuance Account as described below. Following Bond Closing, amounts received by the Trustee from the College as Loan Repayments are to be deposited into the Bond and Interest Sinking Fund Account and the Redemption Account and used, to the extent needed, to redeem or pay the principal of and interest on the Bonds when due.

### **Refunding Account**

There shall be deposited initially into the Refunding Account certain Bond proceeds which shall be in an amount sufficient, along with earnings on such proceeds, to pay the principal and interest as it comes due on the Refunded Bonds and the redemption price of the Refunded Bonds on their respective redemption dates, as described above. The monies deposited to this account shall immediately be transferred to the Escrow Funds to be invested and disbursed according to the terms of the Escrow Agreement. See “USE OF PROCEEDS – Escrow Funds.”

### **Bond and Interest Sinking Fund Account**

Initially there shall be deposited into the Bond and Interest Sinking Fund Account the amount of Bond proceeds representing accrued interest, which is to be used to pay interest on the Bonds. Deposits shall be made to the Bond and Interest Sinking Fund Account from transfers of amounts in other accounts, as permitted by the Indenture, and from Loan Repayments made by the College. Deposits into the Bond and Interest Sinking Fund Account shall be made one Business Day prior to each Interest Payment Date in amounts equal to interest and, if applicable, principal due on such Interest Payment Date.

The moneys and investments in the Bond and Interest Sinking Fund Account will be irrevocably pledged to and shall be used by the Trustee, from time to time, to the extent required, for the payment of principal of and interest on the Bonds as and when such principal and interest shall become due and payable and for that purpose only.

## **Redemption Account**

There shall be deposited into the Redemption Account all other amounts required to be deposited therein pursuant to any provision of the Loan Agreement or the Indenture.

Amounts on deposit to the credit of the Redemption Account shall be used, first, to make up deficiencies in the Bond and Interest Sinking Fund Account; and second, at the request or direction of the College for the redemption of outstanding Bonds or for the purchase of outstanding Bonds on the market at prices not exceeding the redemption price on the next available date for redemption. Notwithstanding the foregoing, the Trustee is authorized in its discretion to use funds and investments in the Redemption Account to pay the amount of any rebate due the United States in respect of the Bonds under Section 148 of the Internal Revenue Code if the College or the Authority shall have failed to pay or provide for the payment thereof under the Loan Agreement.

## **Costs of Issuance Account**

There shall initially be deposited into the Costs of Issuance Account an amount specified in the Indenture. The Trustee shall pay the costs, fees and expenses incurred in connection with the issuance of the Bonds upon presentation to the Trustee of properly approved invoices for such amounts. Any funds remaining in the Costs of Issuance Account after six months from its creation shall be transferred to the Bond and Interest Sinking Fund Account.

## **Authorized Investments**

Moneys on deposit to the credit of the Bond and Interest Sinking Fund Account, the Costs of Issuance Account and the Redemption Account shall be invested by the Trustee only in investments as authorized by law from time to time which currently and generally are as follows: Direct obligations of the United States government and certain obligations issued or guaranteed by certain of its agencies; direct and general obligations of states and local governments, rated at least in the rating category of "AA" or "Aa"; revenue bond obligations of states and local governments insured by municipal bond insurance and rated "AAA" or "Aaa"; mutual funds or unit trusts which invest solely in the foregoing obligations of the United States government, its agencies, state and local governments; constant dollar value money market funds that invest solely in direct United States government obligations and certain United States government agency indebtedness and which are rated in the highest rating category by a national rating agency; time deposits and other accounts fully insured by the Federal Deposit Insurance Corporation; certain guaranteed investment contracts issued by a bank or insurance company rated at least in the highest two rating categories of a nationally recognized rating agency; certain types of repurchase agreements; and certain commercial paper maturing in 270 days or less. Section 5.04 of the Indenture sets forth further restrictions as to type and maturity of investments. Monies deposited in the Refunding Account will not be invested, but will be transferred to the Escrow Funds and subject to the investment requirements contained in the Escrow Agreement. See "USE OF PROCEEDS – Escrow Funds."

## **GENERAL BOND RESERVE ACCOUNT**

Pursuant to its General Bond Resolution adopted October 31, 1972, the Authority has established and maintains a General Bond Reserve Account. In general, the General Bond Reserve Account secures certain bonds of the Authority for which a deposit is made into the General Bond Reserve Account in compliance with the General Bond Resolution. In connection with the Bonds, the Authority will not require that the College deposit funds into the General Bond Reserve Account. **The Bonds will not be secured by the General Bond Reserve**

**Account and Bondholders will have no right to require the Authority to apply moneys or investments in the General Bond Reserve Account to the payment of the Bonds or interest thereon.**

## **FUTURE FINANCING**

The College regularly improves and expands its physical plant. The College does not anticipate financing any such projects with debt within the next twelve months.

## **THE AUTHORITY**

The Minnesota Higher Education Facilities Authority was created by Chapter 868, Laws of Minnesota, 1971 (Sections 136A.25 through 136A.42, Minnesota Statutes), for the purpose of assisting institutions of higher education within the State in the construction and financing of projects. The Authority consists of eight members appointed by the Governor with the advice and consent of the Senate. A representative of the Minnesota Higher Education Services Office and the President of the Minnesota Private College Council, who is a non-voting member, are also members of the Authority.

Marianne T. Remedios has been the Executive Director of the Authority since May 1, 2000. Prior to her appointment, she was an associate and partner at Faegre & Benson LLP.

Elaine J. Yungerberg has been Assistant Executive Director of the Authority since 1993.

The Authority is authorized and empowered to issue revenue bonds whose aggregate outstanding principal amount at any time shall not exceed \$800 million. The Authority has had 144 issues (including refunded and retired issues) totaling over \$1 billion, of which approximately \$640 million is outstanding as of November 1, 2004. Bonds issued by the Authority are payable only from the loan repayments, rentals, and other revenues and moneys pledged for their payment. The bonds of the Authority do not represent or constitute a debt or pledge of the faith or credit or moral obligation of the State.

Educational institutions eligible for assistance by the Authority are generally private nonprofit educational institutions authorized to provide a program of education beyond the high school level. Under current statutory authority, public community and technical colleges in the State are also eligible for assistance, but only in financing of child-care and parking facilities. In addition, pursuant to special legislation, the Authority has twice issued bonds on behalf of a public community college for housing purposes. Sectarian institutions are not eligible for assistance; however, the fact that an institution is sponsored by a religious denomination does not of itself make the institution sectarian. Application to the Authority is voluntary.

The scope of projects for which the Authority may issue bonds is broad, including buildings or facilities for use as student housing, academic buildings, parking facilities, day-care centers, and other structures or facilities required or useful for the instruction of students, or conducting of research, in the operation of an institution of higher education.

While the Authority retains broad powers to oversee planning and construction, it is current policy to permit the institution almost complete discretion with respect to these matters.

The Authority is also authorized to issue revenue bonds for the purpose of refunding bonds of the Authority and to refinance other debt for capital improvements .

The operations of the Authority are financed solely from fees paid by the participating institutions; it has no taxing power.

Bond issuance costs, including fees of bond counsel, the financial advisor and trustee, are paid by the participating institution.

### **FINANCIAL ADVISOR**

The Authority has retained Springsted Incorporated, Advisors to the Public Sector, of Saint Paul, Minnesota, as financial advisor (the "Financial Advisor") in connection with the issuance of the Bonds. In preparing the Official Statement, the Financial Advisor has relied upon College officials and other sources who have access to relevant data to provide accurate information for the Official Statement, and the Financial Advisor has not been engaged, nor has it undertaken, to independently verify the accuracy of such information. The Financial Advisor is not a public accounting firm and has not been engaged by the Authority to compile, review, examine or audit any information in the Official Statement in accordance with accounting standards. The Financial Advisor is an independent advisory firm and is not engaged in the business of underwriting, trading or distributing municipal securities or other public securities and therefore will not participate in the underwriting of the Bonds.

### **UNDERWRITING**

The Bonds are being purchased by RBC Dain Rauscher Inc. (the "Underwriter"). The Underwriter has agreed to purchase the Bonds at a purchase price of \$15,842,554.00 (representing the aggregate principal amount of the Bonds less an underwriter's discount of \$112,462.50 and original issue discount of \$-0- plus original issue premium of \$960,016.50) plus accrued interest.

The Underwriter intends to offer the Bonds to the public initially at the offering price set forth on the front cover of this Official Statement, which may subsequently change without any requirement of prior notice. The Underwriter reserves the right to join with dealers and other underwriters in offering the Bonds to the public. The Underwriter may offer and sell the Bonds to certain dealers (including dealers depositing the Bonds into investment trusts) at prices lower than the public offering prices.

The College has agreed in the Bond Purchase Agreement to indemnify the Underwriter and the Authority against certain civil liabilities, including certain potential liabilities under federal securities laws.

### **RATING**

As noted on the cover page hereof, Moody's Investors Service has assigned a rating of Aa3 to the Bonds. The rating reflects only the view of such rating agency. Further information concerning the rating is available from Moody's. There is no assurance that such rating will continue for any given period of time or that it may not be lowered or withdrawn entirely by the rating agency if in its judgment circumstances so warrant. Any such downward change in or withdrawal of such rating may have an adverse effect on the market price of the Bonds.

## **LITIGATION**

The Authority and the College are unaware of any pending or threatened litigation which would affect the validity of the Bonds, the tax-exempt nature of the Bonds, the authority of either party to enter into the Bond-related documents or the ability of either to perform as described herein, or the ability of the College to pay the principal of or interest on the Bonds as the same become due.

## **LEGALITY**

The Bonds will be subject to the unqualified approving opinion as to validity and tax exemption by McGrann Shea Anderson Carnival Straughn & Lamb Chartered, Minneapolis, Minnesota, as Bond Counsel. A legal opinion in substantially the form set out in Appendix II herein will be delivered at Bond Closing.

Certain legal matters will be passed upon for the College by Moore, Costello & Hart, PLLP, Saint Paul and Minneapolis, Minnesota; and for the Underwriter by Faegre & Benson LLP, Minneapolis, Minnesota.

## **TAX EXEMPTION**

The Internal Revenue Code of 1986, as amended (the "Code"), establishes certain requirements that must be met subsequent to the issuance and delivery of the Bonds in order that interest on the Bonds be and remain excludable from gross income under Section 103 of the Code. These requirements include, but are not limited to, (1) provisions relating to the expenditure of Bond proceeds, (2) provisions which prescribe yield and other limits relative to the investment of the proceeds of the Bonds and other amounts, (3) provisions which require that certain investment earnings be rebated periodically to the Federal government and (4) provisions relating to the ownership and operation of the facilities financed or refinanced by the Bonds. Noncompliance with such requirements may cause interest on the Bonds to become includable in gross income for purposes of Federal and State income taxation retroactive to their date of original issue, irrespective in some cases of the date on which such noncompliance is ascertained.

The Loan Agreement and the Indenture contain provisions (the "Tax Covenants") including covenants of the Authority and the College, pursuant to which, in the opinion of Bond Counsel, such requirements can be satisfied. The Tax Covenants do not relate to all the continuing requirements referred to in the preceding paragraph. If a Determination of Taxability occurs, however, whether or not as a result of violation of any of the Tax Covenants, the outstanding Bonds are subject to optional redemption without premium, and the Bonds shall bear additional interest at a rate of two percent (2%) per annum from the Date of Taxability until the respective dates on which the principal of the Bonds is paid. (See "SUMMARY OF DOCUMENTS -- The Loan Agreement -- Determination of Taxability" in Appendix V). A determination that interest on the Bonds is includable in the computation of the alternative minimum tax imposed on individuals under the Code is not a Determination of Taxability.

Under present provisions of the Code, interest on the Bonds is exempt from federal income taxes, including the alternative minimum tax imposed with respect to individuals and corporations, except that interest on the Bonds will be included in the computation of "adjusted current earnings," which may be an item of tax preference includable in alternative minimum taxable income used in calculating the alternative minimum tax that may be imposed with respect to corporations.

Assuming compliance with the Tax Covenants and on the basis of the certifications to be furnished at Bond Closing, in the opinion of McGrann Shea Anderson Carnival Straughn & Lamb Chartered, Bond Counsel, under present laws and rulings: interest on the Bonds is not includable in gross income for federal income tax purposes or in the taxable income of individuals, estates and trusts for Minnesota income tax purposes. Interest on the Bonds is not treated as a preference item in determining federal alternative minimum taxable income of individuals and corporations or the Minnesota alternative minimum tax applicable to individuals, estates and trusts. However, the interest is includable in “adjusted current earnings” for purposes of computing the federal alternative minimum taxable income of corporations and is subject to the Minnesota franchise tax imposed on corporations, including financial institutions, measured by taxable income and the alternative minimum tax base.

The Code imposes a branch profits tax equal to 30% of the “dividend equivalent amount” which is measured by “earnings and profits” effectively connected to the United States, net of certain adjustments. Included in the earnings and profits of a United States branch of a foreign corporation is income that would be effectively connected with a United States trade or business if such income were taxable, such as the interest on the Bonds.

In addition, interest on the Bonds is includable in the net investment income of foreign insurance companies for purposes of Section 842(b) of the Code. In the case of a property, casualty or other insurance company subject to the tax imposed by Section 831 of the Code, the amount which otherwise would be taken into account as losses incurred under Section 832(b)(5) of the Code must be reduced by an amount equal to 15% of the interest on the Bonds that is received or accrued during the taxable year. In addition, passive investment income, including interest on the Bonds, may be subject to federal income taxation under Section 1375 of the Code for an S corporation that has Subchapter C earnings and profits at the close of the taxable year if more than 25% of its gross receipts are passive investment income.

The Code further provides that interest on the Bonds is includable in the calculation of modified adjusted gross income in determining whether Social Security or railroad retirement payments are to be included in taxable income of individuals.

**Bondholders should consult their tax advisors with respect to collateral consequences arising from the receipt of interest on the Bonds, including without limitation the calculations of alternative minimum tax or foreign branch profits tax liability, or the inclusion of social security or other retirement payments in taxable income.**

A Bond will be considered to have been issued at a premium if, and to the extent that, the holder's tax basis in the Bond exceeds the amount payable at maturity (or, in the case of a Bond callable prior to maturity, the amount payable on the earlier call date). The holder will be required to reduce his tax basis in the Bond for purposes of determining gain or loss upon disposition of the Bond by the amount of amortizable bond premium that accrues (determined on a constant yield method) during the period of ownership. No deduction (or other tax benefit) is allowable in respect of any amount of amortizable bond premium on the Bonds.

It is possible under the applicable provisions governing state and local income taxation in states other than Minnesota that interest on Discount Bonds may be taxable in the year of accrual, and may be deemed to accrue earlier than under federal law.

### **NOT QUALIFIED TAX-EXEMPT OBLIGATIONS**

The Bonds will not be “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

## THE COLLEGE

## **Campus and Buildings**

The College campus occupies approximately 53 acres in a residential neighborhood five miles west of downtown St. Paul. There are 27 buildings on the main campus. The oldest is Old Main, which was built in 1885. Since 1988, the College has invested over \$120 million in renovation of campus facilities and expansion of campus boundaries. Projects have included new and expanded athletic fields (\$3 million in 1995), major renovation and expansion of two science halls (\$22 million in 1997), construction of a technology center (\$6 million in 1992), a new residence hall (\$6 million in 1997), construction of the new campus center that opened in January 2001 (\$18.5 million), renovation of Kagin Commons (\$7.5 million in 2002), and numerous residence hall renovations. The replacement value of the campus buildings is estimated by the College to be approximately \$250,000,000.

The College owns and maintains 12 other buildings adjacent to its campus that are used for a variety of functions ranging from administrative to an international student center to language residence houses.

The following is a brief description of the College campus buildings grouped by category. The year in parenthesis indicates the year of building construction.

### Academic Buildings

*Carnegie Hall (1909)* – Completely renovated in 1990, Carnegie Hall houses the departments of Anthropology, Economics, Geography, Political Science and Sociology.

*Janet Wallace Fine Arts Center (1965)* – The five-building Janet Wallace Fine Arts Center provides facilities for the Art Department, Humanities, Music and Theatre, with a central core building connecting the other four buildings. A two-story addition and remodeling of the Humanities wing was completed to provide a technology center in 1992.

*DeWitt Wallace Library (1988)* – State of the art library having a collection of approximately 450,000 books and bound periodicals. The \$10 million building was paid for entirely from gifts and grants.

*Old Main (1885)* – The oldest building on campus was renovated completely during 1992-93, and houses the departments of Education, History, Philosophy and Religion.

*Olin (1961)/Rice (1970) Science Complex* – completely renovated and enlarged over two years (1995-1997), this Complex houses the departments of Chemistry, Math/Computer Science, Physics/Astronomy, Biology, Geology, and Psychology, as well as an observatory and greenhouse.

*Athletic Facilities* – The athletic facilities are comprised of three interconnected buildings: the Gymnasium (1923), the Field House (1955), and the Natatorium (1983), a six-lane 25-meter swimming pool. Additionally, the Stadium (1964) can accommodate 4,000 spectators for football, soccer and track events.

## **Academic Information**

Macalester College follows the early semester academic calendar of two 14-week semesters during the academic year. The normal student course load is considered to be four courses for 16 hours of credit during each of the fall and spring semesters. The Bachelor of Arts degree is awarded in 36 departmental and interdepartmental programs. Programs leading to licensure for secondary teaching are offered by the education department in cooperation with other departments of the College.

Macalester expects its applicants to have completed a secondary school curriculum consisting of: four years of English; three years of history or social science; three years of mathematics; three years of laboratory science; three years of a foreign language; and honors or advanced courses available to applicants. The College uses no minimum grade point average as a threshold for admission; freshmen candidates are required to take either the SAT test of the College Entrance Examination Board or the ACT test of the American College Testing program.

**Faculty and Staff**

The teaching student-faculty ratio for the academic year 2003-04 was 11 to 1. There are no religious or denominational prerequisites or any participatory religious requirements for faculty or staff membership. The College subscribes to the 1940 Statement of Principles on Academic Freedom of the American Association of University Professors ("AAUP") and the Association of American Colleges.

The College employs 149 full-time and 66 part-time teaching faculty. The total faculty payroll for Fiscal Year 2003-04 was approximately \$15.9 million including benefits.

Salaries of Full-Time Instructional Faculty – 2003-04

<u>Academic Rank</u>	<u>Number of Faculty</u>	<u>Average Total Compensation*</u>
Professor	47.0	\$113,865
Associate Professor	41.0	87,982
Assistant Professor	54.0	67,240

\* Includes salary, life and health insurance, pension, long-term disability, unemployment insurance and workers compensation insurance.

Of the full-time faculty reported on an AAUP salary survey, 141 hold PhD's or the highest degree in their field. Approximately 56.9% are tenured.

### **Collective Bargaining Units**

The International Union of Operating Engineers, Local 70, AFL-CIO, St. Paul, Minnesota represents employees in two collective bargaining agreements at the College. The maintenance unit, composed of 51 employees, represents custodians, grounds persons, and skilled crafts positions. The engineer unit, composed of 11 employees, represents maintenance and operating engineers. The two current agreements expire on May 31, 2007. These are the only two bargaining units at the College.

### **Pension Plans**

The College provides retirement benefits to substantially all employees, subject to certain minimum age and service requirements. Certain academic and non-academic personnel are covered under a defined contribution plan described in Section 403(b) of the Internal Revenue Code. A plan covering union employees is funded by deposits with trustees based on a fixed rate of contribution per hour worked. Both of these plans are defined contribution plans. Therefore, other than the obligation to make the required contributions to these plans, the College has no liability for the benefits payable under the plans. The College has an unfunded defined benefit pension plan which supplements retirement benefits of a limited number of past employees not fully covered by other plans. The plan is not available to current Macalester employees. The actuarially calculated unfunded liability under the supplemental plan at May 31, 2004 was approximately \$181,000. Total pension expense for the year ended May 31, 2004 was approximately \$2,408,000 including \$21,000 paid under the unfunded supplemental plan.

### **Financial Aid**

Approximately 75% of the current student body receives some form of federal, state and/or College financial aid. For the past five years, the average total financial aid to Macalester students, which includes Macalester grants, loans and student employment, represents 42% to 50% of total costs of attendance. For the 2003/04 Fiscal Year, less than 10% of the total grant awards to students were funded from federal and state sources. Including loans and grants, approximately 25% of all financial aid was funded from federal and state sources. No assurance can be given that federal or state student financial aid or College aid will continue to be funded at current levels.

The following table shows a five-year history of financial aid awarded to students of the College from all sources, except this table does not include non-need based aid such as SELF and PLUS loans.

	<u>1999-00</u>	<u>2000-01</u>	<u>2001-02</u>	<u>2002-03</u>	<u>2003-04</u>

Average Award Per Recipient	\$13,987	\$14,198	\$15,692	\$16,712	\$17,931

The College has been engaged in an active discussion of financial aid policies for the past several months. This subject is part of a larger strategic review of the College's long term revenue position which includes discussion of its ability to generate more competitive net tuition relative to similarly situated institutions. A part of that review includes consideration of the amount of financial aid offered to students and the policies that govern the awarding of that aid. A proposal regarding net tuition policy is being discussed on campus in anticipation of expected action by the Board of Trustees during the current academic year. If this proposal is adopted, the College expects to have more ability to manage its financial aid outlays from year to year. The effect on student applications and yield rates cannot be predicted, but the College does not anticipate a material negative effect from any changes that might be approved.

### **The DeWitt Wallace Fund for Macalester College**

The College's long-term investments include funds transferred to the College in 2001 by the DeWitt Wallace Fund for Macalester College (the "Wallace Fund"). DeWitt Wallace was a major benefactor of the College during his lifetime.

On July 11, 2001, the Wallace Fund was dissolved and its assets were transferred to the College pursuant to an Endowment Agreement between the College and the Wallace Fund. The Endowment Agreement requires the College to maintain the transferred assets in perpetuity as the DeWitt Wallace Endowment Fund (the "Wallace Endowment") in accordance with the provisions of the Endowment Agreement. The Endowment Agreement permits the College to apply its spending policy annually to the Wallace Endowment principal to determine an "Annual Contribution," which must be used first to support student scholarships and recruitment and faculty development. Any excess of the Annual Contribution after those needs are met may be used for other needs of the College.

### **Market Value of Long-Term Investments**

The College treats its long-term investments as the principal component of the College's endowment. The following table shows the combined market value of the Wallace Fund assets and the College's long-term investments for the past five fiscal years. Beginning in fiscal year 2002, the Wallace Fund is included in Long-Term Investments.

<u>Fiscal Year</u>	<u>Wallace Fund</u>	<u>Long-Term Investments</u>	<u>Total</u>
2000	\$340,686,000	\$211,673,000	\$552,359,000
2001	\$307,515,000	\$207,389,000	\$514,904,000
2002	0	\$467,786,000	\$467,786,000

2004	0	\$481,339,000	\$481,339,000

The College's total net assets and assets by asset class for the past five fiscal years are as follows:

<u>Fiscal Year</u>	<u>Unrestricted Net Assets</u>	<u>Temporarily Restricted Net Assets</u>	<u>Permanently Restricted Net Assets</u>	<u>Total Net Assets</u>
2000	\$152,456,000	\$94,782,000	\$404,297,000	\$651,535,000

2003	\$136,088,000	\$58,622,000	\$342,626,000	\$537,336,000
2004	\$149,052,000	\$93,140,000	\$342,265,000	\$584,457,000

According to a survey conducted by the National Association of College and University Business Officers (NACUBO), the College ranked 97th among 670 higher education institutions and foundations reporting on the market value of total endowment assets at the end of Fiscal Year 2003 and is the sixteenth highest ranked in that list of independent liberal arts colleges.

### Spending Policy and Investment Objectives

The College has a total return endowment spending policy, and utilizes a spending rule that provides 5% of a trailing 16 quarter average market value of long term investments. The College also spends 5% of a 16 quarter average market value from its beneficial interest in a \$26.8 million perpetual trust that appears on the statement of financial position in its financial statements (see Appendix VI).

### Gifts and Grants

Gifts and grants revenues, exclusive of distributions from the Wallace Fund, received by fund for the past six years as reported in the annual financial statements of the College have been:

<u>Year Ended May 31</u>	<u>Current Funds</u>		<u>Endowment Funds</u>	<u>Deferred Gift Funds</u>	<u>Plant Funds</u>	<u>Total</u>

\* The College recorded \$20 million of a bequest in 2000 and \$5 million in 2001. See "Capital Campaign" below.

## **Capital Campaign**

A five year, \$50 million capital campaign was completed in May 2000, with gifts and pledges totaling \$75 million in that period. This total included a \$25 million bequest, which was recorded in two installments of \$20 million in fiscal year 2000 and \$5 million in fiscal year 2001. The above gift data are on a cash basis, while financial statements report on a pledged/accrual basis, with an appropriate discounting of pledges outstanding.

## **Presentation of Financial Statements**

Appendix VI sets forth the audited Financial Statements of the College with report of Independent Accountants for the Fiscal Year ended May 31, 2004. The Financial Statements were audited by KPMG LLP and prepared in accordance with generally accepted accounting principles (GAAP). KPMG LLP has not participated in the preparation of this Official Statement and expresses no opinion on its contents.

The first of such loans, obtained in 1979, was in the original principal amount of \$198,200 and is secured by a pledge of the gross revenues of Macalester College Stadium (the "Stadium") and a mortgage on the Stadium, the furniture, furnishings and equipment therein and a portion of the track and field facilities. The second of such loans, obtained in August of 1980, was in the original principal amount of \$682,000 and is secured by a second mortgage on the same mortgaged property and a pledge of the first \$36,879 of revenues derived from annual student tuition. ## **Estimated Annual Debt Service for Fiscal Years 2005 and 2006 and *Pro Forma* Coverage Statement**

The following table shows for Fiscal Years 2005 and 2006 information related to the *pro forma* debt service coverage for the College's current estimated outstanding long-term debt service (other than on the Refunded Bonds), combined with the actual debt service on the Bonds. Column 5 shows an amount of \$9,260,000, which is the amount of College revenue that was available for debt service for the fiscal year ended May 31, 2004 as further detailed in footnote (d) to the table.

Any additional College indebtedness will increase the College's debt service requirements in the future and may reduce the *pro forma* debt service coverage ratio.

The following table is intended merely to show the relationship of the Fiscal Year 2004 amount available for debt service to a *pro forma* statement of estimated annual debt service of the College for Fiscal Years 2005 and 2006 based on a combination of actual debt service requirements and estimated interest rates and amortization schedules with respect thereto.

A portion of the College's debt consists of variable rate debt. The College has entered into an interest rate swap arrangement for part of its variable rate debt, creating a fixed rate on that portion of its debt of 3.33% during the term of the arrangement. The estimated interest rate on the balance of the College's variable rate bonds is 3.15%, which is an historical average over approximately 15 years of similarly rated tax-exempt variable rates. The actual interest rate on this latter portion of the College's variable rate debt is reset weekly, will vary and could exceed the estimated rate. While the table assumes that principal on the College's variable rate debt is paid down so that annual debt service is relatively level for each series of bonds, variable rate debt may be paid under a different amortization schedule or in its entirety at its maturity date. See Appendix I, "THE COLLEGE – Long-Term Debt of the College."

The table is not intended and should not be considered a projection of future revenues, expenses, debt service, amount available for debt service, or debt service coverage of the College. There is no assurance that the future amounts available for debt service, debt service and debt service coverage of the College or the respective relationships thereof will correspond to the *pro forma* amount available for debt service, *pro forma* debt service coverage, combined estimated long-term debt service or the respective relationships thereof shown by or reflected in the following table.

**Estimated Annual Debt Service for Fiscal Years 2005 and 2006  
and Pro Forma Coverage Statement**

Fiscal Year	Actual Debt Service on the Bonds (a)	Estimated Outstanding Long-term Debt Service (b)	Combined Estimated Long-term Debt Service (c)	FY 2004 Amount Available for Debt Service (d)	Pro Forma Coverage (times)(e)
(1)	(2)	(3)	(4)	(5)	(6)
2005	0	4,682,716	4,682,716	9,260,000	1.98
2006	1,735,203	2,831,960	4,567,163	9,260,000	2.03

Footnotes to the foregoing table:

- (a) Interest rates and principal amounts are subject to change. Debt service on the Bonds is based on actual rates received when priced on November 10, 2004. The true interest cost on the Bonds is 3.760%.
- (b) Portions of the College's outstanding debt consist of variable rate debt. The College has entered into an interest rate swap arrangement for part of that debt, creating a fixed interest rate on that portion of 3.33% during the term of the arrangement. The estimated interest rate on the balance of the College's variable rate bonds is 3.15%, obtained by using the average of variable rates for similar issues for approximately the past 15 years. The College's variable rate debt issues are assumed to have approximately level annual debt service.
- (c) The sum of Columns (2) and (3).
- (d) Calculation of the amount available for debt service for the Fiscal Year ended May 31, 2004, based on the College's Fiscal Year 2004 audited financial statements:

Total Revenue	\$ 81,183,000
Realized and Unrealized Losses/(Gains) on Investments	(9,368,300)
Net Assets Released from Restrictions for Plant	<u>(882,000)</u>
Subtotal	\$ 70,933,000
Total Expenses	68,219,000

\$14,995,000  
 Minnesota Higher Education Facilities Authority  
 Revenue Bonds, Series Six-B  
 (Macalester College)

We have acted as bond counsel in connection with the issuance by the Minnesota Higher Education Facilities Authority (the "Authority") of its fully registered (initially book-entry) Revenue Bonds, Series Six-B (Macalester College), in the aggregate principal amount of \$14,995,000 (the "Bonds"), dated December 1, 2004, more fully described in and issued pursuant to the Indenture (defined below).

The Bonds are issued for the purpose of funding a loan from the Authority to Macalester College, a Minnesota nonprofit corporation and institution of higher education located in the city of Saint Paul, Minnesota (the "College") in order to refinance existing educational facilities owned and operated by the College and located on its Saint Paul campus. We have examined executed counterparts of the Loan Agreement (the "Loan Agreement") between the Authority and the College and the Trust Indenture (the "Indenture") between the Authority and Wells Fargo Bank, National Association, in Minneapolis, Minnesota, as Trustee (the "Trustee") each dated as of December 1, 2004, one or more opinions of Moore, Costello & Hart P.L.L.P. as counsel to the College, the form of the Bonds prepared for execution, and such other documents as we deemed necessary for the purpose of the following opinion.

As to questions of fact material to our opinion, we have relied upon certified proceedings, documents and certifications furnished to us by public officials and officials of the College without undertaking to verify such facts by independent investigation. We have also relied upon the opinion of Moore, Costello & Hart P.L.L.P., as to the Loan Agreement having been duly authorized and executed and being binding upon the College and as to the corporate organization, tax exempt status and unrelated trade or business activities, good standing, and powers of the College. As to title to the Project Site (as defined in the Loan Agreement and Indenture), we have relied on information contained in owner and encumbrances reports, provided to us by the College, and have not undertaken any examination of the records of the College or original title records or abstracts of title.

We have not been engaged or undertaken to verify the accuracy, completeness, or sufficiency of the Official Statement or other offering material relating to the Bonds (except to the extent, if any, stated in the Official Statement), and we express no opinion relating thereto (except only matters set forth as our opinion in the Official Statement).

Based on our examination, we are of the opinion, as of the date hereof, as follows:

1. The Authority is an agency of the State of Minnesota with authority under Sections 136A.25 to 136A.42, Minnesota Statutes, to issue the Bonds, to loan the proceeds thereof to the College and to execute and deliver the Loan Agreement and the Indenture to secure the Bonds.

2. The Loan Agreement and the Indenture are valid and binding instruments of the parties thereto, enforceable in accordance with their terms.

3. The Bonds are valid and binding limited obligations of the Authority payable from the loan repayments payable by the College under the Loan Agreement which have been assigned to the Trustee, scheduled to be made in amounts and at times sufficient (if timely paid in full) to pay the principal of and interest on the Bonds when due, and are further secured by the pledge of the funds and investments held by the Trustee under the Indenture and by the pledge of funds and rights to payments held by the Trustee, as assignee, under the Loan Agreement.

4. Assuming compliance with the covenants in the Loan Agreement and Indenture, the interest on the Bonds is not includable in gross income for purposes of federal income taxation or in taxable income of individuals, estates, and trusts for purposes of Minnesota income taxation under present laws and rulings. Interest on the Bonds is not an item of tax preference required to be included in the computation of "alternative minimum taxable income" for purposes of the federal alternative minimum tax applicable to individuals under Section 55 of the Internal Revenue Code of 1986, as amended (the "Code"), or Minnesota alternative minimum tax applicable to individuals, trusts, and estates. Interest on the Bonds is includable in "adjusted current earnings" for purposes of the computation of "alternative minimum taxable income" of corporations under Section 55 of the Code and is subject to the Minnesota franchise tax imposed upon corporations, including financial institutions, measured by taxable income and the alternative minimum tax base. The Bonds are not arbitrage bonds within the meaning of Section 148 of the Code. The Bonds are "private activity bonds" within the meaning of Section 141(a) and "qualified 501(c)(3) bonds" within the meaning of Section 145 of the Code. Ownership of the Bonds will result in disallowance of a deduction for a portion of the interest expense of a "financial institution" under Section 265(b) of the Code.

We express no opinion regarding other state or federal tax consequences caused by the receipt or accrual of interest on the Bonds or arising with respect to ownership or disposition of the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds, the Indenture and the Loan Agreement may be subject to bankruptcy, insolvency, reorganization, moratorium, receivership proceedings, and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in accordance with general principles of law.

Dated at Minneapolis, Minnesota, on this \_\_\_\_ day of December, 2004.

## SUMMARY OF DOCUMENTS

### THE LOAN AGREEMENT

The following is a summary of certain provisions of the Loan Agreement. This summary does not purport to be complete and reference is made to the full text of the Loan Agreement for a complete recital of its terms. Certain words and terms used in this summary are defined in "DEFINITIONS OF CERTAIN TERMS," Appendix IV, contained herein.

#### Redemption of Refunded Bonds

The College represents that it will cause the Refunded Series Four-C Bonds to be redeemed on or about March 1, 2005, and will cause the then-outstanding Refunded Series Four-J Bonds to be redeemed on or about March 1, 2007.

#### Loan Repayments

Under the Loan Agreement, the College agrees to make Loan Repayments in amounts and at times sufficient to provide for payment in full of all principal of and interest and premium, if any, on the Bonds when due. To provide for such payments the College covenants to pay for the account of the Authority the following amounts:

- (a) at least one (1) Business Day prior to each March 1 and September 1, commencing September 1, 2005, the College shall deposit into the Bond and Interest Sinking Fund Account a sum which will be equal to the amount payable as interest on the Bonds on such interest payment date, and, at least one (1) Business Day prior to each March 1, commencing on March 1, 2006, a sum equal to the amount payable as principal (whether at maturity or sinking fund redemption) of the Bonds on such principal payment date; provided however, that there shall be credited against such obligations (i) the net amount of funds and investments then on deposit to the credit of the Bond and Interest Sinking Fund Account, and (ii) any credits permitted by Sections 5.01, 5.02, 5.03 or 5.04 of the Indenture (relating to purchase and cancellation of term bonds and the transfer to the Bond and Interest Sinking Fund Account of certain investment earnings and certain excess funds); and
- (b) on or prior to a date established for the optional redemption and prepayment of the Bonds, the College shall deposit into the Redemption Account such amount, if any, as shall be necessary and sufficient to provide for the redemption of any Bonds called for redemption from the Redemption Account; and
- (c) the College shall deposit forthwith into the Bond and Interest Sinking Fund Account or Redemption Account, as appropriate, the amount of any deficiency in the event that the funds on deposit in the Bond and Interest Sinking Fund Account or Redemption Account on any Bond principal or interest payment date are for any reason insufficient to pay principal of, premium, if any, and interest on the Bonds then due or then to become due (whether at maturity, or by call for redemption, or by acceleration of maturity); and
- (d) the College shall deposit into any fund or account designated by the Trustee such amount as may be determined by the Trustee to be necessary to comply with the

provisions of Section 6.09(f) of the Loan Agreement and Section 5.05 of the Indenture (relating to arbitrage rebate).

Each payment under this Section shall be made directly to the Trustee at its principal corporate trust office for the account of the Authority for deposit as provided in the Indenture. The College shall furnish to the Authority, if the Authority so requests, advise of the transmittal of such payments at the time of transmittal of payment.

There is reserved to the College the right to prepay all or part of the Loan and to redeem Bonds prior to their maturity in certain events as described under "THE BONDS."

As additional payments, the College agrees to pay the annual fee of the Authority, fees and expenses of the Trustee, rebate of certain excess investment earnings to the United States, and certain other expenses.

### **Use of Project Facilities**

The College agrees to use the Project Facilities as educational facilities, in compliance with law and ordinance requirements, and not as facilities for sectarian instruction or religious worship, nor primarily in connection with any part of a program of a school or department of divinity for any religious denomination. The College agrees not to use or permit use of the Project Facilities in such manner or to such an extent as would result in loss of the tax-exemption of interest on the Bonds under the Internal Revenue Code or loss of its status as an exempt organization under Section 501(c)(3) of the Code.

### **Maintenance of Project Facilities**

The College agrees that, so long as there are Bonds outstanding, and subject to certain exceptions, the College will keep the Project Facilities in good repair and good operating condition at its own cost. The College will make such repairs, modifications and replacements as are necessary so that the Project Facilities will remain a "project" under the Act and interest on the Bonds will be exempt from federal income taxation, and may make such repairs, modifications and replacements as in the College's judgment are desirable, subject to the same conditions. The College may sell, transfer, lease or sublease or enter into agreements in the ordinary course of business for the use of the Project Facilities (i) so long as the tax-exempt status of the Bonds will not be affected thereby, (ii) no such transaction or agreement shall be inconsistent with the Loan Agreement, the Indenture, or the Act, (iii) the College shall remain fully obligated under the Loan Agreement as if such agreement had not been made, and (iv) in the case of such sale or transfer or in the case of any lease to or occupancy by persons who are not students, employees or faculty, an opinion of Bond Counsel is provided to the Trustee to the effect that tax exemption of the interest on the Bonds is not adversely affected. The College may demolish any Project Facilities which in the College's judgment are worn out, obsolete or require replacement.

### **Operating Expenses and Liens**

The College will pay all utility charges and other charges arising from the operations of the Project Facilities which, if unpaid, would become a lien on the Project Facilities; provided that the College may in good faith contest such utility and other charges and any mechanics' or other liens filed or established against the Project Facilities, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom unless the Authority or Trustee shall notify the College that, in the opinion of Independent counsel, by nonpayment of any such items the Project Facilities or any

part thereof will be subject to loss or forfeiture, in which event the College shall promptly pay and cause to be satisfied and discharged all such unpaid items.

### **Taxes and Other Governmental Charges**

The College will pay, and the same respectively come due, all taxes, special assessments, license fees and governmental charges of any kind that may at any time be lawfully assessed or levied against, or with respect to the operations of the College, or the Project Facilities or any improvements, equipment or related property installed or brought by the College therein or thereon, or the Bonds, the Loan Agreement, the Indenture, or the interest of the Authority, the Trustee, or the Bondholders therein.

The College may, at its expense, in good faith contest any such taxes, assessments, license fees and other governmental charges and, in the event of any such contest, may permit the taxes, assessments, license fees or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Authority or the Trustee shall notify the College that, in the opinion of Independent counsel, by nonpayment of any such items the Project Facilities or any part thereof, or the revenue therefrom will be subject to loss or forfeiture, in which event such items shall be paid promptly.

### **Insurance**

The College is required to maintain, or cause to be maintained, insurance as follows:

- (a) Insurance against loss and/or damage to the Project Facilities and contents, including fire and extended coverage in an amount not less than 80% of the full insurable replacement value of the Project Facilities, with a deductible amount of up to \$250,000.
- (b) Comprehensive general public liability insurance, including blanket contractual liability and personal injury liability and automobile insurance, in the minimum amount for each occurrence of \$5,000,000 and aggregate for each year of \$10,000,000, with a deductible amount of not more than \$250,000 per occurrence, and against liability for property damage in the minimum amount for each occurrence of \$250,000.
- (c) Workers' compensation insurance in such amount as is customarily carried by organizations in like activities of comparable size and liability exposure to the College, provided that the College may be self-insured with respect to all or a part of its liability for workers' compensation.

Upon the written request of the College, the Trustee (i) may permit modifications to such insurance requirements and deductible amounts, including permission for the College to be self-insured in whole or in part for any comprehensive general public liability, upon such terms and conditions as the Trustee may require, and (ii) shall permit modifications to such insurance requirements and deductible amounts, including permission for self-insurance, in accordance with the recommendation of an Independent insurance consultant employed by the College and satisfactory to the Trustee.

Each required policy shall contain a provision that the insurer will not cancel or modify the policy without giving written notice to the College and the Trustee at least thirty days before the cancellation or modification becomes effective. The College is required to furnish to the Trustee annually a certificate of insurance compliance.

## **Damage or Destruction**

If the Project Facilities shall be damaged or partially or totally destroyed there shall be no abatement in the Loan Repayments, and to the extent that the claim for loss resulting from such damage or destruction is not greater than \$1,000,000, the College will promptly repair, rebuild or restore the property damaged or destroyed with such changes, alterations and modifications (including the substitution and addition of other property) as will not impair the character or significance of the Project Facilities as educational facilities. To the extent that the claim for loss resulting from such damage or destruction exceeds \$1,000,000, the College shall either repair, rebuild or restore the damaged facilities, or redeem and prepay the Bonds in whole or in part as more fully provided in the Loan Agreement.

The Bonds may be redeemed in whole if (i) all or part of the Project Facilities are damaged or destroyed to such extent that they cannot be reasonably restored within six months or (ii) normal use and operation of such Project Facilities are interrupted for a six month period or (iii) the cost of restoration exceeds the available Net Proceeds by an amount described in the Loan Agreement. The Bonds may be redeemed in part if (i) all or a portion of the Project Buildings have been damaged or destroyed, (ii) the College determines that the Project Building or Project Buildings or portion thereof, as the case may be, is not needed in its operations and (iii) the College has elected not to restore such Project Building or Project Buildings or portion thereof, as the case may be. If the College elects to redeem the Bonds in part, the available Net Proceeds shall be used for redemption or purchase of the pro rata portion of the principal amount of outstanding Bonds. For this purpose, "pro rata portion" shall mean the respective percentages of the principal amount of outstanding Bonds for Rice/Olin Hall, George Draper Dayton Hall, and all or parts of Wallace and Bigelow Halls, as set forth in the Loan Agreement. If the available Net Proceeds are insufficient to redeem the pro rata portion of outstanding Bonds, the College shall pay such deficiency. Any Net Proceeds not needed for redemption or purchase of the pro rata portion of the principal amount of Outstanding Bonds shall be returned to the College unless there is a Default as defined in the Loan Agreement.

## **Condemnation**

If at any time before the Bonds have been fully paid (or provision for payment thereof has been made in accordance with the Indenture), title to any part of the Project Facilities shall be taken in any proceeding involving the exercise of the right of eminent domain, the College shall either redeem the Bonds in whole or in part or rebuild or restore such facilities, as more fully provided in the Loan Agreement.

If the Bonds are to be redeemed in whole or in part, such redemption shall be as described in the second paragraph under the caption "Damage or Destruction" above.

## **Removal of Project Equipment and Building Equipment**

The College may remove or release Project Equipment and Building Equipment from the Project Facilities if no Default exists and upon the following conditions:

- (a) the College may substitute equipment and related property for any Project Equipment and Building Equipment, provided that such substitution shall not materially impair the character or revenue producing significance of the Project Facilities;
- (b) the College may release any equipment from the definition of Project Equipment (with or without the physical removal thereof) without substitution therefor, provided that the College pays a sum equal to the then value of such Project Equipment as determined by an Independent engineer selected by the College, to the Trustee for deposit in the

Redemption Account for the redemption and prepayment of the Bonds; provided that if the depreciated book value of the equipment so released was less than \$100,000, such release and such deposit to the Redemption Account may be effected without such determination of value and Certificate by an Independent Engineer upon such showing by the College as may be satisfactory to the Trustee;

- (c) the College may remove any Building Equipment without substitution therefor provided that such removal will not materially impair the character or revenue producing significance or value of the Project Facilities.

In connection with (a) and (b) above, if the depreciated book value of the Project Equipment or in connection with (c) above, the depreciated value of Building Equipment to be substituted, removed or released equals or exceeds \$100,000 the College will deliver to the Trustee a certificate signed by the Authorized Institution Representative stating that the substitution, removal or release of such equipment will not materially impair the character or revenue producing significance or value of the Project Facilities.

### **Indemnification**

The College agrees to hold the Authority, its members and employees, harmless against any claim, cause of action, suit or liability for any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to the Project Facilities and the use thereof, including that caused by any negligence of the Authority or anyone acting in its behalf, provided that the indemnity shall be effective only to the extent of any loss that may be sustained by the Authority in excess of the net proceeds received by the Authority from any insurance carried with respect to the loss sustained.

The College agrees to indemnify and hold harmless the Authority against any and all losses, claims, damages or liability to which the Authority may become subject under law, and to reimburse the Authority for any out-of-pocket legal and other expenses (including reasonable counsel fees) incurred by the Authority in connection with investigating any such losses, claims, damages, or liabilities or in connection with defending any actions, insofar as the same relate to information furnished to the Authority by the College in connection with the sale of the Bonds.

### **College to Maintain its Existence and Accreditation**

The College agrees that during the term of the Loan Agreement it will maintain its existence as a nonprofit corporation and maintain the Institution as an institution of higher education under the laws of Minnesota, accredited as such by recognized accrediting agencies and that it will not dissolve or otherwise dispose of all or substantially all of its assets and will not consolidate with or merge into another corporation, or permit one or more other corporations to consolidate with or merge into it, except upon the conditions provided in the Loan Agreement. The conditions are the following: (a) if the surviving, resulting or transferee institution, as the case may be, is other than the College, such surviving, resulting or transferee corporation shall assume in writing all of the obligations of the College in the Loan Agreement, and be either a state College or college or a nonprofit corporation operating or authorized to operate an Institution of higher education under the laws of Minnesota, eligible to be a participating nonprofit institution under the Act, and complies and will comply with the provisions of the Loan Agreement against unlawful discrimination and requiring that the institution be nonsectarian; and (b) the College shall furnish to the Trustee an opinion of bond counsel that such consolidation, merger or transfer shall have no effect upon the tax-exempt nature of the interest on the Bonds under the Internal Revenue Code and regulations thereunder.

## **\$150,000,000 Limitation on Outstanding Non-Hospital Bonds**

The College has represented that the sum of the principal amount of the Bonds, plus the respective outstanding aggregate principal amounts of all tax-exempt nonhospital bonds issued on behalf of or for the benefit of the College and all organizations under common management or control with the College (other than qualified hospital bonds), within the meaning of Section 145 of the Internal Revenue Code, does not exceed \$150,000,000, excluding nonhospital bonds issued on or after August 5, 1997 to finance capital expenditures incurred after August 5, 1997. Under the Loan Agreement, in no event will the College affiliate or consolidate with or merge into another corporation or sell or otherwise transfer to another institution all or substantially all of its assets or the assets of the Institution as an entirety if the effect of any such transaction would be to adversely affect the tax exempt status of the Bonds, such as by exceeding limitations on the outstanding aggregate principal amounts of all tax-exempt bonds issued by or on behalf of the College or such other resulting entity, and all organizations under common management or control with the College or such resulting entity, within the meaning of Section 145 of the Internal Revenue Code.

## **Federal Income Tax Status**

The College represents that it presently is and agrees that it shall take all appropriate measures to assure that it remains an organization described in Section 501 (c) (3) of the Internal Revenue Code, exempt from income taxes under Section 501 (a) of such Code.

## **Institution to be Nonsectarian**

The College agrees that the Institution will continue to be nonsectarian; will not require or forbid attendance by students or any other persons at religious worship or acceptance of any religious creed; and will not promulgate the distinctive doctrines, creeds or tenets of any particular religious sect. All courses of study at the Institution, including any religion or theology courses, will be taught according to the academic requirements of the subject matter and professional standards.

## **Determination of Taxability**

In the event a Determination of Taxability is made at any time that interest on the Bonds is includable in gross income of the recipient for purposes of federal income taxation under the provisions of the Internal Revenue Code and regulations thereunder as in effect at the date of issuance of the Bonds, the Bonds shall bear additional interest at the rate of two percent (2.00%) per annum from the Date of Taxability until the respective dates on which the principal of the Bonds is paid. In addition, in the event of such Determination of Taxability, the Bonds shall be subject to optional redemption, as a whole or in part on the next date for which due notice can be given and any date thereafter at a redemption price equal to par plus accrued interest plus additional interest from the Date of Taxability.

## **Other Covenants**

The College further agrees to comply with all applicable laws and regulations against unlawful discrimination, and not to discriminate on account of gender, religion, race, color, creed or national origin in the use or operation of the Project Facilities; to provide and file such financing statements and other instruments of further assurance as the Authority or Trustee may request; to perform all obligations imposed by the Internal Revenue Code and regulations thereunder

with respect to the non-arbitrage status of the Bonds and to comply with the applicable rebate requirements under Section 148 of the Code and regulations thereunder; and to observe all applicable State laws and regulations, including those of the Authority, the Department of Education and the Minnesota Higher Education Services Office, subject to the right of contest. The College agrees to indemnify the Authority from losses arising from certain representations made by the College regarding the absence of hazardous waste on the Project Facilities.

The Authority further agrees to comply with the applicable rebate requirements imposed under Section 148 of the Internal Revenue Code with respect (but only with respect) to amounts paid by the College to the Authority as the Authority's annual fee under the Loan Agreement.

## **Events of Default**

Following are Events of Default under Section 7.01 of the Loan Agreement:

- (a) If the College shall fail to make any Loan Repayment when due and either (i) on a Bond principal or interest payment date or redemption date the available moneys on deposit in the Bond and Interest Sinking Fund Account and Redemption Account are insufficient to pay when due principal, premium, if any, and interest on the Bonds, or (ii) such failure shall continue for 5 Business Days after notice from the Trustee or the Authority to the College that such payment has not been made; or
- (b) If the College shall fail to comply with the provisions of Section 6.09(f) of the Loan Agreement (relating to arbitrage calculation and rebate requirements); or
- (c) [Reserved]
- (d) If the College shall fail to observe and perform for reasons other than force majeure any other covenant, condition or agreement on its part under the Loan Agreement for a period of thirty (30) days after written notice, specifying such default and requesting that it be remedied is given to the College by the Authority or the Trustee; or
- (e) If the College files a petition in voluntary bankruptcy, or for the composition of its affairs or for its corporate reorganization under any state or Federal bankruptcy or insolvency law, or makes an assignment for the benefit of creditors, or consents in writing to the appointment of a trustee or receiver for itself or for the whole or any substantial part of the property of the College; or
- (f) If a court of competent jurisdiction shall enter an order, judgment or decree against the College in any insolvency, bankruptcy, or reorganization proceeding, or appointing a trustee or receiver of the College or of the whole or any substantial part of the property of the College, and such order, judgment or decree shall not be vacated or set aside or stayed within ninety days from the date of the entry thereof; or
- (g) If, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the College or of the whole or any substantial part of its property, and such custody or control shall not be terminated within ninety days from the date of assumption of such custody or control.

The term "force majeure" as used above includes the following: acts of God; strikes, lockouts or other employee disturbances; acts of public enemies; orders, regulations or laws of any kind of the government of the United States of America or of the State of Minnesota or any of their departments, agencies, political subdivisions or officials, or any civil or military authority; insurrections; riots; epidemics; landslides; lightning; earthquakes; fires; hurricanes; tornadoes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions, breakage or accident to machinery, transmission pipes or canals; partial or entire failure of utilities; or any other cause or event not reasonably within the control

of the College. The provisions of paragraph (d) above, are subject to the further limitation that if the default can be remedied but not within a period of thirty days after notice and if the College has taken all action reasonably possible to remedy such default within such thirty-day period, the default shall not become an Event of Default for so long as the College shall diligently proceed to remedy such default and in accordance with any directions or limitations of time made by the Trustee. The College agrees, however, to use its best efforts to remedy with all reasonable dispatch any cause or causes preventing the College from carrying out its agreements.

### **Remedies on Default**

Whenever any Event of Default shall have happened, and be subsisting, the Loan Agreement provides that any one or more of the following steps may be taken:

- (a) The Trustee may declare all or any amount of Loan Repayments thereafter to become due and payable for the remainder of the term of the Loan Agreement to be immediately due and payable, whereupon the same shall become immediately due and payable.
- (b) The Trustee (or the Authority with respect to certain sections of the Loan Agreement) may take whatever action at law or in equity which may appear necessary or desirable to collect the payments then due and thereafter to become due.
- (c) The Trustee may take whatever action in law or equity which appears necessary or desirable to enforce the security provided by or enforce any provision of the Loan Agreement or the Indenture.

Any amounts collected by the Trustee pursuant to the actions set forth above shall be applied first to advances and expenses, and then to payment of interest, principal and premium, if any, on the Bonds as provided in Section 7.04 of the Indenture, and any excess to the College.

### **Amendments**

Except as otherwise provided in the Loan Agreement or in the Indenture, subsequent to issuance of the Bonds and so long as any Bonds are outstanding, the Loan Agreement may not be amended without the prior written consent of the Trustee.

## THE INDENTURE

The following constitutes a summary of certain provisions of the Trust Indenture (the "Indenture"). This summary does not purport to be complete and reference is made to the full text of the Indenture for a complete recital of its terms. Certain words and terms used in this summary are defined in "DEFINITION OF CERTAIN TERMS," Appendix IV, contained herein.

### Granting Clauses

Pursuant to the Indenture, the Authority grants to the Trustee, as security for the Holders of the Bonds, the following:

- (1) all right, title and interest of the Authority under the Loan Agreement and all Loan Repayments and other sums due under the Loan Agreement, except the rights of the Authority relating to fees and expenses, indemnity and advances;
- (2) a first lien on and pledge of (i) the moneys and investments in the Accounts covenanted to be created and maintained under the Indenture (but excluding all moneys and investments in the Refunding Account), and (ii) all accounts, contract rights, general intangibles, moneys and instruments arising therefrom or relating thereto and all proceeds and products of and accessions to any thereof; and
- (3) any and all other property of every name and nature from time to time conveyed, mortgaged, assigned or transferred, or in which a security interest is granted, by the Authority or the College or by anyone in behalf of them or with their written consent, to the Trustee.

### Accounts

Bond proceeds, revenues and other funds derived under the Loan Agreement or Indenture shall be deposited into accounts held by the Trustee as described in "ACCOUNTS," contained in the body of this Official Statement.

### Trustee's Right to Payment

The Trustee shall have a first lien, with right of payment prior to payment on account of interest on or principal of the Bonds for reasonable compensation, expenses, advances and counsel fees incurred in and about the execution of the trusts created by the Indenture and exercise and performance of the powers and duties of the Trustee under the Indenture, and the cost and expenses incurred in defending against any liability in the premises of any character whatsoever (unless such liability is adjudicated to have resulted from the negligence or willful default of the Trustee).

### Covenants of the Authority

Under the Indenture the Authority covenants, among other things, to perform its various undertakings and agreements; not to extend the maturity of any of the Bonds or the time of payment of any claims for interest; to take such action or cause and permit the Trustee to take such action as may be necessary or advisable to enforce the covenants, terms and conditions of the Loan Agreement, if such action shall, in the discretion of the Trustee, be deemed to be in the best interests of the Authority or the Bondholders; to comply with the applicable rebate requirements under Section 148 of the Code and regulations thereunder; to keep proper books,

accounts and records; and not to issue or permit to be issued any Bonds under the Indenture in any manner other than in accordance with the provisions of the Indenture and not to suffer or permit any default to occur under the Indenture. Under the Act, and it is expressly agreed that, the Authority has no obligation to make any advance or payment or incur any expense or liability from its general funds for performing any of the conditions, covenants or requirements of the Indenture or from any funds other than Loan Repayments or money in the Accounts.

## **Events of Default**

The following are Events of Default under the Indenture:

- (a) If payment of the principal of any of the Bonds, when the same shall become due and payable (whether at maturity or by proceedings for redemption or by declaration of acceleration or otherwise), shall not be made; or
- (b) If payment of any interest on the Bonds when the same shall become due and payable (in which case interest shall be payable to the extent permitted by law on any overdue installments of interest, in each case at the interest rate borne by the Bonds in respect of which such interest is overdue) shall not be made; or
- (c) If the Authority shall default in the due and punctual performance of any of the covenants, conditions, agreements and provisions contained in the Bonds or in the Indenture, or in any supplemental indenture on the part of the Authority to be performed, and such default shall have continued for a period of sixty days after written notice, specifying such default and requiring the same to be remedied, shall have been given to the Authority and to the College (giving the College the privilege of curing such default in the name of the Authority, if permitted by law) by the Trustee, which may give such notice in its discretion and shall give such notice upon written request of the Holders of not less than a majority in principal amount of the Bonds then outstanding; or
- (d) If any "event of default" on the part of the College, as that term is defined in the Loan Agreement, shall occur and be continuing.

## **Remedies**

If an Event of Default shall exist, the Trustee may, and upon written request of the Holders of a majority in aggregate principal amount of Bonds outstanding shall, by notice in writing delivered to the Authority, declare the principal of all Bonds then outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable subject, however, to the right of the Holders of a majority in aggregate principal amount of Bonds then outstanding, by written notice to the Authority and to the Trustee, to annul such declaration and destroy its effect at any time if all covenants with respect to which default shall have been made shall be fully performed or made good, and all arrears of interest upon all Bonds outstanding and the reasonable expenses and charges of the Trustee, its agents and attorneys, and all other indebtedness secured by the Indenture (except the principal of any Bonds which have not then attained their stated maturity and interest accrued on such Bonds since the last interest payment date) shall be paid, or the amount thereof shall be paid to the Trustee for the benefit of those entitled thereto.

In the case of the breach of any of the covenants or conditions of the Loan Agreement or the Indenture, the Trustee, anything therein contained to the contrary notwithstanding and without any request from any Bondholder (subject, however to its rights to indemnity and notice provided in the Indenture), shall be obligated to take such action or actions for the enforcement of its rights and the rights of the Bondholders and the rights of the Authority under the Loan

Agreement as due diligence, prudence and care would require and to pursue the same with like diligence, prudence and care.

Upon the happening and continuance of an Event of Default, the Trustee may, and shall upon the written request of the Holders of not less than a majority in aggregate principal amount of outstanding Bonds, proceed forthwith by suit or suits at law or in equity or by any other appropriate remedy to enforce payment of the Bonds, to enforce application to payment of the Bonds the funds, revenues and income appropriated thereto by the Indenture and by the Bonds, to enforce the Loan Agreement and any such other appropriate legal or equitable remedy as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce any of its rights or any of the rights of the Bondholders. Notwithstanding the foregoing, the Trustee need not proceed upon any such written request of the Bondholders, as aforesaid, unless such Bondholders shall have offered to the Trustee security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby.

### **Concerning the Trustee**

The Trustee has no responsibility to use its own funds under the Indenture, but it may make advances at a rate equal to its reference or prime rate, which advances are given priority of payment. The Trustee also has a lien with right of payment prior to payment on account of Bond interest or principal for reasonable compensation, expenses, advances and counsel fees. The responsibilities of the Trustee prior to an Event of Default are limited to express provisions of the Indenture, and at all times the Trustee shall not be liable unless it acts negligently or in bad faith. The Trustee is not required to institute suit or take other steps to enforce its rights and powers unless indemnified to its satisfaction against all costs and expenses. The Trustee and its officers and directors are authorized to acquire and hold Bonds and otherwise deal with the Authority or the College to the same extent as if it were not Trustee. Provision is made for the succession or replacement of the Trustee by another corporate Trustee with a minimum combined capital, surplus and undivided profits of \$10 million in event of merger, resignation, or removal by Holders of a majority in principal amount of outstanding Bonds, or in the event of disability, by the Authority or a court. Provision is also made for removal of the Trustee by Bondholders or the Authority, at the request of the College, provided that the Authority may, but is not required to remove the Trustee with or without the request of the College if an Event of Default has occurred and is continuing or a default which with the passage of time or the giving of notice will become an Event of Default has occurred and is continuing. The Authority may not remove a successor Trustee properly appointed by the Bondholders.

### **Concerning the Bondholders**

No Bondholder shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of the Indenture or for any remedy under the Loan Agreement unless a default has occurred of which the Trustee has been notified or of which it is deemed to have notice; nor unless also such default shall have become an Event of Default and the Holders of a majority in aggregate principal amount of Bonds outstanding shall have made written request to the Trustee and shall have offered it reasonable opportunity either to proceed to exercise the powers granted or to institute such action, suit or proceeding in its own name; nor unless also they shall have offered to the Trustee indemnity as provided in the Indenture; and no one or more Bondholders shall have the right to affect, disturb, or prejudice the lien of the Indenture by his or their action or to enforce any right thereunder except in the manner therein provided, and that all proceedings at law or in equity shall be instituted and maintained in the manner therein provided and for the equal benefit of the Holders of all Bonds outstanding.

The Trustee, upon the written request of the Holders of a majority in principal amount of the Bonds at the time outstanding, shall waive any default under the Indenture and its

consequences, except a default in the payment of the principal of the Bonds at the date of maturity specified therein; provided, however, that a default in the payment of interest on the Bonds shall not be waived unless, prior to such waiver, all arrears of interest, and all expenses of the Trustee shall have been paid or shall have been provided for by deposit with the Trustee of a sum sufficient to pay the same. In case of any such waiver, the Authority, the Trustee and the Holders of the Bonds shall be restored to their former positions and rights respectively. No waiver of any default or Event of Default, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

Provision is made for meetings of Bondholders, proof of ownership of Bonds and execution of consents and other instruments by Bondholders.

### **Defeasance**

If the Authority and the College shall:

- (a) pay or cause to be paid the principal of, and premium, if any, and interest on the Bonds at the time and in the manner stipulated therein and in the Indenture, or
- (b) provide for the payment of principal of, premium, if any, and interest on the outstanding Bonds by depositing with the Trustee at or at any time before maturity an amount either in cash or direct obligations of the United States of America in such aggregate face amount, bearing interest at such rates, and maturing on such dates sufficient to pay the entire amount due or to become due for principal and premium, if any, and interest to maturity of all Bonds outstanding, or
- (c) deliver to the Trustee (1) proof that notice of redemption of all of the outstanding Bonds not surrendered or to be surrendered to it for cancellation has been given or waived, or that arrangements have been made insuring that such notice will be given or waived, or (2) a written instrument executed by the College for the Authority and expressed to be irrevocable, authorizing the Trustee to give such notice for and on behalf of the Authority, or (3) file with the Trustee a waiver of such notice of redemption signed by the Holders of all such outstanding Bonds, and in any case, deposit with the Trustee before the date on which such Bonds are to be redeemed, the entire amount of the redemption price, including interest accrued and to accrue, and premium, if any, either in cash or direct obligations of the United States of America in such aggregate face amount, bearing interest at such rates and maturing at such dates as shall be sufficient to provide for the payment of the redemption price on the date such Bonds are to be redeemed and on any interest payment dates, or
- (d) surrender to the Trustee for cancellation all Bonds for which payment is not so provided,

and shall also pay or provide for the payment of the unpaid fees and expenses of the Trustee and the rebate of all amounts due or to become due to the United States under Section 148 of the Internal Revenue Code, then at the request of the Authority or the College all the Trust Estate shall revert to the Authority and the College as their interests appear, and the entire estate, right, title and interest of the Trustee, and of registered owners of such Bonds in respect thereof, shall thereupon cease, determine and become void; and the Trustee in such case, upon cancellation of all such Bonds for the payment of which cash or government obligations shall not have been deposited in accordance with the provisions of the Indenture, shall, upon receipt of a written request of the Authority and of a certificate of the Authority and an opinion of counsel as to compliance with conditions precedent (and, in the case of defeasance under paragraph (b) above, as to effect on tax exempt status), and at its cost and expense, execute to the Authority, or its order, proper instruments acknowledging satisfaction of the Indenture and

surrender to the Authority or its order, all cash and deposited securities, if any (except that held for the payment of the Bonds), which shall then be held thereunder.

When the Authority or the College shall have deposited at any time with the Trustee in trust for the purpose, in the manner provided, or left with it if previously so deposited, cash or direct obligations of the United States of America sufficient to pay the principal of any Bonds (and premium, if any) when the same become due, either at maturity or otherwise, or at the date fixed for the redemption thereof and to pay all interest with respect thereto at the due date of such interest or to the date fixed for redemption, for the use and benefit of the Holders thereof, then upon such deposit all such Bonds shall cease to be entitled to any lien, benefit or security of the Indenture except the right to receive the funds so deposited, and such Bonds shall be deemed not to be outstanding thereunder; and from and after such redemption date or maturity, interest on such Bonds so called for redemption shall cease to accrue.

### **Supplemental Indentures**

The Authority and the Trustee may enter into such supplemental indentures as shall by them be deemed necessary or desirable for any one or more of the following purposes, among others:

- (a) to correct the description of any property conveyed or pledged by the Indenture or intended so to be, or to assign, convey, pledge or transfer and set over to the Trustee additional property for the benefit and security of the Holders and owners of all Bonds under the Indenture;
- (b) to add to the covenants and agreements of the Authority or to surrender any right or power reserved to or conferred upon the Authority or any successor;
- (c) to evidence the succession of any other department, agency, body or corporation to the Authority;
- (d) to cure any ambiguity or to correct or supplement any defective or inconsistent provision contained in the Indenture or in any supplemental indentures or to make such other provisions in regard to matters or questions arising under the Indenture or any supplemental indenture as the Authority may deem necessary or desirable and which could have been contained in the Indenture or any supplemental indenture and which shall not impair the security of the same; and
- (e) to modify the Indenture as authorized by the Bondholders pursuant to Section 11.04 of the Indenture.

In addition and subject to the provisions set forth below, the Holders of not less than 51% in aggregate principal amount of the Bonds under the Indenture then outstanding shall have the right to consent to and approve such supplemental indentures as shall be deemed necessary or desirable by the Authority for the purpose of modifying, altering, amending, adding to or rescinding in any particular, any of the terms or provisions of the Indenture or in any supplemental indenture; provided, however, that such provision shall not be construed as permitting without the consent of the Holders of all Bonds outstanding (a) an extension of the maturity of any Bond, or (b) a reduction in the principal amount of any Bond or the redemption premium or the rate of interest thereon, or (c) the creation of a lien upon or a pledge of revenues ranking prior to or on a parity with the lien or pledge created by the Indenture, or (d) a preference or priority of any Bond over any other, or (e) a reduction in the aggregate principal amount of the Bonds the Holders of which are required to consent to such supplemental indenture or to amendments to the Loan Agreement.

## **Amendments to the Loan Agreement**

The Authority and the Trustee shall, without the consent of or notice to any of the Bondholders, consent to and (if requested) execute any amendment, change or modification of the Loan Agreement as may be required (a) by the provisions of the Loan Agreement or Indenture, or (b) for the purpose of curing any ambiguity or formal defect or omission, or (c) so as to add additional rights acquired in accordance with the provisions of the Loan Agreement or (d) in connection with any other change therein which, in the judgment of the Trustee, is not to the prejudice of the Trustee or the Holders of the Bonds.

Except for amendments, changes or modifications provided for in the preceding paragraph, neither the Authority nor the Trustee shall consent to or execute any amendment, change or modification of the Loan Agreement without the written approval or consent of the Holders of not less than 51% in aggregate principal amount of the Bonds at the time outstanding, given and procured as provided in the Indenture. However, the Indenture does not permit a reduction in, or a postponement of, the Loan Repayments under the Loan Agreement without the consent of the Holders of all the Bonds then outstanding.

## **Registration**

The Bonds shall be fully registered as to principal and interest at the principal corporate trust office of the Trustee, which shall also perform the functions of registrar and paying agent. Bonds may be transferred and exchanged by surrender to the Trustee with a written authorization by the registered Holder or his authorized attorney satisfactory to the Trustee subject to such reasonable regulations as the Trustee may prescribe and shall be without expense to the Holder, except as to any taxes or other governmental charges required to be paid. If the Bonds are no longer in book entry form, Bonds may be exchanged for a new Bond or Bonds of the same series, aggregate principal amount, maturity and basic interest rate of any authorized denominations. Payment of principal will be at the principal corporate trust office of the Trustee and interest shall be by check or draft of the Trustee mailed (or, pursuant to an agreement with the Trustee, by wire transfer) to the registered Owner at his address as shown on the registration books of the Trustee, subject to applicable procedures while in book entry form.

## THE CONTINUING DISCLOSURE AGREEMENT

The following is a summary of certain provisions of the Continuing Disclosure Agreement. This summary does not purport to be complete and reference is made to the full text of the Continuing Disclosure Agreement for a complete recital of its terms. See also "CONTINUING DISCLOSURE" in this Official Statement.

The College has undertaken the responsibility for continuing disclosure to bondholders as described below, and the Authority shall have no liability to the holders of the Bonds or any other person with respect to continuing disclosure.

### **Independent Auditors' Report**

The Board of Trustees  
Macalester College:

We have audited the accompanying statements of financial position of Macalester College (the College) as of May 31, 2004 and 2003, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the College's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the College as of May 31, 2004 and 2003, and the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated August 13, 2004 on our consideration of the College's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Notes to Financial Statements

### 1) Background and Organization

Macalester College (the College) is a highly selective, four year, coeducational, private liberal arts college. Founded in 1874, the College is located in the urban setting of Saint Paul, Minnesota, and is affiliated with the Presbyterian Church (USA). The College offers a liberal arts program leading to a Bachelor of Arts degree and is accredited by the North Central Association of Colleges and Secondary Schools.

### 2) Summary of Significant Accounting Policies

#### *Basis of Presentation*

The accompanying financial statements are presented on the accrual basis of accounting. To ensure the observance of limitations and restrictions placed on the use of available resources, the College maintains its accounts in accordance with the principles and practices of fund accounting. Fund accounting is the procedure by which resources for various purposes are classified for accounting purposes into funds that are maintained in accordance with activities or objectives of the College. For external reporting purposes, however, the College's financial statements have been prepared to focus on the organization as a whole and to present balances and transactions classified in accordance with the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

*Permanently restricted net assets*--Net assets subject to donor imposed stipulations that they be maintained permanently by the College. Generally the donor of these assets permits the College to use all or part of the income earned and capital gains, if any, on related investments for general or specific purposes.

*Temporarily restricted net assets*--Net assets subject to donor imposed stipulations that restrict their use to a specific purpose and/or the passage of time.

*Unrestricted net assets*--Net assets not subject to donor imposed stipulations. Certain of these amounts have been designated by the board for investment purposes as indicated in the presentation.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor imposed restrictions. Donor restricted contributions whose restrictions are met in the same year as the gift is made are reported as temporarily restricted contributions in the current year. Expirations of temporary restrictions on net assets, that is, the donor imposed stipulated purpose has been accomplished and/or the stipulated time period has elapsed, are reported as net assets released from restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulations.

Contributions, including unconditional promises to give, are recognized as revenue in the period received and reported in their appropriate net asset group, subject to the existence or absence of donor imposed stipulations. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization of discount is recorded as additional contribution revenue in accordance with donor imposed restrictions, if any, on the contributions.

Dividends, interest, and net gains or losses, both realized and unrealized, on investments are reported as follows:

- as increases or decreases in permanently restricted net assets if the terms of the gift or the College's interpretation of relevant state law require that they be added to the principal of a permanent endowment asset;
- as increases in temporarily restricted net assets if the terms of the gift impose restrictions on the use of the income; and
- as increases in unrestricted net assets in all other cases.

### ***Cash and Cash Equivalents***

Cash and cash equivalents include interest bearing money market accounts and short-term investments with an original maturity of less than three months, except those held for investment purposes.

### ***Land, Buildings and Equipment***

Constructed and purchased property and equipment are carried at cost. Land, buildings and equipment donated to the College are stated at fair value at date of donation. Long-lived assets, with the exception of land and artwork, are depreciated using the straight-line method over their estimated useful lives.

### ***Bond Issue Costs***

Bond issue costs are amortized using the straight-line method over the life of the associated bond issue.

### ***Tax Status***

The College has received a determination letter from the Internal Revenue Service indicating it is a tax-exempt organization as described in Section 501(c)(3) of the Internal Revenue Code and is subject to federal income tax only on net unrelated business income. No provision has been made for income taxes in the accompanying financial statements as the College has had no significant unrelated business income

### ***Fair Value of Financial Instruments***

The carrying amounts of cash and cash equivalents, notes and accounts receivable, accounts payable and accrued expenses, deposits, and deferred revenue approximate fair value because of the short maturity of these financial instruments. Contributions receivable and planned giving agreement liabilities are recorded at fair value using appropriate discount rates.

Long term investments and funds for investment, buildings and equipment in securities traded on national or international securities exchanges are carried at fair value, based upon values provided by external investment managers or quoted market values. The collateral on loaned securities is reported at fair value based on quoted market prices of the underlying investments. Limited partnership investments are valued using the most current information provided by the general partner of the specific fund. The limited partnership valuations generally reflect discounts for illiquidity and consider variables such as financial performance of investments, recent sales prices of investments and other pertinent information. The estimated values as determined by the general partners and investment managers may differ from the values that would have been used had ready markets for the investments existed and the differences could be significantly higher or lower for any specific holding. The beneficial interest in perpetual trust is reported at fair value of the trust assets.

A reasonable estimate of the fair value of the receivables from students under government loan programs and grants refundable to government for student loans could not be made because the notes receivable are not saleable and can only be assigned to the U. S. government or its designees. The fair value of receivables from students under College loan programs approximates carrying value.

The estimated fair value of the College's revenue bonds was calculated by discounting future cash flows through estimated maturity using the borrowing rate currently available to the College for debt of similar original maturity. The carrying value of the College bonds were \$57,510 as of May 31, 2004, and the fair value was approximately \$58,309. The carrying value approximates the fair value of the Series 1994 and 2003 bonds as the interest rate varies weekly.

### ***Planned Giving Agreements***

The College's planned giving agreements consist primarily of charitable gift annuities, charitable remainder unitrust contracts and pooled life income funds. For those trusts for which the College is the trustee, the assets are reported as long-term investments at their fair value. Contribution revenue is recognized at the dates the trusts are established after recording a liability for the present value of the estimated future payments to be made to the beneficiaries. The obligation is adjusted during the term of the agreement for changes in the value of the assets, amortization of the discount and other changes in the estimates of future benefits.

For those irrevocable trusts for which the College does not serve as trustee, contribution revenue and a receivable are recognized at the date the trust is established for the present value of the estimated future payments to be received.

The College is also the beneficiary of a perpetual trust held and administered by others. The estimated fair value of the assets was recognized as assets and revenue at the date the College was notified of the establishment of the trust. Distributions from the trust are recorded as investment income.

#### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

#### ***Reclassification***

Certain 2003 amounts have been reclassified to conform to the 2004 presentation.

Certain of the College's external investment managers are authorized to use derivative contracts in managing the assets under their control. From time to time, managers may enter into forward currency contracts to hedge currency risk on investments in foreign securities and other future contracts to adjust asset allocation efficiently. Changes in the fair value of the derivative contracts are included in endowment gains and losses. As of May 31, 2004 and 2003, investments totaling \$102,952 and \$83,258, respectively, included limited use of forward currency contracts, and investments totaling \$29,804 and \$26,594, respectively, included other derivative instruments.

The College participates in a securities lending program, whereby securities owned by the College and included and reported on the accompanying Statement of Financial Position in the College's investments are loaned to other institutions. As of May 31, 2004, the College had loaned certain securities, returnable on demand, with a fair value of \$79,194 to several financial institutions that have deposited collateral with respect to such securities of \$81,046. The College receives income on the invested collateral and also continues to receive interest and dividends from securities on loan. This transaction has been accounted for as a non-cash investing activity for purposes of the accompanying Statement of Cash Flow.

#### **4) Funds Held in Trust by Others**

For the year ended May 31, 2004 and 2003, the College received \$422 and \$435 from this trust, respectively. These assets are not recorded on the financial statements of the College.

#### **5) Valuation and Performance of Long Term Investment Funds**

The majority of the assets of the endowment funds have been placed in an investment pool, on a fair value basis, with each individual fund within the pool subscribing to or disposing of units on the basis of the market value per unit at the beginning of the month within which the transaction takes place.

Endowment investment and spending for the pooled investments is based on a total return policy. The Board of Trustees sets a spending rate which is used to establish the endowment payout. A spending rate for 2004 and 2003 of 5.1% and 5.2%, respectively, is applied to a sixteen-quarter average of investment fair value. The payout is supplemented by an amount equivalent to the investment expenses. If yield (interest and dividend income) is not sufficient to support the calculated payout, the balance is allocated from gains of the endowment assets. As of May 31, 2004 certain individual endowed funds had gain deficiencies totaling \$339 and did not have gains available to supplement yield. The gain deficiencies have been offset by an allocation from unrestricted net assets within the investment pool. As the market value of endowed funds with gain deficiencies increases, the allocation will reverse.

The College's endowment payout on pooled and non-pooled assets as reported in the financial statements is as follows:

Year ended May 31, 2004	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Endowment yield (net of investment expenses of \$1,653)	\$ 1,002	\$ 9,874	\$ 45	\$ 10,921

The College is involved in the College Housing Program of the U. S. Department of Housing and Urban Development. The funds received under this program have been used to rehabilitate student dormitories and dining areas. The mortgages under this program are secured by a lien on the College's stadium carried at original acquisition cost and improvements of \$781 at May 31, 2004 and 2003, and by pledges of gross stadium and tuition revenues.

In September of 1994, \$6,660 of variable rate demand revenue bonds was issued on behalf of the College by MHEFA. The bonds were initially issued with a weekly maturity and rate reset, but longer maturities as well as a fixed rate are optional. Proceeds of the issue were used to finance various campus improvements and an athletic field expansion. Loan repayments associated with the bonds will be general obligations of the College, with interest payable monthly (semi-annual if converted to fixed), and principal payable at maturity, on March 1, 2024.

In November of 1995, \$11,245 of revenue bonds were issued on behalf of the College by MHEFA. The average maturity of the issued bonds was 12.4 years, at an average rate of 5.48%. The bonds were secured by a pledge by MHEFA. Proceeds of the issue were used to finance renovation and expansion of the Olin/Rice Halls Science Facility.

In May of 1997, \$11,000 of revenue bonds were issued on behalf of the College by MHEFA. The average maturity of the issued bonds was 12.05 years, at an average rate of 5.41%. Proceeds of this issue were used to finance campus improvements.

In July of 1998, \$22,345 of revenue bonds were issued on behalf of the College by MHEFA. The average maturity of the issued bonds is 14.59 years at an average rate of 4.94%. A portion of the proceeds were used, together with other funds of the College, for construction of a new campus center. The remaining portion was used for refunding in advance the 1992 bond issue.

In February of 2003, \$15,300 of variable rate demand revenue bonds were issued on behalf of the College by MHEFA. The bonds were issued with a weekly rate reset, as well as a weekly tender option. In the event of a tender and unsuccessful remarketing, self liquidity is provided through treasury securities held as long term investments. Proceeds of the issue are being used to finance various dormitory improvements. Loan repayments associated with the bonds will be general obligations of the College, with interest payable monthly and principal payable at maturity, on March 1, 2033.

In direct connection with the variable rate demand revenue bonds issued in 2003, the College entered into an interest rate swap agreement that obligates it to pay a fixed rate of 3.33% annually to the counterparty in exchange for the receipt of a floating payment equal to 67% of the 30 day London Interbank offered rate (LIBOR). The net difference between the amounts paid to and received from the counterparty is recorded as interest expense. Payments under

#### 9) High Winds Fund

Included in the permanently restricted net assets are resources related to the High Winds Fund. The Fund is subject to the provisions of an agreement between the College and a major benefactor which provides, among other things, for physical segregation and administration of such funds in accordance with the provisions of such agreement. The purpose of the High Winds Fund is to maintain and improve the beauty, serenity and security of the area surrounding the College campus. As of May 31, 2004, the High Winds Fund owned nine properties surrounding the College campus. The total value of the assets of the Fund as of May 31, 2004 and 2003 is \$9,707 and \$8,664, respectively.

#### 10) Retirement Plan

The College provides retirement benefits to substantially all employees. Certain academic and non academic personnel are covered under defined contribution plans with Teachers Insurance and Annuity Association and College Retirement Equities Fund, and Vanguard Fiduciary Trust Company. A plan covering union employees is funded by deposits with trustees based on a fixed rate of contribution per hour worked. The College has no liability for these pension plans once deposits are made to the administrators. The College has an unfunded pension plan which supplements retirement benefits of certain professional and staff employees not fully covered by other plans. The unfunded liability under the supplemental plan at May 31, 2004 and 2003 was approximately \$181 and \$188, respectively.

Total benefit expense for the year ended May 31, 2004, was \$2,408 including \$21 paid under the unfunded supplemental plan and for the year ended May 31, 2003, was \$2,281 including \$21 paid under the unfunded supplemental plan.
