Project Bonds

When these terms are capitalized they shall refer to the \$1,695,000 Minnesota Higher Education Facilities Authority First Mortgage Revenue Bonds, Refunding Series 1976-1 (College of Saint Teresa)

Project

When capitalized the term "Project" refers to a library (Mary A. Molloy Library) with lecture hall and classrooms, a four-story student residence (Maria Hall student residence) to accommodate approximately 200 students, a service center (Service Center) consisting of a garage, power plant, laundry and maintenance office, and a renovated dining hall kitchen in Lourdes Hall which is a combination residence, recreation and dining facility building which also houses some offices, together with necessary equipment, furnishings, utilities and site improvements at the College.

BONDHOLDERS' RISKS

No representation, guarantees or assurances are made that the College will in fact be able to accomplish revenues sufficient to meet the payment of principal or interest of the Bonds or that other assets pledged for payment of the Bonds will be sufficient to meet the amounts when due or subsequently.

Bondholders should be aware that the tax exempt status of non-profit institutions of higher education, including the College, may be changed by Federal, or State, laws and regulations.

At the 1975 First Regular Session of the Minnesota Legislature Chapter 201 was enacted which among other things provides that all private, non-profit, post-secondary education institutions must register annually with the Minnesota Higher Education Coordinating Board and that no school subject to registration shall grant a degree unless such degree is approved by the Board. The Board is now conducting public hearings relative to proposed implementation of this legislation.

Bondholders should also be aware of predicted declining college enrollments for institutions of higher education generally and of the competition of publicly supported higher education facilities with private schools whose tuition charges are generally higher.

The College has never historically been committed to annual debt service payments equal to those to which it will be subject with the issuance of these Bonds and its excess of operating revenues over operating expenditures has never equaled the maximum payments required for long-term debt as set out at page 15.

THE AUTHORITY

The Minnesota Higher Education Facilities Authority was created by Chapter 868, Laws of Minnesota, 1971 (Sections 136A.25 - 136A.42, Minnesota Statutes 1974), for the purpose of assisting institutions of higher education of the State in the construction and financing of projects. The Authority consists of six members appointed by the Governor with the advice and consent of the Senate and a seventh member who is the Executive Director of the Minnesota Higher Education Coordinating Commission and who is designated as the Secretary of the Authority.

Originally the Authority was given power to issue revenue bonds in a total amount not to exceed \$45 million. The 1973 Legislature increased this limit to an aggregate of \$62 million of principal outstanding at any time. Bonds issued by the Authority can be payable only from the rentals, revenues and other income, charges and moneys pledged for their payment. They do not in any manner represent or constitute a debt or pledge of the faith and credit of the State of Minnesota.

By the provisions of Chapter 868, Laws of Minnesota, 1971 "....neither the Authority nor its agent shall be required to pay any taxes or assessments upon or in respect of a project or any property acquired or used by the Authority or its agent under the provisions of this act or upon the income therefrom..."

Educational institutions of the State eligible for assistance by the Authority are non-profit educational institutions authorized to provide a program of education beyond the high school level. Sectarian institutions are not eligible for assistance; however, the fact that an institution is sponsored by a religious denomination does not of itself make the institution sectarian. Application to the Authority is voluntary.

The scope of projects for which the Authority may issue bonds is broad, including buildings or facilities for use as student housing, academic buildings, parking facilities and other structures or facilities required or useful for the instruction of students, or conducting of research, in the operation of an institution of higher education.

A project for which bonds are issued by the Authority becomes the property of the Authority - as long as bonds of the Authority issued for the project remain outstanding. Thereafter they may be subject to repurchase options. The project is leased by the Authority to the institution for operation. The revenues which are the primary security for the bonds are provided according to the terms of the lease between the Authority and the institution. Prior to delivery of an issue the Authority enters into a mortgage trust indenture with a trustee who administers the funds which are the security for the payment of the bonds, except the funds of the General Bond Reserve Account. These are under the supervision of the Authority.

While the Authority retains broad powers to oversee planning and construction, it is current policy to permit the institution almost complete discretion with respect to these matters.

In Minnesota Higher Education Facilities Authority v. Hawk, filed August 8, 1975, the Minnesota Supreme Court affirmed the constitutionality of the issuance of tax exempt bonds by the Authority to refinance debts incurred by Minnesota private colleges in the construction of facilities used solely for nonsectarian educational purposes. The Court held that the proposed issues of refunding bonds for Bethel College, St. Mary's College, and the College of Saint Teresa would not be a constitutional aid to religion and would not be an improper use of public funds.

The Authority is financed solely from fees paid by the institutions for whom bonds are issued. At the time of issuance, and usually from bond proceeds, the Authority is paid one-third of one percent of the principal amount of the issue. Thereafter, commencing as of the date of issue and payable in advance, the Authority receives an annual fee of one-eighth of one percent of the original principal amount of the bonds for their original term so long as any of the bonds are outstanding.

The staff of the Authority consists of its Executive Director, Dr. Joseph E. LaBelle, and one secretary.

Bond issuance costs, including fees of bond counsel, the fiscal consultant and trustee, are paid by the institution. The fees of bond counsel and the fiscal consultant also usually come from bond proceeds.

As a general policy the Authority requires that the proceeds of the bonds include a sum equal to approximately one year's debt service, after deduction of any interest subsidy grants, for the creation of debt service reserves. Of this sum 80% is deposited with the trustee in a series reserve account; the remaining 20% is deposited by the Authority in the General Bond Reserve Account pledged to the payment of all bonds issued by the Authority for which such a deposit has been made. (See General Bond Resolution, Appendix VII).

The fees of the Authority which are applicable to this Issue are:

Initial fee payable at time of settlement	
(1/3 of 1%)	\$5,650.00
Annual fee commencing as of time of settlement	
(1/8 of 1%)	2,118.75*
	<u>\$7,768.75</u>

To date, exclusive of this Issue, the Authority has issued seventeen series of Bonds in the aggregate amount of \$36,680,000.

**This amount shall be payable to the date of final maturity even though the Issue may be redeemed, wholly or in part, prior to that time.*

PURPOSE OF THE ISSUE

In 1966 and 1967 the School undertook the construction of the following buildings constructed during the period stated and having the construction and equipment costs shown:

<u>Building</u>	<u>Construction Period</u>	<u>Construction Cost</u>	<u>Total Equipment</u>	<u>Total</u>
Mary A. Molloy Library	1966-1968	\$ 986,042	\$152,641	\$1,138,683

Total Costs		\$3,372,884	\$362,225	\$3,735,109

Mary A. Molloy Library contains facilities for student and faculty study and research and special learning facilities. The library proper contains space for 200,000 volumes and 500 students and is equipped with individual study carrels and tables and chairs for reading and seminar groups. Special learning facilities include a completely equipped audio-visual department, a 99-seat lecture hall and classrooms. Maria Hall is a four-story residence accommodating 200 students and includes a study-living lounge on each floor. The Service Center facility combines a garage, power plant, laundry and maintenance offices. The kitchen renovation was in connection with the dining hall in Lourdes Hall, a multi-use residence, recreation, and dining facility building which also houses some offices.

The College received a grant from the United States Government of \$395,901 and other gifts aggregating \$490,054 which were applied to the projects. As a result, the net cost of the projects to the College was \$2,849,154, financed by debt obligations and other available funds.

To finance construction of these projects the College incurred the following obligations:

1. \$2,000,000 Serial Coupon Notes, dated January 1, 1967, bearing interest at varying rates from 5-3/4% to 6-3/8%, and maturing semiannually July 1, 1967 through January 1, 1972 on which date the balance of \$1,135,000 was due.
2. \$500,000 Direct Obligation Serial Coupon Notes, dated January 1, 1968, bearing interest at the rate of 6½%, and maturing January 1, 1975.

Of the \$2,000,000 Serial Coupon Notes \$555,000 of the principal was retired. The July 1, 1970, January 1, 1971 and July 1, 1971 maturities, aggregating \$345,000 of principal amount, were refinanced by the issuance of \$650,000 Direct Obligation Serial Debentures, Series 1970. The remaining \$1,100,000 of principal of the Serial Coupon Notes was refinanced by a \$1,100,000 Demand Note, dated January 3, 1972 payable to the Merchants National Bank of Winona and bearing interest at the rate of 7.00%.

The \$650,000 Direct Obligation Serial Debentures, Series 1970, were dated July 1, 1970 and carried varying rates of interest of $8\frac{1}{2}\%$ to $9\frac{1}{4}\%$. They were scheduled to mature semiannually from April 1, 1973 through April 1, 1980 on which date the final \$215,000 was to be due. The proceeds of these Debentures were applied as follows:

1.	Payment of Principal on \$2,000,000 Serial Coupon Notes (7/1/70, 1/1/71 and 7/1/71 maturities)	\$345,000
2.	Payment of Interest due July 1, 1970 on \$2,000,000 Serial Coupon Notes	\$ 63,210
3.	Financing Costs	\$ 19,500
4.	Working Capital	<u>\$222,290</u>
		\$650,000

The \$650,000 Direct Obligation Serial Coupon Debentures were called for redemption and refinanced by the issuance of a \$600,000 Note to the First National Bank of Winona, and by use of other College funds.

In January, 1973 the College retired the \$1,100,000 Demand Note payable to The Merchants National Bank of Winona and the \$600,000 Note payable to the First National Bank of Winona from the proceeds of a \$1,700,000 Demand Note dated January 3, 1974, bearing interest at the rate of $8\frac{1}{2}\%$ and payable to The Merchants National Bank of Winona. As of January 2, 1975 this note was extended to January 3, 1976 with interest at the Minneapolis base prime rate but in any event not less than $8\frac{1}{2}\%$ annually. It has been extended since January 3, 1976, on the basis that it will be paid as described herein. As of January 2, 1975 the \$500,000 notes, dated January 1, 1968 were redeemed from the proceeds of a \$500,000 demand note to The First National Bank of St. Paul, bearing monthly interest at the annual rate of $\frac{1}{4}$ of 1% over the current prime rate.

The full principal of the \$1,700,000 Demand Note of January 3, 1974 and of the \$500,000 Demand Note of January 2, 1975 remain unpaid. Bond Counsel has advised the Authority that all of the principal sum of the \$500,000 note is eligible for refunding by the Authority but that only \$1,500,000 of the \$1,700,000 note may be refunded by the Authority. Therefore, at

the time of settlement of this Issue \$1,400,000 of Bond proceeds, plus accrued interest, if any, on the principal sum of the Issue, but less such amount, not exceeding \$50,850, which may be bid as discount, will be used to fully pay all amounts then due upon the \$500,000 note. The balance remaining will be applied to \$1,500,000 of the \$1,700,000 January 3, 1974 note and to refinancing expenses. The College will provide the balance of the funds needed, including the proceeds from its \$800,000 loan from the Academy to fully retire the January 3, 1974 \$1,700,000 note.

LONG-TERM DEBT

The College has the following long-term obligations:

1. An unsecured demand note dated January 3, 1974 payable to The Merchants National Bank of Winona, Minnesota. Participating with The Merchants National Bank are the: Town and Country State Bank, Winona; First National Bank, Winona; Winona National Savings Bank; Olmsted County Bank and Trust Co., Rochester, Minnesota; First National Bank of Rochester, and National Bank of Commerce, Mankato. This note was extended January 2, 1975 to January 3, 1976 and has been extended since then on the basis of payment described herein. It carries interest at the annual rate of prime (Minneapolis base) but not less than 8½%. \$1,700,000

This note is unconditionally guaranteed by the Academy, Rochester, Minnesota.

Proceeds of the Issue and other funds of the College will be used at settlement to fully retire this note.

2. A demand note, dated January 2, 1975, payable to The First National Bank of Saint Paul. Interest is payable monthly at an annual rate equal to ¼ of 1% over the current prime rate. \$ 500,000

This \$500,000 note is secured by collateral consisting of stocks and bonds of the College's Endowment funds which were reported in the audit for the year ending May 31, 1975 to have a book value of \$682,611 and a market value of \$682,153. This note will be retired at settlement of this Issue from proceeds of the Issue.

3. \$1,000,000 College of Saint Teresa Dormitory Bonds, Series 1961, dated April 1, 1961, payable April 1, in the principal amount of \$20,000 1976-80; \$25,000 1981-86; \$30,000 1987-90; \$35,000 1991-94; \$40,000 1995-98, and \$45,000 1999-2001. These bonds carry interest at the rate of 3½% per annum and are held by the United States of America, Housing and Home Finance Administration. They are a first lien on all net revenues derived from the operation of Loretto Hall, and are an obligation of the Academy of Our Lady of Lourdes acting for and on behalf of the College of Saint Teresa. (The College was not incorporated as a separate legal entity until 1963). \$ 805,000

4.	An unsecured, non-interest bearing obligation to the Academy of Our Lady of Lourdes, dated June 28, 1969, for which there is no repayment schedule, it being understood, but not in writing, that repayment will be if and when funds are available.	\$ 550,000.00
5.	A promissory note which will be executed at or before the closing of this Issue in favor of the Academy of Our Lady of Lourdes in the principal sum of \$800,000. By the terms of this note it shall bear interest at the rate of 6% per annum payable monthly. The foregoing schedule is a general indication of the ratio of reasonably anticipated General Bond Reserve balances to anticipated approximate annual debt service requirements and should not be relied upon as a representation of actual future facts.

- 1/ The estimated General Bond Reserve shown for each year as of January 1 of that year was computed in the following manner:
 - a. All principal contributions to the General Bond Reserve made during the previous year were added to the balance shown for the previous year and so are included for the first time in the year immediately following the year of contribution. (All balances include estimated interest earnings of the General Bond Reserve), then,
 - B. Interest on the sum arrived at per (a) above was computed at the rate of 6% per annum and added to said sum together with all principal contributions to the General Bond Reserve made during the year to produce the balance shown for the next year, except that,
 - c. In the event an issue is scheduled to be fully paid in the previous year the sum of the original contribution to the General Bond Reserve for that issue, plus interest thereon, at the annual compounded rate of 6% per annum from January 1 of the year that the contribution was made to January 1 of the year following the final maturity of the issue, was deducted from the balance arrived at per (b) above.
 - d. The \$40,000 contribution to the General Bond Reserve Fund for this Issue has been included in the computations but is not reflected until 1977.
 - e. Interest on investment of General Bond Reserve balances was computed at the assumed rate of 6% per annum. To date funds of the General Bond Reserve have been invested in federal government or agency securities at an average rate in excess of 6%.
- 2/ The amount of debt shown for each year is the total of all principal and interest of all issues which will come due January 1, or thereafter, of each calendar year.

Debt service for this Issue has been included with interest computed at the rate of 8.00%.

No prepayment of any issue was assumed, except that it was assumed that for the Minneapolis Society of Fine Arts issue principal prepayments of: \$800,000 - 1976; \$900,000 - 1977-80; \$950,000 - 1981; \$1,000,000 - 1982 and \$2,100,000 - 1983 will be made as they must be if funds are available even though the bonds are not otherwise due until August 1, 1984.
- 3/ The amount of principal remaining shown for each year is the amount outstanding as of January 1, assuming no prepayments and the schedule of payments described in note 2 above for the bonds of the Minneapolis Society of Fine Arts.
- 4/ This reflects the \$4,000,000 Series O issue for Carleton College which is due in its entirety in 2000. This Series O issue is collateralized in the amount of 110% of its outstanding principal.

THE COLLEGE

GENERAL INFORMATION

The College of Saint Teresa is a non-profit, women's residential, four-year, liberal arts college in the City of Winona, Minnesota (1970 population-26,438). Twenty-four non-residential men students are also enrolled. It traces its origin to 1894 when the Sisters of the Third Order Regular of the Congregation of Our Lady of Lourdes of St. Francis, who had conducted the Academy of Our Lady of Lourdes in Rochester since 1877, transferred the pupils of the Academy to Winona and opened the Winona Seminary. Commencing in September, 1907 college work was offered on the Oxford or tutorial plan. The first courses on the college level were opened in 1909. The name was changed to the College of Saint Teresa in 1912 and the first class of the College of Saint Teresa was graduated in June of 1914.

The College has been on the Approved List of the Association of American Universities since 1917. It is accredited by the National Council for the Accreditation of Teacher Education for the preparation of elementary and secondary teachers with the Bachelor's Degree as the highest degree approved and is also accredited for the baccalaureate degree by the National League for Nursing. It is a member of the North Central Association of Colleges and is approved by the Minnesota Department of Education for the preparation of Vocational Consumer-Homemaking teachers and Early Childhood Education as well as the preparation of Teachers of Nursery School Children and for the preparation of Speech Therapists.

The College of Saint Teresa and nearby St. Marys College and Winona State University have a number of cooperative programs which permit students from one college to enroll in many on-campus courses at the other colleges at no extra cost.

Saint Teresa does not offer work beyond the Bachelor Degree.

The College of Saint Teresa is also a member of the Rochester Consortium consisting of:

College of Saint Teresa
Rochester Community College
University of Minnesota, Rochester Center,
Continuing Education and Extension

The Rochester Consortium is one of three experimental region post-secondary educational projects directed by the Higher Education Coordinating Board for improving the efficiency and effectiveness of post-secondary education and meeting community needs through increased institutional cooperation and coordination of programs and planning within the region. As a member of the consortium the College in 1974 instituted the Women's Institute for Lifelong Learning and the Religious Studies Institute at the Sisters of St. Francis Convent at Assisi Heights at Rochester, Minnesota. The enrollment in the Women's Institute for Lifelong Learning was 103 in the fall of 1975.

The approximately 450 students enrolled in the four-year baccalaureate degree nursing program take two years of academic work at the Winona campus while the other two years of clinical work is spent at St. Marys Hospital in Rochester.

The College has the following lay employees:

UNIONS

There are two unions represented at the College. One is the International Union of Operating Engineers, Local 756 AFL-CIO, which is the exclusive bargaining agent for its six full-time engineers. The current one-year contract expires June 30, 1976. The other is the Hotel, Restaurant Employees, Bartenders International Union, Local 263, which is the exclusive bargaining agent for 43 maintenance and housekeeping employees of the College, 36 of whom are full-time and seven part-time. The current two-year agreement expires November 9, 1977.

Of its full-time faculty 30 have doctorate degrees.

The contribution to the College of Saint Teresa by the Congregation takes many forms, and in most respects is immeasurable. The College does attempt to quantify that contribution with regard to the services of Sisters serving the College in the capacities of faculty, staff, etc. During the fiscal year ended May 31, 1975 the "contributed services" to the College of Saint Teresa by the Academy amounted to a net amount of \$482,447. The College enters into individual contracts with the Sisters employed by it which contracts provide for compensation comparable to that paid to lay employees performing equal tasks. However, the College actually pays the Sisters only a maintenance allowance. The difference between this lease maintenance allowance and the contracted compensation constitutes "Contributed Services". There were 73 Sisters who contributed services to the College of Saint Teresa during the school year 1974-75.

For 1975-76 there are 70 Sisters contributing services to the College, and the budgeted income from contributed services totals \$499,561. For the fiscal year ending May 31, 1975 the total of these contributed services was \$482,447, this was 10.4% of current revenues for the year.

R E P O R T O N S T U D E N T F I N A N C I A L A I D S

FROM: Office of Financial Aids
Margaret K. Weigel, Director *MW*

The 1975-1976 report is attached covering aids to this date and including many revisions into the second term. We expect further revisions in Nursing Loan and Federally Insured Student Loan amounts and may receive additional money through an appeal for initial SEOG funds.

May I point out that we accomplished the retrieval of approximately \$40,000 of College money (gift aid to students) because we have high federal funding and a carryover of Alliss funds, and, naturally, because we worked at it!

1. Every aid recipient's aid package was reviewed during the past few months to try to expend other than College funds, and retrieve our own.
2. The balance between gift aid and self-help aid (work and loans) of \$708,394 to \$555,011 is entirely favorable to the student as well as to the College. It underlines our practice, and our ability, to meet at least one-half of the student's demonstrated need with gift aid.
3. After retrieving our funds, the College is spending \$152,533 in gift aids (scholarships, grants, awards) plus \$26,801 in our work program plus \$52,869 as the College shares of federal loan and work funds, or a grand total of \$232,203.

Against this spending of \$232,203 we can credit the bonuses from the State of approximately \$38,000 and the administrative expense we earn for distributing federal funds of \$14,347.

4. The total amount from outside sources of "free" money is \$555,681 including State funds, BEOG, SEOG and foundation money. The State scholarships and grants amount to \$138,019.
5. The ratio of College funds spent in gifts to the total student revenue is 5%.

In summary: A total of \$1,263,405 for 671 students (or 66.9%) averages \$1,883 per student aided.

Because of our favorable situation, many of our students are actually overawarded (but not overaided according to the professional needs analyses) and have more than they anticipated with which to meet college costs.

NOTE: The \$550,000 obligation to the Academy, dated June 28, 1969, has not been included since it is non-interest bearing and is understood to be repayable if and when funds are available.

The management of the College is vested in the Board of Trustees who are also the sole members of the corporation. Under the College's by-laws the Board of Trustees shall consist of 24 persons, eight of whom are required to be members of the Congregation, Rochester, Minnesota. By the provisions of paragraph 3 d. of the Loan Agreement between the College and the Authority, dated December 16, 1975, the College has represented and warranted that all necessary corporate action has been taken by the College to authorize the execution, delivery and performance of the Agreement, a copy of which is available upon request to the Authority's Executive Director.

SECURITY OF THE BONDS

The Bonds will be secured by:

1. The guarantee of the College of Saint Teresa.
2. The guarantee of the Academy of Our Lady of Lourdes.
3. A first mortgage lien upon Mary A. Molloy Library, Maria Hall Student Residence, Service Center and Lourdes Hall all constructed or improved 1966-1968 at a total cost of \$3,735,109 including \$362,225 of equipment.
4. A series reserve of \$160,000.
5. The General Bond Reserve of the Authority, the principal contributions to which, including this Issue, total \$800,174.53, which is pledged to the debt service of all bonds issued to date by the Authority and which will be pledged to all future bonds issued by the Authority for which a contribution is made to the General Bond Reserve.

The Bonds do not represent a debt or pledge of the faith or credit of the State of Minnesota.

THE ACADEMY

Payments of principal and interest due for the Bonds will be guaranteed by the Academy of Our Lady of Lourdes. (See Guaranty Agreement, Appendix VI).

The membership of the Academy totals 698 Sisters whose median age is 56 years. Seven young women were received into the Congregation in 1973, three in 1974, and three the past year.

The Academy of Our Lady of Lourdes owns property and buildings known as Assisi Heights in Rochester, Minnesota; Gaelic Grove outside of Rochester, Minnesota; Saint Anne Hospice in Winona, Minnesota, Assisi Hall in Winona, Minnesota, and Mercy Hospital in Portsmouth, Ohio. (See Audit, Appendix II).

ACCOUNTS

1. Refunding Account -

The Trustee will pay the debt of the Project from it. All Bond proceeds, including accrued interest, but except the sum of \$250,850 and the amount of the discount, if any, bid for the Bonds, will be deposited into this Account at the time of the Bond closing.
2. Revenue Fund Account -
 - a. Bond and Interest Sinking Fund Account

Base Rent payments pursuant to the Lease will be deposited at least five business days prior to the interest payment dates of the Bonds. At the time of closing, \$50,850 (from accrued interest and from bond proceeds) as capitalized interest will be deposited in this Account.
 - b. Operation and Maintenance Account

No payments will be made to this Account so long as the Institution shall not be in default. But, in the event the Authority or Trustee assumes operation of the Project, revenues remaining after debt service will be paid into it to meet operational costs.
 - c. Redemption Account

Any revenues received which are not otherwise committed will be paid into this Account. Funds in it will be available to maintain required balances in other Accounts and to purchase or redeem Bonds. No specific amounts are required.
3. General Bond Reserve Account

This Account will be maintained by the Authority for debt service, if needed, for any Bonds of the Authority for which a deposit has been made in the Account. The amount of \$40,000 will be placed in this Account at closing from Bond proceeds. No institution is responsible for replenishment of this Account except for withdrawals on its behalf.
4. Debt Service Reserve Account

At delivery of the Bonds, the College will deposit \$160,000 from Bond Proceeds in this Account. The funds and investments in the Debt Service Reserve Account shall be irrevocably pledged to and shall be used by the Trustee as may be required for the payment of debt service of the Bonds.

CASH FLOW

As Required:

- First: To the Bond and Interest Sinking Fund Account
- Second: To the General Bond Reserve Account
- Third: To the Debt Service Reserve Account
- Fourth: To the Redemption Account

Except, that in the event the Authority or Trustee takes possession of the Project by reason of the Institution's default the second priority will be to an Operation and Maintenance Account for payment of current expenses of the Project. In this event the priority of each of the other Accounts except that of the Bond and Interest Sinking Fund Account will be one step lower than stated above.

INVESTMENT OF BOND ACCOUNTS

By the provisions of the Mortgage Trust Indenture the Trustee shall, upon request by the Authorized Institution Representative or the Authority, invest monies on deposit in the:

Bond and Interest Sinking Fund Account
Debt Service Reserve Account
Redemption Account

Investments for these Accounts may be in any of these:

Direct obligations of, or obligations fully guaranteed by,
the United States of America
Certificates of Deposit of banks or trust companies having
a combined capital and surplus of at least \$10,000,000
Securities issued by the following agencies of the United States:

Federal Home Loan Banks
Federal Intermediate Credit Banks
Federal Land Banks
Banks for Cooperatives
Federal National Mortgage Association

The General Bond Resolution permits the Authority to invest monies in the General Bond Reserve Account in:

Direct Obligations of the United States of America
Certificates of Deposit or Time Deposits secured by direct
obligations of the United States of America
Such other securities as are eligible for investment of public
funds of the State of Minnesota or of municipalities of
the State

All investments are limited by arbitrage provisions of the Internal Revenue Code and regulations thereunder.

Yield from funds invested by the Trustee may be used for abatement of Base Rent payments, but those from investment of the General Bond Reserve Account may not. The latter will remain in the General Bond Reserve Account, except that at such time as the bonds for an institution have been fully retired and all amounts required to be paid by the institution have been paid, the Authority will rebate to the institution its proportionate share of both its original contribution and earnings of the General Bond Reserve Account in proportion to its contribution less a proportionate charge for unrecovered advances. In the event that the amount in the General Bond Reserve Account at any time exceeds the total sum of all debt service, for which the funds of the Account are pledged, in each subsequent year such excess may also be rebated proportionately.

AGREEMENTS AND SECURITY

Agreement

The Authority and the Institution will enter into an Agreement attached to which as exhibits will be the forms, subject to completion, of the Deed, the Lease, the Indenture, the General Bond Resolution, the Series Resolution and the Guaranty Agreement referred to below, as well as the Official Statement, a Financing Statement for filing under the Uniform Commercial Code and a Schedule of Closing Documents. By the Agreement, the College represents among other things that the Application previously filed by the College and approved by the Authority is true and complete in all respects. In the Application materials and in the Lease, the College represents, and the Authority has found, that the College is a nonprofit institution of higher education eligible for financial assistance under Chapter 868, Minnesota Laws of 1971, as amended, that the project is eligible for financing under the Act, and that the College is non-sectarian and does not discriminate in its admission policies or programs on account of religion, race, color, creed or national origin.

The Agreement provides for the award of sale of the Project Bonds by the Authority, in its discretion, provided the Institution concurs or does not object before the award is made; the execution of the closing documents; for the redemption of all outstanding debt incurred by reason of the Project, and for operation of the Project by the Institution under the Lease and as agent of the Authority pursuant to the Act. Under the Agreement, the Institution agrees to register or qualify the Bonds under the securities act of any state other than Minnesota, or to cooperate in the registration of qualification, at the request and expense of the underwriters. By the Agreement, the Institution grants to the Authority a security interest in the Project, Project gross revenues, and the Leased Equipment.

Deed, Lease and Mortgage Trust Indenture

At or prior to closing, the Institution will execute, deliver and record a warranty deed conveying the Project and sites thereof, as well as other properties hereinbefore described, and appurtenant easements, to the Authority. At closing, the Institution shall procure and deliver to the Authority and Bond Counsel a title insurance binder (or unless otherwise required by the Authority an opinion of the College's counsel as to title) satisfactory to the Authority and Bond Counsel covering the Project and other sites and any easements specified in the Deed or Indenture.

At or prior to closing, the Authority as lessor and the College as lessee will execute and deliver a net Lease with repurchase options, for a lease term expiring at the last Bond maturity date, providing for Base Rent payments sufficient to pay principal of and interest on the Bonds. The Authority will also execute to the Trustee and record a Mortgage Trust Indenture mortgaging the Project land and buildings and leased equipment as well as other properties hereinbefore described and also assigning the Authority's interest in the Lease (except for certain additional rent representing the Authority's annual fees) to secure the Bonds. The Lease and Mortgage Trust Indenture, Appendices IV and V respectively, subject to completion, will be executed in substantially the forms set out in said Appendices.

General Bond Resolution; Series Resolution and Guaranty

The General Bond Resolution of the Authority was adopted October 31, 1972 to create the General Bond Reserve Account and to establish the terms of the pledge of that Account to bonds of the Authority. At or prior to closing, the College and the Academy will jointly and severally guarantee the prompt and full payment of the principal of and interest on the Bonds by execution of a Guaranty Agreement substantially in the form of Appendix VI. (See Appendix VII). The Series Resolution, subject to completion, is to be adopted by the Authority when the sale of the Bonds is awarded in substantially the form set out in Appendix VIII.

Tax Exempt Status of the Bonds

It is intended that the interest paid on the Bonds will not be included in the gross income of the recipients of said interest by reason of Section 103 (a) of the Internal Revenue Code of 1954, as presently in effect. However, the Lease will provide that in the event the interest payable on the Bonds becomes subject to Federal income taxes under the Internal Revenue Code and corrections as presently in effect, the Bonds shall be redeemable and shall be redeemed and the Institution shall purchase the Project at the earliest practicable interest payment date.

LITIGATION

The College and The Academy of Our Lady of Lourdes are defendants in a personal injury case in which counsel for the College in the matter estimates a verdict for the plaintiff could range from \$30,000 to \$125,000. The College is insured against liability in this amount.

The College also has been named as defendant in the matter of Massagli vs. College of St. Teresa pending in the Third Judicial District at Winona, Minnesota in which suit the plaintiff, a former assistant professor at the College, alleges that his employment was not terminated in accordance with the procedure in the faculty handbook by reason of which he asks damages for a total of \$13,104.

With these exceptions the College has no litigation threatened or pending against it.

DEFAULT

Neither the College nor the Academy has ever defaulted in the payment of any of their joint or several obligations for borrowed money.

LEGAL OPINION

The issuance and sale of the Project Bonds shall be subject to the delivery of the approving legal opinion of Messrs. Faegre & Benson as Bond Counsel to the Authority, the Institution, the Trustee and the purchaser of the Project Bonds to the effects that (i) the Authority has authority under the Act to issue the Project Bonds, to acquire and lease to the Institution the Project and to execute and deliver the Indenture to secure the Project Bonds, (ii) the Project Bonds, the Deed, the Lease and the Indenture have been duly authorized by all necessary proceedings and duly executed and delivered, (iii) the Project Bonds, the Deed, the Lease and the Indenture have been duly authorized by all necessary proceedings and duly executed and delivered, (iv) the Project Bonds, the Lease and the Indenture are valid and binding instruments in accordance with their terms, (v) the Indenture provides a valid and direct first mortgage lien on the Project subject only to the Lease and encumbrances permitted by the Indenture, (vi) the Project Bonds are further secured by the General Bond Reserve Account on a parity with bonds of other series as provided in the General Bond Resolution, (vii) the interest on the Project Bonds is exempt from federal and Minnesota state income taxes (other than Minnesota corporate franchise taxes measured by income) under present laws and rulings, (viii) the Project Bonds are exempt from registration under the Securities Act of 1933 and Minnesota Statutes, Chapter 80A, and the Indenture is exempt from qualification under the Trust Indenture Act of 1939.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
June 30, 1975

NOTE 1 - ACCOUNTING POLICIES - The accounting policies are in accordance with the Hospital Audit Guide as prepared by the Committee on Health Care Institutions of the American Institute of Certified Public Accountants. This system segregates the accounts into restricted and unrestricted funds. Only those funds restricted by grantors, donors or law are designated as restricted.

Depreciation is provided using straight-line methods at rates based on estimated useful lives of the various classes of assets. The hospital and hospice uses the same depreciation methods and rates in preparing third-party cost reimbursement reports as it uses for book purposes.

NOTE 2 - RETIREMENT PLAN - A retirement plan for lay employees is maintained and administered by Continental Illinois National Bank, Chicago, Illinois. Effective date of the plan is October 1, 1947. This value is not included in the accompanying balance sheet as all assets revert to retirees and beneficiaries upon termination of trust.

NOTE 3 - GUARANTOR - The Academy of Our Lady of Lourdes is guarantor for the payment of principal and interest on the following obligations of the College of St. Teresa, a nonprofit corporation:

\$1,700,000 demand note, dated January 3, 1975, payable to the Merchants National Bank of Winona, Winona, Minnesota with interest. This note requires payment by January 3, 1976.

\$500,000 serial coupon notes, dated January 2, 1975, with interest, due September 30, 1975.

NOTE 4 - GUARANTOR - The Academy of Our Lady of Lourdes has unconditionally guaranteed the payment of principal and interest of serial debentures of The Mercy Hospital Corporation, Portsmouth, Ohio with a remaining balance at June 30, 1975 of \$950,000.

The Series A debentures have an outstanding balance of \$300,000 at June 30, 1975. These debentures are payable quarterly through June 20, 1978 with interest at from 6 per cent to 7 per cent.

NOTE 4 - (continued)

The Series B debentures have an outstanding balance of \$650,000 at June 30, 1975. The debentures are payable quarterly from September 20, 1978 to September 20, 1984 with interest from 7 per cent to 8½ per cent.

NOTE 5 - CONSOLIDATED FINANCIAL STATEMENTS - The consolidated financial statements incorporate the financial statements of the Academy of Our Lady of Lourdes, The Mercy Hospital Corporation, Portsmouth, Ohio and Saint Anne Hospice, Winona, Minnesota.

NOTE 6 - INVESTMENTS - Investments are reported at cost which approximates current market value.

NOTE 7 - THE MERCY HOSPITAL CORPORATION, PORTSMOUTH, OHIO - The Mercy Hospital Corporation, Portsmouth, Ohio financial statements which are included in this consolidation were audited by Hayflich & Steinberg, Certified Public Accountants, Huntington, West Virginia as of June 30, 1975. Their report includes the following notes to financial statements which are pertinent to this report.

Note 3: Third-Party Reimbursement - Revenues received under cost reimbursement agreements totaling \$2,900,000 for the current year and \$2,200,000 for prior years are subject to audit and retroactive adjustment by the third-party agencies.

Note 4: Pension Plans - The hospital has two pension plans covering substantially all of its full-time lay employees and sisters. Total pension expense charged to operations for the year was \$50,808 which included amortization of prior service cost of \$3,773. The hospital's current policy is to fund pension costs accrued. The total unfunded accrued liability at December 31, 1974 (the end of the plan year) was \$1,207,215. This increase of \$628,743 over the prior year was a result of revised actuarial methods and assumptions and the change in the funding method to fund prior service cost over forty years at 4½% interest beginning January 1, 1975. The actuarially computed value of vested benefits exceeded the net assets of the pension fund by approximately \$272,000 as of December 31, 1974.

2. Representations and Warranties. The College represents and warrants to you that:

(a) The audit report of the College for the fiscal year ended May 31, 1975 certified by Fitzgerald & Sydejko and heretofore furnished to you presents fairly the financial position of the College at May 31, 1975 and the changes in fund balances and the current fund revenues, expenditures and other changes for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The Authority is not in violation of any of the provisions contained in the laws of Minnesota. The Authority has been duly authorized to execute and deliver this Lease.

(b) The Authority has acquired a title in fee simple to the Leased Premises, subject to Permitted Encumbrances, from the Institution and has not conveyed or encumbered or permitted any conveyance or encumbrance thereof except Permitted Encumbrances; proposes to refinance certain outstanding indebtedness incurred by the College to pay costs of the Project; and hereby leases the Project to the Institution and proposes to sell the Project to the Institution as hereinafter provided, all for the purpose of enhancing and preserving the College and the Project and the utilization thereof for educational purposes for the people of the state. The Authority agrees to use its best efforts to procure from the appropriate state, county, municipal and other authorities and corporations connection and discharge arrangements for the supply of water, gas, electricity and other utilities and sewage and waste disposal for the operation of the Project throughout the Lease Term.

[The balance of this page is intentionally left blank.]

(e) There is no litigation pending or, to the best of its knowledge threatened, against the Authority relating to the acquisition, construction and financing of the Project or to the Bonds or to this Lease or questioning the organization, powers or authority of the Authority respecting the Project or the Bonds.

Section 2.02 Representations by the Institution. The Institution makes the following representations:

(a) The Institution is a nonprofit institution of higher education duly incorporated and existing under the laws of Minnesota, duly authorized to provide and providing a program of education beyond the high school level.

(b) The Institution has power to enter into this Lease and by proper corporate action has been duly authorized to execute and deliver this Lease, and the execution and delivery of this Lease and construction of the Project does not violate any provision of the Articles of Incorporation, By-Laws, rules or regulations of the Institution, or any contract or agreement to which it is a party or by which it is bound, or any statute, regulation, judgment or order of the United States, the State of Minnesota, or political subdivision or agency thereof.

(c) The Institution has continually used and operated, and intends to use and operate, the Project at all times as an educational facility, eligible to be and defined as a "project" in the Act, and not as a facility used or to be used for sectarian instruction or as a place of religious worship nor primarily in connection with any part of a program of a school or department of divinity for any religious denomination.

(d) The Institution admits students without discrimination by reason of religion, race, creed, color or national origin.

(e) The Institution does not exclude, expel, limit or otherwise discriminate against enrolled students because of sex, religion, race, color, creed or national origin.

(f) The Institution is nonsectarian; does not require nor forbid attendance by students or any other persons at religious worship or acceptance of any religious creed; does not promulgate the distinctive doctrines, creeds or tenets of any particular religious sect; and all courses of study, including any religion or theology courses, are taught according to the academic requirements of the subject matter and the instructor's concept of professional standards.

(g) All statements, representations and things furnished by the Institution to the Authority in the Application to the Authority (F.A. Form 1) and exhibits thereto, or pursuant to the Indemnity Agreement filed by the Institution with the Application, or pursuant to the Agreement, are true and complete in all respects, except as to such changes and additional information which the Institution has reported to the Authority in writing, which reports are true and complete, at the date of execution of this Lease by the Institution.

(h) There exists no default by the Institution or, to the best of the knowledge of the Institution, by any other party, under the Agreement or any other contract between the Institution and the Authority, or under any other agreement relating to the acquisition, construction or financing of the Project, except as reported in writing by the Institution to the Authority.

(i) There is no litigation pending, or to the best of its knowledge threatened, against the Institution relating to the construction, acquisition or financing of the Project.

(j) The use of the Project by the Institution pursuant to the terms and conditions of this Lease will contribute to the purposes stated in Section 136A.27 of the Act.

(k) Refinancing of the Project would (i) enhance and preserve the College of Saint Teresa, the Project and the utilization thereof for educational purposes, (ii) result in the extension and adjustment of the maturities of obligations incurred to construct the Project to correspond to the resources available for their payment, (iii) lessen the need to increase room and board charges for the use of the residence and dining facilities at the College and (iv) enhance and preserve educational programs by the maintenance of competitive faculty salaries and the improvement of other facilities eligible to be projects under the Act.

(l) The Project was financed, in part, by the issuance and sale by the College of its Serial Coupon Notes, dated January 1, 1967, in the original principal amount of \$2,000,000 and its Direct Obligation Serial Coupon Notes, dated January 1, 1968, in the original principal amount of \$500,000, (the \$2,000,000 Serial Coupon Notes and \$500,000 Direct Obligation Serial Coupon Notes herein-after collectively referred to as "Original Project Debt").

A portion of the \$2,000,000 Serial Coupon Notes has been retired and the remainder has been transformed through a succession of refinancings, some of which also involved additional borrowing for other purposes, into a \$1,700,000 Demand Note, dated January 3, 1974, payable to the First National Bank of Winona, bearing interest at the rate of 8.50% per annum, payable quarterly (the "1974 Demand Note"). \$1,500,000 of the 1975 Demand Note is attributable to refinancings of the \$2,000,000 Serial Coupon Notes. The \$500,000 Direct Obligation Serial Coupon Notes dated January 1, 1968, have also been refinanced by the issuance of a \$500,000 Demand Note dated January 2, 1975, payable to The First National Bank of Saint Paul, bearing interest at the rate of 1/4% per annum over the prime rate, payable monthly (the "1975 Demand Note"). As a result, the College has outstanding obligations in the principal amount of \$2,000,000 (the 1975 Demand Note plus \$1,500,000 of the 1974 Demand Note) which are attributable to the construction of the Project and which are currently unpaid (the "Outstanding Project Debt"). No event of default or default exists with respect to the Outstanding Project Debt.

(m) At the date of this Lease, the principal amount of the Project Bonds does not exceed the lesser of (i) the aggregate of the following:

(A) That part of the Outstanding Project Debt being refinanced pursuant to the Agreement by the issuance of the Project Bonds, identified in paragraph 1(g) of the Agreement as the purchase price to be paid by the Authority to the College, plus

(B) unpaid interest accrued or to accrue to the redemption date and any premium payable on that part of the Outstanding Project Debt being refinanced pursuant to the Agreement, plus

(C) legal, fiscal and related costs, plus

(D) the capitalized interest reserve to be deposited in the Bond and Interest Sinking Fund Account and reserves to be deposited in the Debt Service Reserve Account and contributions to the General Bond Reserve Account required by the Bond resolution

or (ii) the fair market value of the Project (including the site thereof and Leased Equipment) or (iii) the aggregate of the cost of the Project (determined as provided in Section 3.04 hereof) plus the amounts in (B), (C) and (D) of clause (i) above.

(n) Construction of the Building has been completed in accordance with the specifications therefor and all labor, services, materials and supplies used in such construction have been paid for, all other facilities necessary in connection with the Project have been constructed, acquired and installed in accordance with the specifications therefor and

all costs and expenses incurred in connection therewith have been paid; the Building and all other facilities necessary in connection with the Project have been constructed or installed, as the case may be, in such manner as to conform with all applicable zoning, planning and building regulations of the governmental authorities having jurisdiction of the Project; and the Leased Equipment has been installed, is suitable and is sufficient for the efficient use and operation of the Project and all costs and expenses incurred in the acquisition and installation of the Leased Equipment have been paid. The foregoing is made without prejudice to any rights against third parties which exist at the date of this Lease or which may subsequently come into being.

The Authority agrees that it will establish with the Trustee under the Indenture a separate account or accounts (herein called the "Refunding Account") and deposit therein the proceeds of the Project Bonds except as provided in Section 3.01. All moneys in the Refunding Account shall be used by the Authority, the Trustee and the Institution to pay, (i) as promptly as possible the Outstanding Project Debt, any premium thereon and interest accrued thereon to the next first available date for redemption thereof, (ii) the out-of-pocket costs of the College, if any, necessarily incurred in connection with the redemption and prepayment of the Outstanding Project Debt, and (iii) the fees and expenses incurred by the College in connection with the issuance and sale of the Project Bonds, including the Authority's initial fee and counsel and fiscal consultant fees, subject to Section 3.07 hereof.

Section 3.03 Disbursements from the Refunding Account. Prior to any withdrawal from the Refunding Account, the Institution shall furnish to the Trustee and the Authority the following:

(a) Unless all unpaid principal of the Outstanding Project Debt is due and payable, or shall become due and payable according to its terms on or before the next interest payment date applicable to the Outstanding Project Debt, a certified resolution of the Board of Directors of the Institution authorizing and directing the redemption and prepayment of the Outstanding Project Debt and an affidavit or affidavits of publication or mailing, as required, of notice of redemption and prepayment of the Outstanding Project Debt.

(b) An opinion of counsel for the Institution (i) that the Outstanding Project Debt is the valid and binding obligation of the Institution, (ii) whether the Outstanding Project Debt is subject to redemption and prior payment in accordance with its terms, (iii) whether notice of redemption of the Outstanding Project Debt has been duly authorized and

given, (iv) that the Outstanding Project Debt, the premium thereon (if any) and accrued interest thereon have become due and payable on the date specified in the notice of redemption or on the next interest payment date applicable to the Outstanding Project Debt, specifying such date, and (v) that interest on the Outstanding Project Debt will cease to accrue after such date of redemption stated in the notice of redemption or due date, provided funds for redemption or payment (stating the amount) are deposited with the trustee or other proper person (designating the name and address of the proper person) at the opening of business on the date of redemption (designating such date and hour).

(c) A certificate of an Authorized Institution Representative as to any unpaid fees and expenses respecting the Outstanding Project Debt, in connection with the redemption or otherwise, and the amount of funds (other than proceeds of the Project Bonds) required, if any, to provide for full payment of the Outstanding Project Debt and any other obligations of the Institution which are part of the same issue or series as the Outstanding Project Debt, premium thereon (if any) and accrued interest thereon; and showing the deposit of such additional funds (if any) with the paying agent or trustee for the Outstanding Project Debt or, in the case of other obligations, showing the extension or refinancing thereof.

(d) A certificate of an Authorized Institution Representative, in reasonable detail, showing the original costs of the Project, including costs of construction of the Building, acquisition of or removal of encumbrances on the Project site, and acquisition of the Leased Equipment, as such Project costs are defined in Section 3.04 hereof.

Section 3.04 Definition of Project Costs. For purposes of the Agreement, this Lease and the Indenture, the following costs incurred for the following purposes shall be considered Project costs:

(a) Obligations incurred for labor and to contractors, builders and materialmen in connection with the construction of the Project, including all necessary construction, acquisition, demolition, alteration, enlargement, reconstruction, and remodeling and obligations for machinery, materials and equipment therefor;

(b) Payments made by the Institution to acquire land and interests in land, and to remove encumbrances on land, in connection with and specifically for the site of the Project, and site improvements required for the construction or operation of the Project;

(c) Interest accruing upon the Original Project Debt during the construction of the Project and interest accruing upon interim financing incident to the construction of the Project before the Original Project Debt was delivered to the purchaser or purchasers;

(d) The cost or allocable share of cost of any indemnity and surety bonds during construction, taxes or other municipal or governmental charges levied or assessed during construction upon the Project or any property acquired therefor, and the premiums for insurance, if any, in connection with the Project during construction;

(e) Costs of acquisition and installation of Leased Equipment;

(f) Fees and expenses of engineers and architects for surveys and estimates and other preliminary investigations, preparation of plans, drawings and specifications, and supervising construction, as well as for the performance of all other duties of engineers and architects in relation to the construction and financing of the Project;

(g) Expenses of administration, supervision and inspection properly chargeable to the Project, fees of the government, legal expenses and fees, fiscal consultants charges, cost of audits and of preparing, offering and issuing the Original Project Debt, abstracts of title, title reports or opinions, deed taxes, mortgage registry taxes, recording fees, title insurance premiums and initial fees of the trustee, incident to the construction and financing of the Project; and

(h) Any other obligation or expense incurred by the Institution in connection with the construction of the Project defined as and constituting a proper Project cost under the Act.

Section 3.05 Obligation of the Parties to Cooperate in Furnishing Documents to Trustee. The Authority and the Institution agree to cooperate in furnishing to the Trustee the documents referred to in Section 3.03 hereof that are required to effect payments out of the Refunding Account, and to cause such orders to be directed by the Authorized Authority Representative and the Authorized Institution Representative to the Trustee as may be necessary to effect payments out of the Refunding Account in accordance with Section 3.03 hereof. Such obligation is subject to any provision of this Lease or the Indenture requiring additional documentation with respect to payments and shall not extend beyond the moneys in the Refunding Account available for payment under the terms of the Indenture.

Section 3.06 Institution Required to Pay Outstanding Project Debt in Event Refunding Account Insufficient. In the event the moneys in the Refunding Account available for payment of the Outstanding Project Debt (including any premium and interest and the costs of redemption) should not be sufficient to pay the same in full, the Institution agrees, for the benefit of the Authority, to complete the redemption and to deposit into the Refunding Account such amounts as are necessary and sufficient for payment of the balance required. The Authority does not make any warranty, either express or implied, that the moneys, which will be paid into the Refunding Account and which under the provisions of this Lease will be available for payment of the costs of the redemption, will be sufficient to pay all the Outstanding Project Debt or costs which will be incurred in that connection or that Additional Bonds can or will be issued and sold to provide

financing for such excess costs. The Institution agrees that if after exhaustion of the moneys in the Refunding Account the Institution should pay any portion of the Outstanding Project Debt or said costs of the redemption pursuant to the provisions of this Section, it shall not be entitled to any reimbursement therefor from the Authority, the Trustee, or the holders of any of the Bonds, nor shall it be entitled to any diminution in or postponement of the rents payable under Sections 4.01 or 4.03 hereof.

Section 3.07 Application of Balance in Refunding Account.

When the Outstanding Project Debt shall have been redeemed and no longer be outstanding, and all fees and expenses payable from the Refunding Account shall have been paid, any sums remaining in the Refunding Account shall be used, first, to return to the Institution such amounts (if any) as it may have paid on the Outstanding Project Debt, premium thereon (if any) or interest after the date of this Lease from sources other than the proceeds of the Project Bonds, and shall be used, second, for deposits in the Bond and Interest Sinking Fund Account or the Debt Service Reserve Account, or to the extent not required to establish the maximum reserves in said Accounts, then in the Redemption Account to be used by the Trustee at the direction of the Institution for the purchase of any Bonds (whether or not redeemable by call) in the open market for the purpose of cancellation, at prices not exceeding the redemption price applicable to any Bonds on the earliest date for redemption; provided that amounts approved by the Authorized Authority Representative and the Authorized Institution Representative shall be retained by the Trustee in the Refunding Account for payment of Outstanding Project Debt not presented for payment on the date of redemption.

Section 3.08 Investment of Refunding Account Moneys

Permitted. The moneys on deposit in the Refunding Account shall at the written request of the Authorized Institution Representative be invested or reinvested by the Trustee in: (i) Any bonds or other obligations which as to principal and interest constitute direct obligations of the United States of America, or (ii) certificates of deposit or time deposit obligations of banks or trust companies, including the Trustee, secured by direct obligations of the United States of America, or (iii) securities issued by the agencies of the United States described in Section 5.06 of the Indenture. Any such investment shall be payable in such amounts and at such times not later than the time or times when such moneys will be needed to pay the Outstanding Project Debt, the premium thereon (if any) and accrued interest on the first next available date on which the Outstanding Project Debt may be redeemed or (if earlier) paid. The type, amount and maturity of such investments shall be as specified by the Authorized Institution Representative. The deposit of any moneys in the Refunding Account may be evidenced by certificates of deposit of the Trustee, as specified by the Authorized Institution Representative. Any such investment made by the Trustee may be purchased from the Trustee. The Institution covenants that that portion of the Refunding Account representing proceeds of said Project Bonds shall be directed to be invested and deposited only for a temporary period pending the need for expenditure to redeem the Outstanding Project Debt, and it further covenants that said portion representing said proceeds shall not be directed to be invested or used in such manner that any of said Project Bonds would be "arbitrage bonds" for purposes of Section 103(d)(1) of the Internal Revenue Code of 1954.

ARTICLE IV

RENT, PREPAYMENT

Section 4.01 Base Rent. At least five business days before each semiannual interest payment date (commencing with the interest payment date of October 1, 1976 and continuing thereafter until the principal of and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture), the Institution agrees to pay and shall pay as Base Rent for the use of the Project:

(a) A sum equal to (i) one-half of the amount payable as principal of (whether at maturity or by redemption or acceleration of maturity in event of default) the Bonds on such interest payment date or, if no principal becomes due on such interest payment date, then one-half of the amount payable as principal on the next succeeding interest payment date, plus (ii) the premium, if any, and interest due on the Bonds on such semiannual interest payment date; and

(b) In the event the Institution shall have made payments of Base Rent with respect to a semiannual interest payment date, but the funds on deposit in the Bond and Interest Sinking Fund Account (after crediting thereto any funds on deposit in the Debt Service Reserve Account) are nevertheless insufficient to pay such principal, premium (if any) and interest on the Bonds then due or to become due on such semiannual interest payment date, the Institution will pay as Base Rent the amount of the deficiency; and

(c) Unless the funds and investments in the Debt Service Reserve Account equal the sum of One Hundred Sixty Thousand Dollars (\$160,000), the Institution will pay as Base Rent such sum as may be necessary and sufficient to restore the Debt Service Reserve to such sum; and

(d) Such amounts, if any, as may become payable under Section 6.01 or 6.02 hereof;

except to the extent the Base Rent may be abated or reduced under Section 4.07 or Section 5.11 hereof. If the Institution fails to pay any Base Rent under this Section when due, resulting in a default in payment of any Bond or coupon, the Institution agrees to pay interest on the amount in default at the rate provided in the Bond or represented by the coupon.

Section 4.02 Place of Payment of Base Rent. The Base Rent provided for in Section 4.01 shall be paid directly to the Trustee at its corporate trust office for the account of the Authority for deposit in the Revenue Fund Account and then transfer and deposit into the Bond and Interest Sinking Fund Account and Debt Service Reserve Account as provided in the Indenture. The Institution shall furnish to the Authority, at its office, advice of the transmittal of Base Rent to the Trustee at the time of transmittal of payment.

Section 4.03 Additional Rent. The Institution will pay as Additional Rent:

(a) To the Authority, at its office, on April 1, 1976 and on the 1st day of April in each year thereafter through April 1, 1990, the sum of Two Thousand One Hundred Eighteen and 75/100 Dollars (\$2,118.75) as the annual fee provided for in the Agreement of 1/8 of 1% of the original principal amount of the Bonds to be used by the Authority for its general purposes; and

(b) To the Trustee, for itself or remittance to other paying agents, commencing with October 1, 1976 and continuing until the principal of and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the provisions of the Indenture, (i) an amount equal to the fee of the Trustee, as trustee, for the ordinary services of the Trustee rendered and its ordinary expenses incurred under the Indenture during the preceding six-month period, (ii) the reasonable fees and charges of paying agents on the Bonds for acting as paying agent as provided in the Indenture, as and when the same become due, and (iii) the reasonable fees and charges of the Trustee for necessary extraordinary services rendered by it and extraordinary expenses incurred by it under the Indenture, as and when the same become due; provided, that the Institution may, without creating a default hereunder, contest in good faith the necessity for any such extraordinary services and extraordinary expenses and the reasonableness of any such fees, charges or expenses; and

(c) To the Trustee or Authority, as the case may be, upon demand amounts advanced by the Trustee for the account of the Authority or the Institution under Section 8.12 or 8.14 of the Indenture or advanced by the Authority under Section 9.05 of this Lease; and

(d) To the County Treasurer or other appropriate authority for the account of the Authority, and before the same becomes delinquent or any penalty attaches, all taxes, special assessments, or other governmental charges imposed on or with respect to the Leased Property or any part thereof, subject to Section 5.08 hereof.

The Institution shall furnish to the Authority, at its office, advice of the transmittal of all payments of Additional Rent at the time of transmittal to any person other than the Authority. If the Institution fails to pay any Additional Rent under this Section, when due, the Institution shall pay interest thereon at the rate of 8.00% per annum or, if greater, at the rate provided by law.

Section 4.04 Net Lease. This is a net lease, and the Authority shall not be required to make any expenditures whatsoever in connection with this Lease or the Leased Property (except as otherwise provided in this Lease, the Agreement and the Indenture from proceeds of Bonds), or to make any repairs or to maintain the Leased Premises or Leased Equipment. The obligations of the Institution to make the payments of Base Rent and Additional Rent required in Sections 4.01 and 4.03 hereof and to perform and observe the other agreements on its part contained herein shall be absolute and unconditional; and until such time as the principal of and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture, the Institution (i) will not, subject to the provisions of Section 4.07 hereof, suspend or discontinue any payments of Base Rent and Additional Rent provided for in Sections 4.01 and 4.03 hereof, (ii) will perform and observe all of its other agreements contained in this Lease, and (iii) except as provided in Article X or Section 7.19 hereof will not terminate the Lease Term for any cause including, without limiting the generality of each of the foregoing, failure to complete the Project, any acts or circumstances that may constitute failure of consideration, destruction of or damage to the Project, frustration of purpose, any change in the tax or other laws or administrative rulings of or administrative actions by the United States of America or the State of Minnesota or any political subdivision of either, or any failure of the Authority to perform and observe any agreement, whether expressed or implied, or any duty, liability or obligation arising out of or connected with this Lease or the Indenture. Nothing contained in this Section shall be construed to release the Authority from the performance of any of the agreements on its part contained in this Lease; and in the event the Authority should fail to perform any such agreement on its part, the Institution may institute such action against the Authority as the Institution may deem necessary, so long as no judgment or court order sought or obtained in such action shall interfere with the prompt and full payment of the Base Rent and Additional Rent as contemplated hereby.

Section 4.05 Rent a General Obligation; Security Therefor. This Lease, and particularly the obligations of the Institution to make the payments of Base Rent and Additional Rent required by Sections 4.01 and 4.03 hereof and to perform and observe the other agreements on its part contained herein, is a general obligation of the Institution additionally secured by a security interest in certain property, including the Leased Property, as provided in the Agreement.

The Institution agrees to pay the rentals and payments required by this Lease from the general funds or any other moneys legally available to the Institution in the manner and at the times provided by this Lease. The Institution covenants and agrees to charge tuition fees, other fees, rentals and charges which, together with the general funds or any other moneys legally available to the

Institution, shall provide moneys sufficient at all times: (i) to pay such rentals and payments required by this Lease; (ii) to meet current expenses of operation and maintenance of the Project and all other obligations and payments required by this Lease; and (iii) to pay all other obligations of the Institution as the same become due and payable.

Section 4.06 Prepayment of Rents; Redemption of Bonds.

There is expressly reserved to the Institution the right, and the Institution is authorized and permitted, at any time it may choose, to prepay all or any part of the Base Rent payable under Section 4.01 hereof, and the Authority agrees that the Trustee may accept such prepayment of rents when the same are tendered by the Institution. All rents so prepaid shall be credited on the Base Rent payments specified in Section 4.01 hereof, in the order of their maturities.

The Institution also may at any time deliver to the Trustee moneys in addition to the rental payments required under this Lease with instructions to the Trustee to deposit such funds in the Redemption Account and to use such moneys for the purpose of purchasing any of the outstanding Bonds or to call for redemption any of the Bonds in accordance with the provisions of the Indenture. Any moneys so delivered to the Trustee shall be held in the Redemption Account and shall not be considered as payment of rent or prepayment of rent under this Lease and shall not operate to abate the payment of Base Rent required by Section 4.01 of this Lease.

Section 4.07 Institution Entitled to Base Rent Abatements if Bonds Paid Prior to Maturity. If at any time the aggregate moneys in the Bond and interest Sinking Fund Account, the Debt Service Reserve Account and the Redemption Account shall be sufficient to retire, in accordance with the provisions of the Indenture, all of the Bonds at the time outstanding, and to pay all fees and charges of the Trustee and any paying agent of the Bonds due or to become due through the date on which the last of the Bonds is retired, under circumstances not resulting in termination of the Lease Term, and if the Institution is not at the time in default hereunder, the Institution shall be entitled to use and occupy the Project from the date on which such aggregate moneys are in the hands of the Trustee to the termination of the Lease Term, without the payment of the Base Rent specified in Section 4.01 hereof during that interval (but otherwise on the terms and conditions hereof).

Section 4.08 Payments from General Bond Reserve Account.

In the event the Authority shall pay principal of or premium (if any) or interest on any of the Bonds from the General Bond Reserve Account, such payment shall constitute an advance by the Authority to the Institution under Section 9.05 of this Lease and shall not operate to satisfy, abate or reduce any accrued or future amount of Base Rent payable by the Institution under this Lease.

Section 4.09 Investment of Funds, Abatement of Base Rent.

Moneys on deposit to the credit of the Bond and Interest Sinking Fund Account, the Debt Service Reserve Account, or the Redemption Account shall be invested by the Trustee, upon request by the Authorized Institution Representative to the Trustee or the Authority, in authorized securities as defined in Section 5.06 of the Indenture. Obligations so purchased shall be deemed at all times to be a part of the respective Account, but may from time to time be sold or otherwise converted into cash, whereupon the proceeds derived from such sale or conversion shall be credited to such Account. Any interest and income accruing on and any profit realized from such investment shall be credited against the amount of Base Rent required to be deposited in such Account under paragraph (a) or (c), as appropriate, of Section 4.01 hereof prior to the next semiannual interest payment date; it being intended that interest, income and profit shall not be permitted to accumulate but shall be used to provide debt service on the Bonds or for the prior redemption or retirement of Bonds. The investment of such funds shall be valued according to the current market value as of June 30 of the then current year, or December 31 of the immediately preceding calendar year, or the date of issuance of such securities, whichever is latest. Any such investment made by the Trustee may be purchased from the Trustee. The Trustee shall redeem or sell, at the best price obtainable, any obligations so purchased, whenever it shall be necessary to do so in order to provide moneys to meet any payment from the respective Account. Neither the Trustee nor the Authority shall be liable for any loss resulting from any such investment, nor from failure to preserve rights against endorsers or other prior parties to instruments evidencing any such investment. Investment of funds pursuant to this Section shall be limited as to amount and yield of investment in such manner that no part of the outstanding Bonds shall be deemed "arbitrage bonds" under Section 103(d) of the Internal Revenue Code of 1954 and regulations thereunder.

ARTICLE V

USE, MAINTENANCE, CHARGES AND INSURANCE

Section 5.01 Use of Leased Premises. The Institution will use and operate the Project at all times as an educational facility, eligible to be and defined as a "project" under the Act, and not as a facility for sectarian instruction or as a place of religious worship nor primarily in connection with any part of a program of a school or department of divinity for any religious denomination. The Institution will not use or permit any person to use the Leased Premises or the Project for any use or purpose in violation of the laws of the United States, the State of Minnesota, or any ordinance of the City where the Project is located, and agrees to comply with all the orders, rules, regulations and requirements of the Board of Fire Underwriters, officers or boards of the City, County or State or other governmental authority having jurisdiction over the Leased Premises. The Institution shall have the right to contest by appropriate legal proceedings, without cost or expense to the Authority, the validity of any law, ordinance, order, rule, regulation or requirement of the nature herein referred to, and if by its terms compliance therewith legally may be held in abeyance without subjecting the Authority or the Leased Property to any lien, charge, liability, damage or loss, the Institution may postpone compliance until the final determination of any such proceedings. The Authority agrees to cooperate in the institution, defense or maintenance of any such proceeding at the request and at the expense of Institution except for any proceeding contesting the Act or any rule or regulation of the Authority.

Section 5.02 Quiet Enjoyment. The Institution acknowledges that it is now in possession of the Leased Premises. The Authority agrees that the Institution, upon paying the specified rental and performing the covenants herein agreed by it to be performed, shall and may peaceably and quietly have, hold, and enjoy the said Leased Property for the term specified. The Authority and the Trustee shall have the right at all reasonable times during the Lease Term to enter the Leased Premises for the purpose of examining or inspecting the Leased Property and of making such repairs and replacements therein as the Authority or the Trustee shall deem necessary and for purposes of exhibiting the same for sale or lease. Nothing in this Section shall imply any duty upon the part of the Authority or Trustee to do or pay for any work which under any provision of this Lease the Institution is required to perform, and the performance thereof by the Authority or the Trustee shall not constitute a waiver of the Institution's default in failing to perform the same.

Section 5.03 Maintenance of Project by Institution. The Institution agrees that during the Lease Term it will keep the Project including all appurtenances thereto and the equipment and machinery

therein in good repair and good operating condition at its own cost, and upon the expiration or termination of this Lease it will, unless it shall have elected to exercise any option to purchase the Project granted hereunder, surrender the Project including the Leased Premises, Building and Leased Equipment and appurtenances thereto to the Authority in as good condition as prevailed at the time it was put in full possession thereof, loss by fire or other casualty covered by insurance, ordinary wear and tear, obsolescence and acts of God excepted, subject to the provisions of Sections 5.04 and 5.07 of this Lease.

Section 5.04 Alterations. The Institution shall have the privilege of remodeling the Building or making alterations, modifications and improvements to the Leased Premises, the Building or the Leased Equipment from time to time as it, in its discretion, may deem to be desirable for its uses and purposes, the cost of which remodeling, additions, modifications and improvements shall be paid by the Institution or to the extent permitted by the Indenture from the proceeds of Additional Bonds, and the same shall be the property of the Authority and be included under the terms of this Lease as part of the Project. Before contracting for any such remodeling, addition, modification or improvement estimated to cost \$30,000 or more, the Institution shall cause plans and specifications therefor to be prepared and submitted to the Authority for its approval, which approval shall not be unreasonably withheld. The Institution shall also secure a payment and performance bond to the extent and in the form required by Section 5.15 of this Lease.

Section 5.05 Liens. The Institution will not permit any mechanics' or other liens to be established or remain against the Project for labor or materials furnished in connection with any remodeling, additions, modifications, improvements, repairs, renewals or replacements so made by it; provided, that if the Institution shall first notify the Trustee of its intention so to do, the Institution may in good faith contest any mechanics' or other liens filed or established against the Project, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom unless the Authority or the Trustee shall notify the Institution that, in the opinion of Independent Counsel, by nonpayment of any such items the lien of the Indenture will be materially endangered or the Project or any part thereof will be subject to loss or forfeiture, in which event the Institution shall promptly pay and cause to be satisfied and discharged all such unpaid items. The Authority will cooperate fully with the Institution in any such contest.

Section 5.06 Certificate as to Leased Equipment and Alterations. The Institution agrees that it will file with the Authority and the Trustee, within 90 days after the end of each fiscal year of the Institution, a certificate of the Authorized Institution Representative setting forth the description of

any machinery, equipment or related property which has become a part of the Leased Equipment and of any additions, remodeling, modifications or improvements to the Leased Premises or Building which have been made during the fiscal year of the Institution next preceding the filing of such certificate.

Section 5.07 Removal of Leased Equipment. The Authority shall not be under any obligation to renew, repair or replace any inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary Leased Equipment. The Institution shall have the privilege from time to time of substituting furnishings, equipment and related property for any Leased Equipment, provided that such property so substituted shall not impair the character or significance of the Project as an educational facility. Any such substituted property shall become the property of the Authority and be included under the terms of this Lease, and the replaced Leased Equipment shall become the property of the Institution. The Institution shall also have the privilege of removing any Leased Equipment, without substitution therefor; provided, that the Institution pays to the Authority a sum equal to the then value of said Leased Equipment as determined by an Independent Engineer selected by the Institution if and so long as any of the Bonds remain outstanding. The Institution shall pay such amounts directly to the Trustee for deposit in the Redemption Account and shall deliver to the Trustee a certificate signed by said Engineer setting forth the value of said Leased Equipment and a certificate signed by the Authorized Institution Representative stating that the removal of such equipment will not impair the character or significance of the Project as an educational facility, provided that if the original cost of any item of equipment so removed was less than \$5,000, such removal without substitution may be effected without such determination of value and certificate by an Independent Engineer upon such showing by the Institution as may be satisfactory to the Trustee.

The Institution may at any time while it is not in default under this Lease remove from the Project any machinery or equipment purchased and installed by it pursuant to Section 7.09 of this Lease and not included as Leased Equipment and shall deliver to the Trustee a certificate signed by the Authorized Institution Representative stating that its removal will not impair the character or significance of the Project as an educational facility.

In the event any removal of furnishings or equipment under this Section or Section 7.09 causes damage to existing buildings or structures, the Institution shall restore the same or repair such damage at its sole expense.

The Authority agrees to execute and deliver such documents (if any) as the Institution may properly request in connection with any action taken by the Institution in conformity with this Section 5.07. The removal from the Project of any portion of the Leased Equipment pursuant to the provisions of this Section shall not entitle the Institution to any abatement or diminution of the Base

Rent or Additional Rent payable under Sections 4.01 and 4.03 hereof, and any amounts deposited to the Redemption Account by reason of removal of Leased Equipment shall not be credited against subsequent rentals under the provisions of Sections 4.01 or 4.03 hereof but shall be used by the Trustee either for purchase of Bonds on the open market for cancellation at a price not exceeding the then or next available price at which Bonds may be called for redemption, or to call Bonds for redemption, when practical, in the manner provided in the Indenture. The Institution will not remove, or permit the removal of, any of the Leased Equipment from the Leased Premises except in accordance with the provisions of this Section.

Section 5.08 Taxes, Other Governmental Charges and Other Charges. The Institution will pay, as the same respectively become due, all taxes, special assessments, and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Project or any furnishings, equipment or other property installed or brought by the Institution therein or thereon, and all claims for rent, royalties, labor, materials, supplies, utilities and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Project.

The Institution may, at its expense and in its own name and behalf or in the name and behalf of the Authority, in good faith contest any such taxes, assessments and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Authority or the Trustee shall notify the Institution that, in the opinion of Independent Counsel, by nonpayment of any such items the lien of the Indenture on any property mortgaged or revenues pledged thereunder or the interests of the Authority in the Project will be materially endangered or the Project or any part thereof will be subject to loss or forfeiture, in which event such taxes, assessments or charges shall be paid promptly. The Authority will cooperate fully with the Institution in any such contest.

Section 5.09 Fire and Extended Coverage Insurance. So long as any Bonds are outstanding hereunder, the Institution shall obtain and at all such times maintain in force fire and extended coverage insurance on all buildings, structures and improvements, fixtures, equipment, furniture and furnishings constituting the Project in amounts sufficient to provide for not less than full recovery whenever the loss from causes covered by such insurance does not exceed eighty percent (80%) of the full insurable value of the property to be so insured.

As an alternative to the above, if acceptable to the Trustee, the Institution may insure such property under a blanket insurance policy or policies which cover not only such property but other properties.

Section 5.10 Boiler Insurance. The Institution shall, if such insurance is not already in force, procure and maintain, so long as any of the Bonds are outstanding, Boiler Insurance covering any boilers servicing the Project, in a minimum amount of \$50,000.

Section 5.11 [This Section intentionally omitted.]

Section 5.12 Additional Provisions Respecting Insurance. Any insurance policy issued pursuant to Article V hereof shall be so written or endorsed as to make losses, if any, payable to the Authority, the Institution and the Trustee as their respective interests may appear; provided, any such insurance policy may be so written or endorsed as to make losses not in excess of \$100,000 for each occurrence payable directly to the Institution as herein-after provided in Section 6.01. Each insurance policy provided for in Sections 5.09, 5.10 and 5.13 hereof shall contain a provision to the effect that the insurance company shall not cancel the same without first giving written notice thereof to the Authority and the Trustee at least ten days in advance of such cancellation, and the Institution shall deliver to the Trustee duplicate copies of certificates of insurance pertaining to each such policy of insurance procured by the Institution and agrees to keep such duplicate copies or certificates up to date.

Section 5.13 Public Liability Insurance. The Institution agrees that it will carry public liability insurance with reference to the Project with one or more reputable insurance companies duly qualified to do business in the State of Minnesota, in minimum amounts of \$300,000 for the death of or bodily injury to one person and \$1,000,000 for bodily injury or death for each occurrence in connection with the Project and \$100,000 for property damage for any occurrence in connection with the Project. The Authority shall be made an additional insured under such policies, or such policies may provide that all of the lessors of and owners of property leased by the Institution are insured in lieu of naming the Authority specifically. The insurance provided by this Section may be by blanket insurance policy or policies.

Section 5.14 Workmen's Compensation Coverage. Throughout the Lease Term, the Institution shall maintain Workmen's Compensation Coverage or cause the same to be maintained to the extent required by law.

Section 5.15 Performance Payment Bonds. Whenever the Institution shall cause the Project to be repaired, rebuilt or restored under Section 6.01 or 6.02, or to be altered or improved under Section 5.04, the Institution agrees that it will cause each contractor to deliver to it, naming it and the Authority as obligee, a performance

and payment bond written by a company qualified to transact insurance business in Minnesota, including surety insurance, in a penal sum equal to the full amount payable by the Institution under each contract, which bond shall secure and be for the benefit of all subcontractors, materialmen and laborers, as well as the Institution, (i) to the extent and in the form required by Section 574.26, Minnesota Statutes, or any other law applicable to public contracts or work on public property and (ii) in any case when the amount of the contract and any related contracts shall be estimated to cost \$30,000 or more. The Institution shall deliver an executed copy of each such bond for contracts executed as of the time of the delivery of the Project Bonds to the Authority together with a copy thereof to the Trustee at the time of the delivery of the Project Bonds; and as to any contracts executed thereafter, similar delivery to the Authority and Trustee will be made.

DAMAGE, DESTRUCTION AND CONDEMNATION

Section 6.01 Damage and Destruction. If prior to full payment of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture) the Building or the Leased Equipment shall be damaged or partially or totally destroyed by fire, flood, windstorm or other casualty at any time during the Lease Term, there shall be no abatement or reduction in the rent payable by the Institution under this Lease, and, to the extent that the claim for loss resulting from such damage or destruction is not greater than \$100,000, the Institution (i) will promptly repair, rebuild or restore the property damaged or destroyed with such changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Institution and as will not impair the character or significance of the Project as an educational facility, and (ii) will apply for such purpose so much as may be necessary of any Net Proceeds of insurance policies resulting from claims for such losses not in excess of \$100,000 as well as any additional moneys of the Institution necessary therefor or moneys available from the sale of Additional Bonds pursuant to paragraph 6 of the Agreement for the Project Bonds. All Net Proceeds of insurance resulting from claims for losses up to such amounts shall be paid to the Institution by the Trustee under the Indenture unless the Net Proceeds of insurance and other available funds are insufficient to complete the repair, reconstruction, or restoration of the damaged or destroyed property.

Unless the Institution shall have elected to exercise its option to purchase pursuant to the provisions of Section 10.02 of this Lease, if prior to full payment of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture), the Building or the Leased Equipment shall be destroyed (in whole or in part) or damaged by fire, flood, windstorm or other casualty to such extent that the claim for loss resulting from such destruction or damage is in excess of \$100,000, the Institution shall promptly give written notice thereof to the Trustee. All Net Proceeds of insurance policies resulting from claims for losses over \$100,000 shall be paid to and held by the Trustee in a separate insurance loss account, whereupon (i) the Institution will proceed to repair, rebuild or restore the property damaged or destroyed with such changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Institution and as will not impair the character or significance of the Project as an educational facility, and (ii) the Trustee will apply so much as may be necessary of the Net Proceeds of such insurance to payment of the costs of such repair, rebuilding or restoration, either on completion thereof or as the work progresses, upon delivery to the Trustee of a certificate signed by the Authorized Institution Representative and approved by the Authorized Authority Representative, setting forth the costs theretofore incurred or paid,

and approved by an Independent Engineer named in the request, if any, for such approval by the holder or holders of 51% of the outstanding Bonds. In the event said Net Proceeds and moneys available from the sale of Additional Bonds pursuant to paragraph 6 of the Agreement for the Project are not sufficient to pay in full the costs of such repair, rebuilding or restoration, the Institution will nonetheless complete the work thereof and will provide for payment of the portion of the cost thereof in excess of the amount of said Net Proceeds unless the Institution, by resolution of its Board of Directors, shall certify to the Trustee and the Authority (A) to one of the effects provided in clauses (i), (ii) and (iii) of paragraph (a) of Section 10.02 regarding restoration within six months, interruption of operations for more than six months, and cost of restoration exceeding by more than \$100,000 the Net Proceeds of insurance, and (B) that the Institution elects that the outstanding Bonds shall be redeemed. The Institution shall not, by reason of the payment of any excess costs over the Net Proceeds, be entitled to any reimbursement from the Authority or any diminution or abatement of the Base Rent or Additional Rent payable under this Lease. If an Authorized Authority Representative and Authorized Institution Representative shall request and the holders of not less than fifty-one per centum (51%) of the then outstanding Bonds shall so agree in writing, the Trustee shall permit to be applied to such repair, rebuilding or restoration all securities or moneys in the Bond and Interest Sinking Fund Account and Debt Service Reserve Account held by it under and as provided in the Indenture.

Any amounts held by the Trustee or by the Authority and remaining at the completion of, and payment for, such repair, rebuilding or restoration, shall be deposited in the Bond and Interest Sinking Fund Account, Debt Service Reserve Account or Redemption Account, as appropriate, and applied in accordance with the provisions of the Indenture.

In the event the Institution certifies and elects not to repair, rebuild or restore the damaged or destroyed property as above provided, all of the outstanding Bonds shall be retired and the Net Proceeds shall be applied for that purpose. In such event all of the Bonds are subject to redemption, and redemption shall be effected pursuant to the provisions of, in the manner, and with the effect provided in the Indenture. If the Net Proceeds of insurance shall be insufficient, together with the amount then credited to the Bond and Interest Sinking Fund Account, Debt Service Reserve Account, and Redemption Account, and available to redeem or retire, in accordance with the provisions of the Indenture, all of the outstanding Bonds (including principal, interest, expenses of redemption, redemption premium, if any, and Trustee's fees), the Institution shall pay such deficiency as Base Rent; and the Net Proceeds of insurance, together with any additional Base Rent paid by reason of insufficiency shall, together with any amounts then credited to such Accounts, be applied to the redemption of all outstanding Bonds at the earliest

possible date. If the Bonds have been fully paid, and payment of all Additional Rent payable to the Authority and the Trustee has been made or provided for, all Net Proceeds will be paid to the Institution.

Section 6.02 Condemnation. Unless the Institution shall exercise its option to purchase pursuant to the provisions of Section 10.02 hereof, if at any time before the Bonds have been fully paid (or provision for payment thereof has been made in accordance with the provisions of the Indenture), title to all or substantially all the Project shall be taken in any proceeding (hereinafter referred to as a "Proceeding") involving exercise of the right of eminent domain, this Lease (except as to the following provisions of this Section 6.02) and the Lease Term, and all right, title and interest of the Institution in the Project, shall come to an end at midnight of the 31st day after vesting of title pursuant to the Proceeding, and the Authority shall be entitled to receive the Net Proceeds of the award, which the Institution hereby assigns to the Authority. If the Net Proceeds of the award shall be insufficient, together with the amount then credited to the Bond and Interest Sinking Fund Account, Debt Service Reserve Account, and Redemption Account, and available to redeem or retire, in accordance with the provisions of the Indenture, all of the outstanding Bonds (including principal, interest, expenses of redemption, redemption premium, if any, and Trustee's fees), the College shall pay such deficiency as Base Rent. If the Net Proceeds of the award, together with the amount then credited to such Accounts, is in excess of the amount required to redeem or retire the Bonds as aforesaid, such excess shall be paid in full to the Institution. The Net Proceeds of the award received by the Authority (less any excess amount paid to the Institution, as hereinbefore provided), together with any additional Base Rent paid by reason of insufficiency shall, together with any amounts then credited to such Accounts, be applied to the redemption of all outstanding Bonds at the earliest possible date. For purposes of this Section, "all or substantially all the Project" shall be deemed to have been taken if the taking under any Proceeding shall involve such an area, or such impairment of access to the Project over public highways, that the Institution cannot in its opinion, evidenced by written notice to the Authority, given within 30 days after the commencement of the Proceeding, reasonably operate its business in the remainder of the Project for a period of at least six (6) months substantially in the same manner and as satisfactorily as before.

If at any time after the Bonds have been fully paid (or provision for payment thereof has been made in accordance with the provisions of the Indenture), title to all or substantially all the Project shall be taken in any Proceeding, this Lease and the Lease Term, and all right, title and interest of the College in the Project shall come to an end at midnight of the 31st day after the vesting of title pursuant to the Proceeding, and the Net Proceeds of the award shall be paid in full to the Institution.

If, during the Lease Term, title to less than all or substantially all the Project shall be taken in any Proceeding, neither the terms of this Lease nor any of the obligations of either party under this Lease shall be reduced or affected in any way, and the Institution shall promptly repair, rebuild or restore the Project to a condition substantially equivalent to its condition prior to the taking by such Proceeding, or if that is not possible, then to a complete architectural unit and "project" as that term is used in the Act. The Authority will cause the Net Proceeds received by it from any award made in such Proceeding to be applied to such repair, rebuilding or restoration, and if the Net Proceeds shall be insufficient to pay the cost of such repair, rebuilding or restoration, the Institution shall pay the deficiency. Any balance of the Net Proceeds of the award remaining after paying such cost shall be paid into the Redemption Account. If the Bonds have been fully paid (or provision for payment thereof has been made in accordance with the Indenture), all Net Proceeds will be paid to the Institution.

The Authority and Institution shall cooperate fully in the handling and conduct of any prospective or pending Proceeding with respect to the Project or any part thereof, and the Authority will join with the Institution, to the extent it may lawfully do so and at the Institution's expense, in maintaining or permitting the Institution to maintain a defense or contest of amount of award in any such Proceeding. In no event will the Authority voluntarily settle, or consent to the settlement of, any prospective or pending Proceeding with respect to the Project or any part thereof without the written consent of the Institution.

Section 6.03 Condemnation of Institution-Owned Property.
The Institution shall also be entitled to the Net Proceeds of any condemnation award or portion thereof made for damages to or taking of its own property or for damages on account of the taking of or interference with the Institution's right to possession, use or occupancy of the Project. Similarly, the Institution shall also be entitled to the Net Proceeds of any fire and extended coverage or similar insurance on its own property not constituting part of the Project.

ARTICLE VII

SPECIAL COVENANTS

Section 7.01 No Warranty of Condition or Suitability; Indemnification. The Authority does not make any warranty, either express or implied, as to the design or capacity of the Project; as to the suitability for operation of the Project; or as to the condition of the Project; or that it will be suitable for the Institution's purposes or needs. The Institution releases the Authority from, agrees that the Authority shall not be liable for, and agrees to hold the Authority, its members and employees, harmless against, any claim, cause of action, suit, or liability for any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to the Project or the use thereof, including that caused by any negligence of the Authority or anyone acting in its behalf; provided, that the indemnity in this sentence shall be effective only to the extent of any loss that may be sustained by the Authority in excess of the Net Proceeds received by the Authority from any insurance carried with respect to the loss sustained.

In connection with the sale of the Project Bonds, the Institution has furnished or caused to be furnished to the Authority certain information for inclusion in the Official Statement of the Authority respecting the Bonds and as to such information concerning the Institution, the Project, and the operations of the Institution, it agrees to indemnify and hold harmless the Authority against any and all losses, claims, damages or liability to which the Authority may become subject under law, and to reimburse the Authority for any out-of-pocket legal and other expenses (including reasonable counsel fees) incurred by the Authority in connection with investigating any such losses, claims, damages, or liabilities or in connection with defending any actions insofar as the same relate to the aforesaid information furnished to the Authority by the Institution. The Authority agrees, at the request and expense of the Institution, to cooperate in the making of any investigation in defense of any such claim and promptly to assert any or all of the rights and privileges and defense which may be available to the Authority. The provisions of this Section do not supersede the provisions of paragraph 1(c) of the Agreement or the Indemnity Agreement executed by the Institution to the Authority.

Section 7.02 Institution to Maintain its Existence and Accreditation; Conditions Under Which Exceptions Permitted. The Institution agrees that during the Lease Term it will maintain its existence as a nonprofit corporation and a nonprofit institution of higher education under the laws of Minnesota, accredited as such by recognized accrediting organizations; will not dissolve or otherwise dispose of all or substantially all of its assets; and will not merge into another institution or permit one or more other corporations to consolidate with or merge into it; provided, that the Institution may,

without violating the agreement contained in this Section, consolidate with or merge into another institution of higher education, or permit one or more other of such institutions to consolidate with or merge into it, or sell or otherwise transfer to another such institution all or substantially all of its assets as an entirety and thereafter dissolve, provided that if the surviving, resulting or transferee institution, as the case may be, is other than the Institution, such surviving, resulting or transferee institution assumes in writing all of the obligations of the Institution herein, and is either a state university or college or is a nonprofit corporation and a nonprofit institution of higher education under the laws of Minnesota, eligible to be a participating nonprofit institution under the Act, and complies and will comply with the provisions of Sections 7.11 and 7.12 hereof.

If merger or sale or other transfer is made as provided in this Section, the provisions of this Section shall continue in full force and effect and no further merger or sale or other transfer shall be made except in compliance with the provisions of this Section.

Section 7.03 Release of Certain Land. Notwithstanding any other provision of this Lease, the parties hereto reserve the right, at any time and from time to time, to amend this Lease for the purpose of effecting the release of and removal from this Lease and the leasehold estate created hereby of (i) any unimproved part of the land included in the Leased Premises (on which neither the Building nor any Leased Equipment is situated), or (ii) any part of such land with respect to which the Authority proposes to grant an easement or convey fee title to a public utility or public body in order that utility services or roads may be provided for the Project; provided, that if at the time any such amendment is made any of the Bonds are outstanding and unpaid, such amendment shall not be effective until and unless there are deposited with the Trustee the following:

(a) Copies of the said amendments to this Lease as executed.

(b) A resolution of the Authority (i) stating that the Authority is not in default under any of the provisions of the Indenture and that the Authority and the Institution are not to the knowledge of the Authority in default under any of the provisions of this Lease, (ii) giving an adequate legal description of that portion of the Leased Premises to be released, (iii) stating the purpose for which the release is desired, (iv) requesting such release, and (v) approving such amendments to this Lease.

(c) Evidence of the authority of the officer of the Institution who executes such amendments to this Lease.

(d) A resolution of the Board of Directors of the Institution or an opinion of counsel for the Institution stating that the Institution is not in default under this Lease.

(e) If applicable, a copy of the instrument granting the easement or conveying the title to a public utility or public body.

(f) A certificate of an Independent Engineer, acceptable to the Trustee, dated not more than sixty days prior to the date of the release and stating that in the opinion of such Engineer (i) the portion of the Leased Premises so proposed to be released is necessary or desirable in order to obtain utility services or roads to benefit the Project, or is not otherwise needed for the use and operation of the Project for the purpose hereinabove stated, and (ii) the release so proposed to be made will not impair the usefulness of the Building as an educational facility and will not destroy the means of ingress thereto and egress therefrom.

Section 7.04 Granting Easements. If neither the Authority nor the Institution is then in default, and to the extent permitted by the Indenture, the Authority at the request of the Institution from time to time shall grant easements, licenses, rights-of-way (including the dedication of public highways) and other rights or privileges in the nature of easements with respect to the Leased Premises, or may release existing easements, licenses, rights-of-way and other rights or privileges with or without consideration, and the Authority agrees that it shall execute and deliver any instrument necessary or appropriate to grant or release any such easement, license, right-of-way or other right or privilege upon receipt of: (a) a copy of the instrument of grant or release; and (b) a written application signed by the Authorized Institution Representative requesting such instrument, and certifying that in his opinion (i) such grant or release is not detrimental to the proper use or operation of the Project, and (ii) such grant or release will not impair the character or significance of the Project as an educational facility.

Section 7.05 Annual Statement. The Institution agrees to have an annual audit made by its regular independent certified public accountants and to furnish to the Authority and the Trustee promptly upon completion a copy of audited financial statements, pertaining to the assets, liabilities and results of operation of the Institution, including the operations of the Project, the changes in and condition of enrollment at the Institution, and statement of insurance coverage required by this Lease, in such form and detail and with such additional information as will enable the Authority to comply with the provisions of Section 6.17 of the Indenture. The Institution shall render to the Authority such additional reports concerning the repair, maintenance and condition of the Project as the Authority may from time to time request.

Section 7.06 No Abatement or Diminution of Rent. No release or grant effected under the provisions of Section 7.03 or 7.04 of this Lease nor the application of moneys as provided in

Section 7.07 hereof shall entitle the Institution to any abatement or diminution of the Base Rent or Additional Rent payable under Section 4.01 or 4.03 hereof.

Section 7.07 Payment into Redemption Account. Any moneys received by the Authority pursuant to Section 7.03 or 7.04 of this Lease shall be paid into the Redemption Account, and such amounts shall not be credited against subsequent Base Rent or Additional Rent.

Section 7.08 Federal Income Tax Status. The Institution represents that it presently is, and covenants and agrees that it shall take all appropriate measures to assure that it remains, an organization described in Section 501(c)(3) of the Internal Revenue Code of 1954, as amended, exempt from Federal income taxes under Section 501(a) of such Code. The Institution covenants and agrees that it shall not perform any acts nor enter into any agreements which shall adversely affect such Federal income tax status of the Institution and shall not use, carry or permit to be carried on in the Project or in its campus any trade or business the conduct of which is not in conformity with this Lease and substantially related (aside from the need of the Institution for income or funds or the use it makes of the profits derived) to the exercise or performance by such Institution of the purposes or functions constituting the basis for its exemption under Section 501 of such Code.

Section 7.09 Institution to Maintain Furnishings and Movable Equipment. The Institution agrees that during the Lease Term it will provide and maintain all furnishings and movable equipment necessary to permit the full use, operation and occupancy of the Project for use as an educational facility. In addition to the Building and Leased Equipment, the Institution may from time to time, for that purpose and at its own expense, install additional movable personal property in the Building or on the Leased Premises. All such movable personal property so installed by the Institution shall remain the sole property of the Institution, in which the Authority and the Trustee shall have no interest, may be modified or removed at any time while the Institution is not in default hereunder and shall not be subject to the lien of the Indenture. Nothing contained in the preceding provisions of this Section shall prevent the Institution from purchasing, after delivery of the Indenture, movable personal property, equipment, furniture or fixtures, not constituting Leased Equipment, on conditional sale contract or lease sale contract, or subject to vendor's lien or security interest, as security for the unpaid portion of the purchase price thereof; provided no such lien or security interest shall attach to any part of the Project. The Institution agrees to pay as due the purchase price of, and all costs and expenses with respect to the acquisition and installation of, any such movable personal property, equipment, furniture or fixtures installed by it pursuant to this Section.

Section 7.10 Redemption of Bonds. The Authority, at the request at any time of the Institution and if the Bonds are then callable, shall forthwith take all steps that may be necessary under the applicable redemption provisions of the Indenture to effect redemption of all or part of the then outstanding Bonds, as may be specified by the Institution, on the earliest redemption date on which such redemption may be made under such applicable provisions, provided that the Institution shall have made available funds in adequate amount therefor or shall have made arrangements satisfactory to the Authority therefor.

Section 7.11 Against Discrimination. The Institution (i) will continue to admit students without discrimination by reason of religion, race, creed, color or national origin, (ii) will not exclude, expel, limit or otherwise discriminate against enrolled students because of sex, or religion, race, color, creed or national origin, and without limiting the foregoing, (iii) will not discriminate in the use or operation of the Project because of religion, race, color, creed or national origin, (iv) will comply with all applicable laws and regulations of the State of Minnesota and the United States against discrimination among employees, students or others on account of sex or religion, race, color, creed or national origin, and (v) will comply with all provisions of any Grant Agreement or other agreement with any federal or state agency or political subdivision against discrimination.

Section 7.12 Institution to be Nonsectarian. The Institution will continue to be nonsectarian; will not require nor forbid attendance by students or any other persons at religious worship or acceptance of any religious creed; and will not promulgate the distinctive doctrines, creeds or tenets of any particular religious sect. All courses of study at the Institution, including any religion or theology courses, will be taught according to the academic requirements of the subject matter and professional standards.

Section 7.13 Observe Regulations of the Authority and the State. The Institution will observe the rules and regulations of the Authority now or hereafter adopted (i) specifically established for the use of the Project pursuant to Section 136A.29, Subd. 12 of the Act, or other provision of law or (ii) generally with respect to the Authority, participating institutions of higher education and projects, under Section 136A.29, Subd. 5 of the Act, or other provisions of law. The Institution will further observe all applicable laws and regulations of the State of Minnesota and each other department or agency thereof, including (without limitation) regulations of the Department of Education and the Higher Education Coordinating Commission applicable to nonprofit institutions of higher education. The Institution shall have the right to contest by appropriate procedures the adoption, validity or applicability of any law, rule or regulation referred to in this Section and to delay compliance therewith, without violating the provisions of this Section,

if (a) the Authority shall consent to such delay in writing or (b) a court of competent jurisdiction shall so order or determine or (c) in the opinion of Independent Counsel furnished to the Authority, the procedures taken by the Institution to contest the validity or applicability of any such law, rule or regulation are appropriate and have the effect of staying the finality and enforceability thereof against the Institution.

Section 7.14 Further Assurances. The Institution will execute or cause to be executed any and all further instruments that may reasonably be requested by the Authority or the Trustee and be authorized by law to perfect the lien of the Indenture, or intended to be provided thereby, or to vest in the Trustee the right to receive and apply the revenues and income pledged to the payment or protection and security of the Bonds, and will cause the Indenture, this Lease (or Short Form Lease) and any supplemental instrument to be filed, registered or recorded in any office provided by law and to execute, deliver, file or record any financing statement pursuant to the Uniform Commercial Code if such filing, registration or recording shall be necessary or convenient to effect, protect or confirm the pledge and lien of the Indenture. The Institution shall pay all recording, filing and registration taxes and fees, together with all expenses incidental to the preparation, execution, acknowledgment, filing, registering and recording of the Indenture, of any paper pursuant to the Uniform Commercial Code and of any instrument of further assurance, and all stamp taxes, mortgage registry taxes and other taxes, duties, imposts, assessments and charges lawfully imposed upon the Bonds or upon the Indenture or this Lease.

Section 7.15 Maintain List of Bondholders. To the extent that such information shall be made known to the Institution, the Institution will furnish to the Authority and the Trustee a list of names and addresses of the last known holders of all Project Bonds with the principal amount of Bonds believed to be held by each.

Section 7.16 Observance of Indenture Covenants and Terms. The Institution will not do or require the Authority to do, in any manner, anything otherwise than in accordance with the provisions of the Indenture, and will not suffer or permit any default to occur under the Indenture, but will faithfully observe and perform, and will do all things necessary so that the Authority may observe and perform, all the conditions, covenants and requirements of the Indenture. The Authority agrees that it will observe and perform all obligations imposed upon it by the Indenture and the Bonds, and will not suffer or permit any default to occur under the Indenture; provided that the Authority has no obligation to use its own funds or funds of the State to perform or cause performance of any such obligations.

Section 7.17 Observe Federal Regulations. The Institution will observe and perform all applicable laws and regulations of the United States of America and of each department and agency thereof.

Section 7.18 Maintenance of General Bond Reserve Account. The Authority covenants with the Institution that it will create and maintain the General Bond Reserve Account in accordance with the provisions of the Bond Resolution and use and invest the amounts received for the General Bond Reserve Account only in accordance with the provisions of the Bond Resolution. The Institution shall have no right to require the Authority to use any funds or investments in the General Bond Reserve Account to pay the Project Bonds or any Additional Bonds and shall have no title to or interest in any funds or investments in the General Bond Reserve Account except as provided in the Bond Resolution and Section 11.03 of this Lease. All credits to and charges against the General Bond Reserve Account and the sub-account therein in the name of the Institution and the subaccounts therein in the names of other participating institutions of higher education shall be made as provided in the Bond Resolution. The Institution agrees that the Authority shall be entitled to determine all accounting questions relating to the General Bond Reserve Account and subaccounts therein, and that all such accounting determinations by the Authority shall be binding on the Institution.

Section 7.19 Tax Exempt Status of Bonds; Obligation to Purchase Project. It is the intention of the parties hereto that the interest paid on the Bonds will not be included in the gross income of the recipients of said interest by reason of Section 103(a) of the Internal Revenue Code of 1954, as presently in effect. In order to confirm and carry out such intention, the Institution shall provide such certificates of an Authorized Institution Representative, Opinions of Counsel, and other evidence as may be necessary or requested by the Authority or the Trustee to establish the exemption of the Bonds under Section 103(a) and the absence of arbitrage expectation under Section 103(d) of the Internal Revenue Code, and file such information and statements, acting alone or with the Authority, with the Internal Revenue Service as may be required from the Institution or the Authority to establish or preserve such exemption or as may be required by Section 103 of the Internal Revenue Code, regulations thereunder and related provisions of law or regulation. In the event the interest payable on the Bonds becomes subject to Federal income taxes by reason of the application of the provisions of the Internal Revenue Code presently in effect and regulations thereunder, the Bonds shall be redeemable and shall be redeemed, the Institution shall purchase the Project, and the Authority agrees to sell the Project upon the earliest practicable interest payment date. The Institution shall have no obligation to repurchase the Project or cause the Bonds to be called for prior redemption if interest on the Bonds shall become subject to federal income taxation solely by reason of an amendment or an addition to the Internal Revenue Code (or regulations thereunder) adopted after the Bonds have been issued. The event of taxability described in the foregoing sentence shall be established by a ruling from the National Office of the Internal Revenue Service or a final decision of a court of competent jurisdiction obtained on the question of taxability. Any purchase required by this Section shall be effected upon the following terms and conditions:

(a) Within thirty days after the occurrence of the event the Institution shall give written notice to the Authority and the Trustee, or in the event of its failure to do so the Trustee shall give written notice to the Authority and the Institution, stating a date of closing the purchase not less than forty-five days after the notice is mailed and not less than thirty days before the next interest payment date of the Bonds occurring seventy-five days or more after the notice is mailed, and the Institution shall make arrangements satisfactory to the Trustee for the giving of notice required for redemption of all of the outstanding Bonds on that date and for the transmittal of funds needed for such redemption in advance of that date.

(b) The cash purchase price payable at the closing date shall be an amount equal to the sum of the following:

(i) an amount which, when added to the amounts in the Bond and Interest Sinking Fund Account, the Debt Service Reserve Account and Redemption Account will equal the principal amount of all then outstanding Bonds plus accrued interest thereon to the redemption date; plus

(ii) an amount equal to the Trustee's and any paying agent's fees under the Indenture, accrued and to accrue until final payment and redemption of the Bonds and all other advances, fees, costs and expenses incurred by the Trustee under the Indenture; and

(c) The closing shall be completed otherwise as provided for purchase upon exercise of the Institution's options under Article X hereof.

ARTICLE VIII

ASSIGNMENT, SUBLEASING AND SELLING

Section 8.01 Assignment and Subleasing by Institution.

This Lease may be assigned in whole or in part, and the Project may be subleased as a whole or in part, by the Institution only upon obtaining the consent of the Authority and the Trustee, and upon such conditions and requirements as they may impose, including those necessary to the objectives of the Act, and to the security of the bondholders, which shall include conditions that:

(a) No assignment (other than pursuant to Section 7.02 hereof) or subletting shall relieve the Institution from primary liability for any of its obligations hereunder, and in the event of any such assignment or subletting the Institution shall continue to remain primarily liable for the payment of the Base Rent and Additional Rent specified in Sections 4.01 and 4.03 hereof and for performance and observance of the other agreements on its part herein provided to be performed and observed by it; and

(b) Any assignment or sublease from the Institution must retain for the Institution such rights and interests as will permit it to perform its obligations under this Lease, and any assignee from the Institution shall assume the obligations of the Institution hereunder to the extent of the interest assigned; and

(c) The Institution shall, within thirty days after the delivery thereof, furnish or cause to be furnished to the Authority and the Trustee a true and complete copy of each such assignment and sublease, as the case may be, together with an instrument of assumption.

Notwithstanding the above provisions of this Section, the consent of the Authority or of the Trustee shall not be required for, and clause (c) of this Section shall not apply to, (i) rentals or other authorizations of use of the Project or parts thereof to others by the Institution if such rental or authorization does not involve use of the Project for more than ninety (90) consecutive days, or (ii) rentals or other authorizations of use of particular rooms to students, faculty members, or student or faculty groups, provided in either case that such rentals or authorizations of use shall in all respects be subject to the covenants contained in Sections 5.01 and 7.02 of this Lease.

Section 8.02 Assignment and Mortgaging by the Authority.

The Authority may mortgage the Project and may assign its rights and security interests under and interest in, and pledge any moneys receivable under or pursuant to, this Lease, to the Trustee pursuant

to the Indenture as security for payment of the principal of and interest on the Bonds, but such mortgage shall be subordinate and subject to this Lease.

Section 8.03 Restrictions on Transfer and Encumbrances of Project by the Authority. The Authority agrees that, except as otherwise provided in this Lease or contemplated by the Indenture, it will not sell, assign, transfer, convey or otherwise dispose of the Project or any portion thereof during the Lease Term and that it will not, to the extent permitted by law, take any action which may reasonably be construed as tending to cause or induce the levy of special assessments by others against the Leased Premises without the written consent of the Institution, nor will it create or suffer to be created any debt, lien or charge thereon or make any pledge or assignment of or create any lien or encumbrance upon the rents, revenues and receipts derived from the sale, lease or other disposition of the Project other than as provided in Section 8.02 hereof.

ARTICLE IX

EVENTS OF DEFAULT AND REMEDIES

Section 9.01 Events of Default. The following shall be "events of default" under this Lease and the term "event of default" shall mean, whenever used in this Lease, any one or more of the following events:

(a) If the Institution fails to pay the rents required to be paid under Section 4.01 or 4.03 hereof, or to make payment of any insurance premium to be paid under Section 5.09, 5.10, 5.13, 5.14 or 5.15 hereof on or prior to the dates on which payments are required to be made by said Sections and within a period of two days after written notice mailed or delivered to it by the Trustee or the Authority that the rent or payments referred to in such notice has not been received; or

(b) If the Project shall be destroyed or damaged and shall not be promptly repaired, replaced or reconstructed (whether such failure promptly to repair, replace or reconstruct the same be due to impracticability of such repair, replacement or reconstruction or to lack of funds therefor, or for any other reason); or

(c) If the Institution shall default in the due and punctual performance of any of the covenants, conditions, agreements and provisions contained in this Lease or in any instrument supplemental hereto on the part of the Institution to be performed, and such default shall have continued for a period of thirty days after written notice, specifying such default and requiring the same to be remedied, shall have been given to the Institution by the Authority; or

(d) If the Institution files a petition in bankruptcy, or makes an assignment for the benefit of creditors, or consents in writing to the appointment of a trustee or receiver for itself or for the whole or any substantial part of the property at the Institution; or

(e) If a court of competent jurisdiction shall enter an order, judgment or decree declaring the Institution an insolvent, or adjudging it bankrupt, or appointing a trustee or receiver of the Institution or of the Project or Project revenues and income, or of the whole or any substantial part of the property at the Institution, or approving a petition filed against the Institution seeking reorganization of the Institution under any applicable law or statute of the United States of America or any State thereof, and such order, judgment or decree shall not be vacated or set aside or stayed within sixty days from the date of the entry thereof; or

(f) If, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the Institution or of the whole or any substantial part of its property, and such custody or control shall not be terminated within ninety days from the date of assumption of such custody or control.

The provisions of paragraphs (b) and (c) of this Section are subject to the following limitations: If by reason of force majeure the Institution is unable in whole or in part to carry out its agreements on its part contained herein, the Institution shall not be deemed in default during the continuance of such disability. The term "force majeure" as used herein includes the following: acts of God; strikes, lockouts or other employee disturbances; acts of public enemies; orders of any kind of the government of the United States of America or of the State of Minnesota or any of their departments, agencies, political subdivisions or officials, or any civil or military authority; insurrections; riots; epidemics; landslides; lightning; earthquakes; fires; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions; breakage or accident to machinery, transmission pipes or conduits; partial or entire failure of utilities; or any other cause or event not reasonably within the control of the Institution. The provisions of paragraph (c) of this Section are subject to the further limitation that if the default can be remedied but not within a period of thirty days after notice and if the Institution has taken all action reasonably possible to remedy such default within such thirty day period, the default shall not become an event of default for so long as the Institution shall diligently proceed to remedy such default and in accordance with any directions or limitations of time made by the Authority. The Institution agrees, however, to use its best efforts to remedy with all reasonable dispatch any cause or causes preventing the Institution from carrying out its agreements.

Section 9.02 Remedies on Default. Whenever any event of default referred to in Section 9.01 hereof shall have happened and be subsisting, any one or more of the following steps may be taken:

(a) The Authority, with the prior written consent of the Trustee, or the Trustee may at its option declare all or any installments of Base Rent and Additional Rent payable under Sections 4.01 and 4.03 hereof for the remainder of the Lease Term to be immediately due and payable, whereupon the same shall become immediately due and payable.

(b) The Authority, with the prior written consent of the Trustee, or the Trustee or a receiver may re-enter and take possession of the Project without terminating this Lease, holding the Institution liable for the difference in the net income derived from such possession and the rents and other amounts payable by the Institution hereunder.

(c) The Authority, with the prior written consent of the Trustee, or the Trustee or a receiver may terminate the Lease Term, exclude the Institution from possession of the Project and use its best efforts to again lease or sell the Project in accordance with applicable law, but holding the Institution liable for all rent and other payments otherwise due under this Lease up to the effective date of such new leasing or sale.

(d) The Authority may take whatever action at law or in equity may appear necessary or desirable to collect the rent then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Institution under this Lease.

Any amounts collected pursuant to action taken under this Section shall be applied first to advances, expenses and payment of the Bonds (principal, interest and premium, if any) as provided in Sections 7.05 and 7.15 of the Indenture and then to any Additional Rent payable to the Authority under Section 4.03(a), and any excess to the Institution.

Section 9.03 Remedies Cumulative, Delay Not to Constitute Waiver. No remedy conferred upon or reserved to the Authority, the Trustee, or a receiver by this Lease is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Lease or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, and any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority, the Trustee, or a receiver to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. In the event any agreement contained in this Lease should be breached by either party and thereafter waived by the other party, such waiver shall be limited to a particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 9.04 Agreement to Pay Attorneys' Fees and Expenses. In the event the Institution should default under any of the provisions of this Lease and the Authority, the Trustee, or a receiver should employ attorneys or incur other expenses for the collection of rent or the enforcement of performance or observance of any obligation or agreement on the part of the Institution contained in this Lease, the Institution agrees that it will on demand therefor reimburse the reasonable fee of such attorneys and such other expenses so incurred.

Section 9.05 Advances. In the event the Institution shall fail to pay any Base Rent or Additional Rent under Sections 4.01 or 4.03 hereof, or shall fail to maintain or repair, rebuild or restore any of the Leased Property, or shall fail to maintain any insurance as required by the provisions of this Lease, or to do any other thing or make any other payment required to be done or made by any other provision of this Lease, the Authority or the Trustee, each in its own discretion, may do or cause to be done any such thing or make or cause to be made any such payment at the expense or as an advance for the account of the Institution, and the Institution shall pay to the Authority or the Trustee, as the case may be, upon demand, all costs and expenses so incurred and advances so made, with interest at the rate of eight percent (8.00%) per annum. Any such advances shall be entitled to priority of payment from any funds thereafter received from the Institution or under Section 9.02.

Section 9.06 Waiver of Appraisement, Valuation, Etc. In the event the Institution should default under any of the provisions of this Lease, the Institution agrees to waive, to the extent it may lawfully do so, the benefit of all appraisement, valuation, stay, extension or redemption laws now or hereafter in force, and all right of appraisement and redemption to which it may be entitled.

Section 9.07 Manner of Foreclosure of Security Interests. The Institution consents and agrees to all provisions of Article VII of the Indenture respecting events of default and remedies in case of default, including (without limitation) the provisions of Sections 7.07 to 7.13 thereof relating to the manner of foreclosure sale. The Institution further agrees that the Authority and the Trustee, as the case may be, shall have each of the rights of a secured party provided by Part 5, Article IX, of the Uniform Commercial Code as in effect in Minnesota (Sections 336.9-501 to 336.9-508, Minnesota Statutes) with respect to any security interest in the Leased Equipment, and any security interest in any other personal property which the Institution may grant to the Authority or the Trustee.

Section 9.08 Attornment. If by reason of any event of default under the Indenture the trust estate shall be foreclosed and unless and until this Lease and the rights of the Institution shall be terminated by reason of an event of default hereunder on the part of the Institution, the Institution shall attorn to the purchaser at the mortgage foreclosure sale and perform all the terms, covenants and conditions hereof to and for the benefit thereof, and such purchaser shall succeed to all rights of the Authority (except its rights to make regulations under the Act) and the Trustee under this Lease and the Indenture.

Section 9.09 To Furnish Heat and Utilities. In the event of a default referred to in Section 9.01 hereof, if rights under paragraph (b) or (c) of Section 9.02 hereof are exercised, the Institution hereby covenants and agrees, and without further act by or consent of the Institution being required, to furnish to the Authority, the Trustee or receiver, foreclosure sale purchaser,

or any of their successors and assigns, at a reasonable cost, heat, if heating units have not been incorporated into the Project, and also light, power, water and other necessary utility services to the Project which are not reasonably available at a reasonable cost from public utilities.

ARTICLE X

OPTIONS IN FAVOR OF INSTITUTION

Section 10.01 Option to Terminate. The Institution shall have the option to cancel or terminate the term of this Lease at any time when all the Bonds and coupons appertaining thereto shall be deemed to have been paid and discharged under the provisions of Article X of the Indenture and when all Additional Rent payable to the Authority and the Trustee and any paying agents of the Bonds due or to become due have been paid. Such option shall be exercised by giving the Authority notice in writing and such cancellation or termination shall forthwith become effective. Upon such termination, any funds or investments then remaining on deposit to the credit of the Bond and Interest Sinking Fund Account, Debt Service Reserve Account, and Redemption Account shall be paid over by the Trustee to the Institution.

Section 10.02 Option to Purchase Project Prior to Payment of the Bonds. The Institution shall have, and is hereby granted, the option to purchase the Project prior to the expiration of the Lease Term and prior to the full payment of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture), if any of the following shall have occurred:

(a) The Building or the Leased Equipment shall have been damaged or destroyed as set forth in Section 6.01 hereof (i) to such extent that it cannot be reasonably restored within a period of six months to the condition thereof immediately preceding such damage or destruction, or (ii) to such extent that the Institution is thereby prevented from carrying on its normal use and operations thereof for a period of six months, or (iii) to such extent that the cost of restoration thereof would exceed by more than \$100,000.00 the Net Proceeds of insurance carried thereon pursuant to the requirements of Section 5.09 hereof.

(b) Title to, or the temporary use of for more than six (6) months, all or substantially all of the Project shall have been taken under the exercise of the power of eminent domain by any governmental authority, or person, firm or corporation acting under governmental authority (including such taking or takings as results in the Institution being thereby prevented from carrying on its normal operations therein for a period of six months).

(c) As a result of any changes in the Constitution of the State of Minnesota or the Constitution of the United States of America or of legislative or administrative action (whether state or federal) or by final decree, judgment or order of any court or administrative body (whether state or

federal) entered after the contest thereof by the Institution in good faith, this Lease shall have become void or unenforceable or impossible of performance in accordance with the intent and purpose of the parties as expressed in this Lease, or if unreasonable burdens or excessive liabilities shall have been imposed upon the Authority or the Institution, with respect to the Project, or operation thereof, including without limitation federal, state or other ad valorem, property, income or other taxes not being imposed on the date of this Lease; provided, that the provisions of this Subsection shall in no way affect the Institution's obligation for the continued maintenance of the Project during the term of this Lease.

To exercise such option, the Institution shall, within ninety days following the event authorizing the exercise of such option, give written notice to the Authority, and to the Trustee if any of the Bonds shall then be unpaid, and shall specify therein the date of closing such purchase, which date shall be not less than forty-five nor more than ninety days from the date such notice is mailed, and in case of a redemption of the Bonds in accordance with the provisions of the Indenture shall make arrangements satisfactory to the Trustee for the giving of the required notice of redemption, in which arrangements the Authority shall cooperate. The purchase price payable by the Institution, in the event of its exercise of the option granted in this Section, shall be the sum of the following:

- (1) An amount of money which, when added to the moneys and investments held to the credit of the Bond and Interest Sinking Fund Account, Debt Service Reserve Account, and Redemption Account, will be sufficient pursuant to the provisions of Article III of the Indenture, to pay and discharge all then outstanding Bonds and coupons appertaining thereto on the first possible date for redemption, plus

- (2) An amount of money equal to the Additional Rent payable to the Authority and Trustee and any paying agent's fees and expenses under the Indenture, plus

- (3) The sum of Two Hundred Fifty Dollars (\$250.00) to the Authority.

In the event of the exercise of the option granted in this Section any Net Proceeds of insurance or condemnation shall be paid to the Institution, notwithstanding any provision of Sections 6.01 and 6.02 hereof, and the Authority will deliver to the Institution the documents referred to in Section 10.05 hereof.

The mutual agreements contained in this Section 10.02 are independent of, and constitute an agreement separate and distinct from, any and all provisions of this Lease and shall be unaffected by any fact or circumstance which might impair or be alleged to impair the validity of any other provisions.

Section 10.03 Option to Purchase Project. The Institution shall have, and is hereby granted, an option to purchase the Project for Five Hundred Dollars (\$500.00) at the expiration of the Lease Term or at any prior time that full payment of the Bonds or provision for payment thereof has been made in accordance with the provisions of the Indenture and all Additional Rent payable to the Authority and Trustee hereunder shall have been paid. In the event that the Institution exercises its option to purchase, the option to purchase granted in this Section 10.03 shall be exercised in the manner as is provided for exercise of the option to purchase granted in Section 10.02, and the Authority will deliver to the Institution the documents referred to in Section 10.05 hereof; provided that the Institution shall have the right to execute and deliver at any time during the Lease Term written notice to the Authority, and to the Trustee if any of the Bonds shall then be unpaid, that the Institution has elected to exercise its option under this Section, and thereupon the Institution shall become obligated to purchase the Project at the expiration of the Lease Term and the Authority shall become obligated, whenever full payment of the Bonds has been made or provision for payment under Article X of the Indenture so that the Bonds are no longer deemed outstanding thereunder and all Additional Rent payable to the Trustee and any paying agent shall have been paid, to sell and convey the Project to the Institution. The Institution's option rights under this Section 10.03 may also be exercised at any time for a period of ninety (90) days after the expiration of the Lease Term or until thirty (30) days after written notice of expiration of the Institution's option rights under this Section given at or after expiration of the Lease Term, whichever shall first occur.

Section 10.04 Option to Purchase Unimproved Land. The Institution shall have, and is hereby granted, an option to purchase, at any time or from time to time, any unimproved part of the Leased Premises on which neither the Building nor any Leased Equipment is located except that transportation facilities or wires, lines, conduits or pipes servicing the Project, parking facilities, footings supporting the Building or Building projections may be located on or over such part. The purchase price shall be calculated (to the next highest whole dollar) on the basis of the per acre value of the Leased Premises as determined by a qualified independent appraiser designated by the Institution and approved by the Trustee, together with and the cost to the Authority of any transportation facilities or wires, lines, conduits, poles, parking facilities or Building projections located on or over such part of the Leased Premises for which the Authority does not reserve title and an easement for the use, maintenance, operation, removal and replacement thereof. Where title to any of said facilities is released by the Authority as part of the purchase, and in any case where footings supporting the Building are located on the part purchased, the conveyance to the Institution shall be subject to the reservation of an easement by the Authority for the use, maintenance, operation, removal and replacement of said

facilities and footings and any easement required to maintain ingress to and egress from the remainder of the Leased Premises and to assure access to all parts of the Building and Leased Equipment for the use, maintenance, operation, removal and replacement thereof. This option to purchase is subject to the condition that the Institution shall furnish to the Authority and the Trustee the following:

(a) A notice in writing containing (i) an adequate legal description of that portion of the Leased Premises with respect to which such option is to be exercised, (ii) a statement that the Institution intends to exercise its option to purchase such portion of the Leased Premises on a date stated, which shall not be less than forty-five nor more than ninety days from the date of such notice, (iii) the appraisal of the independent appraiser designated by the Institution and (iv) a statement that the portion of the Leased Premises as to which the option is exercised is intended to be used for purposes consistent with the educational purposes of the Institution.

(b) A certificate of an Independent Engineer who is acceptable to the Trustee, dated not more than ninety days prior to the date of the purchase and stating that, in his opinion (i) the portion of the Leased Premises with respect to which the option is exercised is not needed for the operation of the Project, or that sufficient right, title and interests have been reserved by the Authority to fulfill such needs, and (ii) the purchase will not impair the character or significance of the Project as an educational facility and will not destroy the means of ingress thereto and egress therefrom.

(c) Evidence that an amount of money equal to the purchase price computed as provided in this Section has been delivered to the Trustee.

If the part of the Leased Premises which is purchased pursuant to this option shall have a boundary coincident with an exterior wall of the Building, then the conveyance to the Institution shall include a right to the Institution to tie into and use such wall as a party wall, or break through, or eliminate such wall and to use any supporting columns and foundations thereof for support to the extent and on the condition that:

(d) Any such use shall be approved in writing by an Independent Engineer who is acceptable to the Trustee.

(e) The Institution shall maintain any portion of the Building used in this way in sound condition, and if any breach or modification of the structure thereof is required in the course of such use or the preparation therefor, the Institution will restore the Building to a finished condition as promptly as reasonably required by the Authority or the Trustee.

(f) To secure performance of the conditions of paragraph (e) above, the Institution, before exercising such right to tie into and use such walls, columns or foundation, shall deposit with the Trustee an amount in cash, or in the form of an indemnity bond issued by an insurance company satisfactory to the Trustee, certified by said Independent Engineer to be sufficient to restore the Building to the condition which existed prior to the exercise of such right. Said cash or proceeds from said indemnity bond may be used by the Authority or the Trustee for such purpose if the Institution shall default in its obligation under paragraph (e) above but shall be released to the Institution when such obligation has been fulfilled as certified by an Independent Engineer.

In the event the Institution shall exercise the option granted to it under this Section, the Institution shall not be entitled to any abatement or diminution of the rents payable under Section 4.01 or 4.03 and the Trustee on receipt of the purchase price shall deposit such moneys in the Redemption Account, and such amounts shall not be credited against subsequent rentals as provided in Sections 4.01 or 4.03 hereof but shall be used to purchase Bonds on the open market for cancellation at a price not exceeding the then or next available redemption price or to call Bonds for redemption, when practical, in the manner provided in the Indenture.

Section 10.05 Conveyance on Exercise of Option to Purchase.
On the exercise of any option to purchase granted herein, the Authority will upon payment of the purchase price deliver or cause to be delivered to the Institution documents conveying to the Institution good and marketable title to the property being purchased, as such property then exists, subject to the following: (i) those liens and encumbrances, if any, to which title to said property was subject when conveyed to the Authority; (ii) those liens and encumbrances created by the Institution or to the creation or suffering of which the Institution consented; (iii) those liens and encumbrances resulting from the failure of the Institution to perform or observe any of the agreements on its part contained in this Lease; (iv) Permitted Encumbrances other than the Indenture and this Lease; and (v) if the option is exercised pursuant to the provisions of Section 10.02(b) hereof, the rights and title of the condemning authority. Such conveyance document or documents shall also be subject to and contain a covenant and right of re-entry in substantially the following form:

"This conveyance is made on the conditions that, and the (Institution) for itself, its successors and assigns hereby covenants and agrees that, the buildings and improvements, including equipment, now on and a part of the foregoing property shall not be used for sectarian instruction or as a place of worship or used primarily in connection with any part of the program of a school or department of divinity for any religious denomination

or used for any other religious purpose and that the (Institution), its successors and assigns shall not discriminate on account of religion, race, color, creed, or national origin in the use of such buildings and improvements now on and a part of the foregoing property. If the Institution shall violate any conditions and covenants of the preceding sentence, the (Authority) shall have the right of re-entry and to exclude the (Institution) and all persons claiming under the (Institution) and terminate all the right, title or interest of the (Institution) in the property conveyed hereby or, in the alternative, to enforce the foregoing conditions and covenants by an action or suit at law or in equity."

Section 10.06 Relative Position of this Article and Indenture. The rights and options granted to the Institution in this Article, except under Section 10.04, shall be and remain prior and superior to the Indenture and may be exercised whether or not the Institution is in default hereunder, provided that such default will not result in nonfulfillment of any condition to the exercise of any such right or option or the covenant and condition required to be set forth in the conveyance by the provisions of Section 10.05 hereof.

ARTICLE XI

MISCELLANEOUS

Section 11.01 Surrender of Project. In the event the Institution should default under this Lease and the Lease Term is terminated, the Institution agrees to surrender possession of the Project peaceably and promptly to the Authority in as good condition as prevailed at the time it was put in full possession thereof, loss by fire or other casualty covered by insurance, ordinary wear and tear, obsolescence and acts of God excepted.

Section 11.02 Amounts Remaining in Bond Accounts. It is agreed by the parties hereto that any amounts remaining in the Bond and Interest Sinking Fund Account, Debt Service Reserve Account, and Redemption Account upon expiration or sooner cancellation or termination of the Lease Term, as provided in this Lease, after payment in full of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture) and of Additional Rent payable to the Authority and the Trustee and fees, charges and expenses of any paying agents and all other amounts required to be paid under the Indenture, shall belong to and be paid to the Institution by the Trustee as overpayment of rents except for the amount, if any, representing an option price under Section 10.02(3) or 10.03, which shall belong to the Authority.

Section 11.03 Rebate of Contributions to General Bond Reserve Account. The Authority further agrees to rebate to the Institution any contributions by the Institution remaining to the credit of the subaccount in the Institution's name, established on account of the Project Bonds, in the General Bond Reserve Account after payment in full of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture) and of Additional Rent payable to the Authority and the Trustee and fees, charges and expenses of any paying agents and all other amounts required to be paid under the Indenture and after the Authorized Institution Representative shall have furnished to the Authority a certificate to that effect. The Institution shall also be entitled to receive its proportionate share of the earnings, if any, of the General Bond Reserve Account as provided in the Bond Resolution. The Authority further agrees to rebate to the Institution, when received, the Institution's proportionate share of any collections of delinquent rents thereafter received as recovery of payments from the General Bond Reserve Account, charged against the subaccounts of the Institution and other participating institutions of higher education.

Section 11.04 Notices. All notices, certificates, requests or other communications hereunder shall be sufficiently given and shall be deemed given when mailed by registered mail, postage prepaid, addressed as follows:

Section 11.05 References to Bonds Ineffective After Bonds Paid. Upon payment in full of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture) and all fees and charges of the Trustee and any paying agents of the Bonds, all references in this Lease to the Bonds and the Trustee shall be ineffective and neither the Trustee nor the holders of any of the Bonds shall thereafter have any rights hereunder, saving and excepting those that shall have theretofore vested.

Section 11.06 Binding Effect. This Lease shall inure to the benefit of and shall be binding upon the Authority, the Institution and their respective successors and assigns, subject, however, to the limitations contained in Sections 7.02, 8.01, 8.02 and 8.03 hereof, and subject to the further limitation, that any obligation of the Authority created by or arising out of this Lease shall not be a general debt of the Authority but shall be payable solely out of the proceeds derived from this Lease or the sale of the Bonds or the Net Proceeds of any insurance or condemnation awards as provided herein.

Section 11.07 Amendments, Changes and Modifications. Except as otherwise provided in this Lease or in the Indenture, subsequent to the initial issuance of Bonds and prior to payment of the Bonds in full (or provision for the payment thereof having been made in accordance with the provisions of the Indenture), this Lease may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the Trustee.

Section 11.08 Counterparts. This Lease may be executed in several counterparts, each of which shall be regarded as an original and all of which shall constitute but one and the same Lease.

Section 11.09 Short Form Lease. The parties hereto, upon written request of the other party, shall within thirty days from the date of such request, execute and deliver a short form lease for recording purposes, which shall carry the description of the property, the length of the term, specific reference to and summary of the College's option to purchase, and incorporate by reference only the other provisions of this Lease.

Section 11.10 Severability. In case any section or provision of the Lease, or in case any covenant, stipulation, obligation, agreement, act, or action, or part thereof, made, assumed, entered into, or taken under the Lease, or any application thereof, is for any reason held to be illegal or invalid, or is at any time inoperable by reason of any law, or actions thereunder, such illegality or invalidity or inoperability shall not affect the remainder thereof or any other section or provision of the Lease or any other covenant, stipulation, obligation, agreement, act, or action, or part thereof, made, assumed, entered into, or taken under the Lease, which shall at the time be construed and enforced as if such illegal or invalid or inoperable portion were not contained therein, nor shall such illegality or invalidity or inoperability or any application thereof affect any legal and valid and operable application therefor from time to time, and each such section, provision, covenant, stipulation, obligation, agreement, act, or action, or part thereof, shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent from time to time permitted by law.

Section 11.11 Captions. The captions or headings in this Lease are for convenience only and in no way define, limit or describe the scope or intent of any provisions or sections of this Lease.

Section 11.12 Benefit of Bondholders. This Lease is executed in part to induce the purchase by others of the Bonds to be issued by the Authority to finance the cost of the Project, and accordingly all covenants and agreements on the part of the Institution and the Authority and all security interests granted and obtained as set forth in this Lease are hereby declared to be for the benefit of the holders from time to time of the Bonds issued by the Authority to finance the cost of the Project.

IN WITNESS WHEREOF, the Authority and the Institution have caused this Lease to be executed in their respective names and attested by duly authorized officers, all as of the date first above written.

This Bond and interest hereon are payable solely and only out of the rental, revenues, and other income, charges and moneys to be produced and received from the ownership and operation of the Project and reserve accounts hereinafter mentioned.

This Bond is one of a duly authorized series of special obligation Bonds of an aggregate principal amount of One Million Six Hundred Ninety-five Thousand Dollars (\$1,695,000), in the denomination of Five Thousand Dollars (\$5,000) each and numbered 1 upwards in order of maturity and of like tenor and effect except as to serial number, interest rate, right of prior redemption and maturity, all of which have been authorized by law to be issued and have been issued or are to be issued for the purpose of acquiring and refinancing a library, residence hall, service plant and renovated dining hall kitchen, with appurtenant furnishings and equipment and site improvements (hereinafter called the "Project") at the College of Saint Teresa (hereinafter called the "College"), a nonprofit institution of higher education in the City of Winona, Minnesota, pursuant to an Agreement between the Authority and the College, a Lease of the Project by the Authority to the College, a General Bond Resolution and a Series Resolution of the Authority duly adopted October 31, 1972 and February 24, 1976 and a Mortgage Trust Indenture (herein called the "Indenture") dated as of February 1, 1976 duly executed and delivered by the Authority to the Trustee. The Bonds of this issue are equally and ratably secured by the Indenture and Resolutions, to which Indenture and Resolutions and supplements thereto and amendments thereof reference is hereby made for a description and limitation of the property mortgaged and of the revenues and funds pledged and appropriated to the payment of the Bonds, the nature and extent of the security thereby created, the rights of the holders or registered owners of the Bonds, the rights, duties and immunities of the Trustee, and the rights, immunities and obligations of the Authority thereunder. This Bond is also secured by the funds and investments in the General Bond Reserve Account on a parity with obligations of other series to which such Account has been pledged as more fully provided in the Resolutions and Indenture. Payment of the principal of, premium (if any) and interest on this Bond has been guaranteed by the College and by the Academy of Our Lady of Lourdes, a Minnesota religious corporation, as provided in a Guaranty Agreement executed to the Trustee. Certified copies of the Resolutions and executed counterparts of the Indenture, Agreement, Lease and Guaranty Agreement are on file at the office of the Trustee and at the office of the Authority in St. Paul, Minnesota.

The Bonds of this issue maturing April 1, 1988 through April 1, 1991 are subject to redemption and prepayment prior to the stated maturities thereof, at the option of the Authority, on any interest payment date on or after April 1, 1987, at par and accrued interest. Redemption and prepayment of Bonds shall be in inverse chronological order of stated maturity dates and in inverse order of serial number. All Bonds of this issue are subject to redemption at par and accrued interest, in whole but not in part, on any interest payment date in certain events of damage to or destruction or condemnation of the Project as provided in Section 6.15 of the Indenture or in certain cases of change of law or circumstances as provided in Section 10.02 of the Lease or in certain cases of interest on the Bonds becoming subject to federal income taxation as provided in Section 7.19 of the Lease.

Notice of any such redemption shall be published in a financial journal printed in the English language in Minneapolis or St. Paul, Minnesota, or the City of New York, New York, at least once, not more than sixty days nor less than thirty days before the date fixed for such payment, and thirty days' notice in writing shall be given to the Bank of Payment before the date so fixed for such redemption. If any of the Bonds called for redemption or prepayment is registered as to principal or as to principal and interest, notice of redemption shall be given to the registered owner of each such Bond by certified or registered mail, addressed to him at his registered address, not earlier than sixty days nor later than thirty days prior to the date fixed for redemption. If no bonds payable to bearer are to be redeemed, published notice of such redemption need not be given. Prior to the date fixed for such redemption, sufficient funds shall be deposited with the Trustee and made available to pay the Bonds called and accrued interest thereon. Upon the happening of the above conditions, Bonds thus called shall not bear interest after the call date and, except for the purpose of payment, from the funds so deposited, shall no longer be protected by the Indenture.

This Bond is a negotiable instrument for all purposes and transferable by delivery unless registered as to principal. This Bond may be registered as to principal only, or as to both principal and interest, in the owner's name upon the books of the Authority to be kept for that purpose at the office of the Trustee, such registration to be noted hereon. After such registration, no transfer of this Bond shall be valid unless made on said books at the request of the registered owner hereof, or his duly authorized agent, and similarly noted hereon; but this Bond may be discharged from registration by being in like manner transferred to bearer, whereupon transferability by delivery shall be restored; and this Bond may again from time to time be registered or made payable to bearer as before. Registration as to principal only shall not affect the negotiability of the annexed coupons, which shall always be transferable by delivery and be payable to bearer. At the request of the registered owner and upon surrender of the unmatured interest coupons attached hereto, the Trustee shall register this Bond as to both principal and interest, and interest hereon shall thereafter be

payable only to the registered owner until this Bond shall be reconverted into a coupon Bond at the request and expense of the registered owner and reattachment of unmatured coupons by the Trustee. The Authority, the Trustee and any paying agent may treat the bearer hereof or of any interest coupon of any bond not so registered as the absolute owner of this bond or such coupon for the purpose of payment and all other purposes, and payment to the bearer shall fully discharge the Authority in respect of the sums of principal and interest therein mentioned, without regard to any notice to the contrary and whether or not any such coupons be overdue.

In case an event of default, as defined in the Indenture, occurs, the principal of this Bond and all other Bonds of the series outstanding may be declared or may become due and payable prior to the stated maturity hereof in the manner and with the effect and subject to the conditions provided in the Indenture.

With the consent of the Authority and to the extent permitted by and as provided in the Indenture, the terms and provisions of the Indenture, or of any instrument supplemental thereto, may be modified or altered by the assent or authority of the holders of at least sixty-five per centum in aggregate principal amount of the Bonds then outstanding thereunder.

It is hereby certified and recited that the Authority has found: That the Project is an eligible Project and the College is an eligible nonprofit institution under the Act and the Constitution and laws of the United States of America and the State of Minnesota, including the Act; that the issuance of the Bonds and the refinancing of the Project at the College will enhance and preserve the College, its educational programs, the Project and the utilization thereof, and extend and adjust maturities of the original indebtedness incurred to construct the Project and thereby provide appropriate additional educational opportunity for the people of the state; that the amount of the Bonds of this series does not exceed the fair market value of the Project, or the original cost of the Project, or the amount of the outstanding indebtedness being refinanced, including premium and interest, plus legal, fiscal and related costs in connection with the refinancing and reasonable reserves, as determined by the Authority; that all acts, conditions and things required to be done precedent to and in the issuance of this Bond and the series of which it is a part have been properly done, have happened and have been performed in regular and due time, form and manner as required by law; and that this series of Bonds does not exceed any constitutional, statutory or corporate limitation.

This Bond shall not be valid nor become obligatory for any purpose until it shall have been authenticated by the execution of the certificate hereon endorsed by the Trustee under the Indenture.

IN WITNESS WHEREOF, the MINNESOTA HIGHER EDUCATION FACILITIES AUTHORITY has caused this Bond to be signed in its behalf by the facsimile signature of its Chairman, its official seal (or a facsimile thereof) to be hereunto affixed or imprinted and attested by the facsimile signature of its Secretary, and the attached interest coupons to be authenticated by the facsimile signatures of said officers, all as of the 1st day of April, 1976.

Section 2.02 Execution of Bonds. The Bonds shall be signed in the name of the Authority by the facsimile signature of the Chairman of the Authority and shall be sealed with the official seal or facsimile thereof of the Authority attested by the facsimile signature of the Secretary of the Authority, and the coupons to be attached to the Bonds shall be executed by the facsimile signatures of such officers. In the event that any of the officers who shall have signed and sealed any of the Bonds or coupons shall cease to be officers of the Authority before the Bonds or coupons shall have been authenticated or delivered by the Trustee, or issued by the Authority, such Bonds or coupons may, nevertheless, be authenticated, delivered, and issued and upon such authentication, delivery and issue, shall be binding upon the Authority as though those officers

who signed and sealed the same had continued to be such officers of the Authority; and, also, any Bond or coupon may be signed and sealed on behalf of the Authority by such person who, at the actual date of execution of such Bond or coupon, shall be the proper officer of the Authority, although at the date of such Bond such person shall not have been such an officer of the Authority. Upon the execution and delivery of this Indenture, the Authority shall execute and deliver the Bonds to the Trustee for authentication.

Section 2.03 Authentication of Bonds. No Bond and no coupons thereto appertaining shall be valid or obligatory for any purpose or shall be entitled to any right or benefit hereunder unless the Trustee shall duly endorse and execute on such Bond a certificate of authentication substantially in the form of the Certificate of Trustee hereinbefore set forth. Such Certificate of Trustee upon any Bond executed on behalf of the Authority shall be conclusive evidence that the Bond so authenticated has been duly issued under this Indenture and that the holder thereof is entitled to the benefits of this Indenture.

Before authenticating any Bonds, the Trustee shall detach and cancel all matured coupons, if any, thereto appertaining. No Bonds shall be authenticated by the Trustee except in accordance with this Section, Section 2.08, Section 2.09 and Section 2.10.

The Trustee shall not be required to authenticate any Bond or Bonds except upon the written order of the Authority signed by the Chairman and Secretary of the Authority, accompanied by such directions as to delivery and such Certified Resolutions, certificates, instruments or Opinions of Counsel as the Trustee may reasonably require with respect to the validity of the Bonds to be issued and the right and authority of the Trustee to authenticate the Bonds.

Section 2.04 Negotiability and Transfer of Bonds. All Bonds shall be negotiable and transferable by delivery, unless registered as to principal in the manner hereinafter provided.

All transfers, registrations and discharges from registration of Bonds pursuant to this Section 2.04 or Section 2.05 shall be made under such reasonable regulations as the Trustee may prescribe and shall be without expense to the holder of the Bonds; except that any taxes or other governmental charges required to be paid with respect to the same shall be paid by the Bondholder requesting such transfer, registration or discharge from registration as a condition precedent to the exercise of such privilege and except that the expense of reconversion of a bond registered as to principal and interest to a coupon bond shall be paid by the registered owner.

Section 2.05 Paying Agencies, Registration of Bonds. As long as any of the Bonds issued hereunder shall remain outstanding, the Authority shall maintain and keep at the office of the Trustee an office or agency for the payment of the principal of and interest

on the Bonds, as in this Indenture provided, and for the registration and transfer of the Bonds, and shall also keep at said office of the Trustee books for such registration and transfer. The Authority does hereby appoint the Trustee, and its successors in the trust from time to time, as its agent to maintain said office and agency at the office of the Trustee. The Authority hereby irrevocably designates each bank named in the Form of Bond in the recitals hereof as a place of payment and paying agent for payment of the principal of Bonds not registered and coupons and agrees to continue arrangements through the Trustee whereby funds will be available for the payment of Bonds and coupons presented at each such bank. Any Bond may be registered on said books as to principal or as to principal and interest upon presentation thereof at said office of the Trustee, and such registration shall be noted on such Bond. After such registration, no transfer of such Bond shall be valid unless made on said books at the request of the registered owner or his duly authorized agent in writing and similarly noted on such Bond, but such Bond may be discharged from registration by being in like manner registered to bearer and thereupon transferability by delivery shall be restored, and such Bond may again, and from time to time, be registered or be transferred to bearer as before. Registration of any Bond as to principal only shall not affect the negotiability of the coupons appertaining to such Bond, but every such coupon shall continue to pass by delivery merely and shall remain payable to bearer. At the request of the registered owner and surrender of the unmatured interest coupons appurtenant thereto, the Trustee shall register the Bond as to both principal and interest, and interest thereon shall thereafter be payable only to the registered owner until such Bond shall be reconverted into a coupon Bond at the request and expense of the registered owner and reattachment of unmatured coupons by the Trustee. Unless registered as to both principal and interest, payment to the bearer of a coupon representing such interest shall fully discharge the Authority and the Trustee in respect of the interest therein mentioned, whether or not the Bond therein mentioned be at the time registered as to principal.

Section 2.06 Ownership of Bonds. As to any registered Bond, the Authority and the Trustee and their respective successors, each in its discretion, may deem and treat the person in whose name the same for the time being shall be registered as the absolute owner thereof for all purposes (except for the purpose of receiving payment of the coupons appertaining to a Bond registered as to principal only), and neither the Authority nor the Trustee nor their respective successors shall be affected by any notice to the contrary. Payment of or on account of the principal of any such Bond shall be made only to or upon the order of the registered owner thereof, but such registration may be changed as above provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. The Authority, the Trustee and any paying agent may deem and treat the bearer of any Bond which shall not at the time be registered as to principal, whether or not such Bond shall be overdue, and the bearer of any coupon, if the Bond

to which such coupon shall appertain shall not at the time be registered as to principal and interest, whether or not such coupon be overdue, as the absolute owner of such Bond or coupon for the purpose of receiving payment thereof and for all other purposes whatsoever, and the Authority, the Trustee and any paying agent shall not be affected by any notice to the contrary.

Section 2.07 Valid Obligations. All Bonds executed, authenticated and delivered as in this Indenture provided shall be the valid special obligations of the Authority and shall be entitled to all of the benefits of this Indenture.

Section 2.08 Reissuance of Mutilated, Destroyed, Stolen or Lost Bonds. In case any outstanding Bond shall become mutilated or be destroyed, stolen or lost, the Trustee shall authenticate and deliver a new Bond (with appropriate coupons attached) of like tenor, number and amount as the Bond and appurtenant coupons, so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender of such mutilated Bond and appurtenant coupons or in lieu of and substitution for the Bond and appurtenant coupons, destroyed, stolen or lost, upon filing with the Trustee evidence satisfactory to the Authority and the Trustee that such Bond and appurtenant coupons have been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Authority and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the Authority and the Trustee may prescribe and paying such expenses as the Authority and Trustee may incur in connection therewith. In the event any such Bond or coupon shall have matured, instead of issuing a substitute Bond or coupon, the Authority may pay such Bond or coupon.

Section 2.09 Conditions for Authentication of Initial Bonds. The Trustee shall not authenticate and deliver the initial Bonds to be issued and delivered pursuant to the Indenture unless theretofore or simultaneously therewith there shall have been delivered to the Trustee the following:

(a) Copies of the Resolutions of the Authority, certified by the Secretary of the Authority, authorizing the issuance of the Bonds and the execution and delivery of the Indenture.

(b) Executed counterparts of the Agreement, Lease, Indenture and Guaranty.

(c) An order for authentication of the Bonds, signed by the Chairman and Secretary of the Authority, specifying the aggregate principal amount of the coupon Bonds and of each fully registered Bond to be issued, the maturity dates thereof, the serial numbers thereof, the name of the purchaser in whose name any such fully registered Bond shall be registered by the Trustee, the amount of the purchase price of such Bonds and the amount of such price representing accrued interest, if any.

(d) The written order of the Authority, signed by the Chairman and Secretary of the Authority, directing the delivery of the Bonds described therein to or upon the order of the purchaser upon payment of the purchase price set forth therein.

(e) Title insurance or an Opinion of Counsel satisfactory to the Trustee covering the Authority's title to and absence of encumbrances on the Project and site thereof (except Permitted Encumbrances) and the status of this Indenture as a mortgage lien of record, subject only to the Lease.

(f) The manually signed approving opinion of bond counsel for the Authority, concerning the validity and legality of all the Bonds proposed to be issued and exemption of interest thereon from federal income taxation under the Internal Revenue Code, which opinion shall cover generally all of the Bonds and shall be specific, final and unqualified as to the Bonds then being delivered. If the text of the approving opinion shall be printed on the Bonds, the manually signed opinion shall substantially conform to the opinion as printed.

(g) The Certified Resolution, affidavit or affidavits, Opinion of Counsel, and Certificates of Authorized Institution Representative specified in Section 4.02 hereof.

(h) An appraisal by a recognized appraiser, bearing the MAI designation or similar qualifications satisfactory to the Authority, expressing an opinion as of a date not more than 90 days prior to the date of Bond delivery, as to the fair market value of the Project buildings and the site thereof, together with a Certificate of an Authorized Institution Representative showing the depreciated cost value of the Leased Equipment, which shall aggregate not less than the principal amount of the Bonds.

(i) A Certificate of an Authorized Institution Representative that the Project (including the site thereof and the Leased Equipment) is in good condition and repair and is being utilized by the Institution as educational facilities eligible to be a "project" under the Act.

Section 2.10 Authorization of Additional Bonds. In addition to the Bonds above described, the Authority, with the consent of the holders of at least sixty-five percent of the outstanding Bonds under Section 11.04 hereof, may issue Additional Bonds to provide funds for improvements to or alterations, repairs or replacement of Project facilities, provided no such Additional Bonds shall be issued under this Indenture or shall be secured by the Trust Estate on a parity with the Bonds then outstanding unless the interest on the outstanding Bonds and the Additional Bonds shall be exempt from income taxation under Section 103 of the Internal Revenue Code and the Trustee shall

have been furnished an Opinion of Counsel who is recognized bond counsel to such effect. Any such Additional Bonds shall be authorized by resolution of the Authority and described in a Supplemental Indenture executed by the Authority and the Trustee and which, when so issued, authorized and described, shall be secured by this Indenture and the Trust Estate, including the Project and the pledge of Project Net Revenues, on a parity with the Bonds above described. The Trustee shall not authenticate any such Additional Bonds until there is delivered to the Trustee a Certified Resolution of the Authority authorizing the Additional Bonds, executed counterparts of an amendment to the Lease providing for the additional base rentals and related provisions to provide for the payment of the Additional Bonds and additional Project cost, an executed amendment to any title insurance policy increasing the amount thereof by the amount of the Additional Bonds, a Certificate of an Authorized Institution Representative as to letting and execution of all construction contracts and availability of funds, and further documents described in paragraphs (c), (d) and (f) of Section 2.09.

ARTICLE III

Redemption of Bonds

Section 3.01 Redemption of Bonds. The Bonds shall be subject to redemption, prior to maturity and at the option of the Authority as follows:

Bonds maturing on or before April 1, 1987 are noncallable, except to the extent and in the circumstances provided in Section 7.19 or 10.02 of the Lease or as provided in Section 6.15 hereof. Bonds maturing April 1, 1988 through April 1, 1991, inclusive, may be called at the option of the Authority prior to the stated maturities thereof, in whole or in part and in inverse chronological and numerical order, on any interest payment date on or after April 1, 1987 upon at least thirty days' prior notice, at the principal amount thereof, plus accrued interest to the date of redemption. All Bonds are subject to redemption at par and accrued interest on any interest payment date, as a whole but not in part, (i) in case of damage, destruction or taking of the Project to the extent provided in Section 6.15 hereof or (ii) in case of the Institution's exercise of its option to purchase pursuant to Section 10.02 of the Lease, or (iii) in case interest on the Bonds shall be determined to be includable in the gross income of the holders of the Bonds as provided in Section 7.19 of the Lease.

Notice of any such redemption shall be published in a financial journal at least once, or shall be mailed, not more than sixty days nor less than thirty days before the date fixed for such payment in the form provided by Section 3.02 and in the manner and to the extent required by Section 3.03. Prior to the date fixed for redemption, funds shall be deposited with the Trustee sufficient to pay the Bonds called and accrued interest thereon, plus any premium required. Upon the happening of the above conditions, any Bonds thus called shall not bear interest after the call date, and, except for the purpose of payment by application of the funds so deposited, shall no longer be protected by the Indenture.

Section 3.02 Written Notice to Trustee. Written notice of the election of the Authority to redeem or prepay Bonds pursuant to this Article III shall be delivered by the Authority to the Trustee, and a copy to each other bank specified in the Bonds as a place of payment, not less than thirty days prior to the date to be fixed for redemption or prepayment. Such notice shall be signed by the Chairman or Vice Chairman of the Authority and shall be accompanied by a Certified Resolution or request of the Institution under the Lease to call for redemption the Bonds referred to in such notice. Such notice shall state the amount of redemption price to be paid on redemption or prepayment of the Bonds to be redeemed or prepaid, and, if less than all of the outstanding Bonds are to be redeemed, shall identify by serial numbers or years of maturity the Bonds to be redeemed or prepaid.

Section 3.03 Publication of Notice. Notice of intention to redeem (including, when only a portion of the Bonds is to be redeemed, the numbers of such Bonds, or the maturities thereof) shall be given by or on behalf of the Authority by publication at least once not less than thirty nor more than sixty days before the redemption date in a Financial Journal printed in the English language in Minneapolis or St. Paul, Minnesota, or in the City of New York, New York. A similar notice shall also be mailed by or on behalf of the Authority, not less than thirty days nor more than sixty days before the redemption date by certified or registered mail, to the registered owners of any Bonds registered as to principal or as to principal and interest which are to be redeemed, at their last addresses appearing upon the registry books of the Authority kept at the office of the Trustee; but if notice of redemption be duly published such mailing shall not be a condition precedent to such redemption, and failure so to mail such notice shall not affect the validity of the proceedings for the redemption of such Bonds. In the event that all of the Bonds being redeemed shall be registered as to principal, or as to principal and interest, such notice of intention to redeem need not be published but shall be deemed to have been sufficiently given if mailed by certified or registered mail to each registered owner of the Bonds at the address of such registered owner as the same shall appear upon the bond register maintained by the Trustee. No notice of redemption need be given if the holders of all Bonds called for redemption waive notice thereof in writing and such waiver is filed with the Trustee.

Section 3.04 Deposit for Redemption. At the time of delivery of its written notice to the Trustee of its intention to redeem Bonds, as provided in Section 3.02, the Authority shall deposit with the Trustee in cash, or shall make arrangements satisfactory to the Trustee for the deposit on or prior to the redemption date, an aggregate amount which shall be sufficient to pay the redemption price on the Bonds to be redeemed, and interest thereon to the redemption date; and shall deposit, or make arrangements with the Trustee to deposit, with the Trustee a sum sufficient to pay the proper expenses and charges of the Trustee in connection with such redemption. Upon deposit by the Authority with the Trustee of the aggregate amount of such redemption price and interest, such moneys shall be set aside by the Trustee and held by it for the account of the respective holders or owners of the Bonds being redeemed.

Section 3.05 Payment of Redeemed Bonds. After notice of redemption shall have been given as provided in Section 3.03, the Bonds specified in such notice shall become due and payable on the redemption date. Payment of the redemption price and interest shall be made to the bearer of such Bonds, unless they shall then be registered in which case such payment shall be made to or upon order of the registered owner, upon the surrender of the Bonds together with any unmatured coupons appertaining thereto. Such payment shall not include any installment of interest maturing on or prior to the redemption date represented by a coupon, but such

interest installment shall continue to be payable to the bearer of such coupon in the usual manner and the notice of redemption herein provided for may so state. If redemption moneys are available for the payment of all of the Bonds called for redemption on the redemption date, the Bonds so called shall cease to draw interest after the redemption date, and any appurtenant coupons maturing subsequent thereto shall be void, and such Bonds shall not be deemed to be outstanding hereunder for any purpose, except that the holders thereof, on presentation, as herein provided, shall be entitled to receive payment of the redemption price and interest accrued thereon to the redemption date from the moneys set aside by the Trustee as aforesaid.

Section 3.06 Cancellation of Redeemed Bonds. All Bonds so redeemed, together with all coupons, if any, appertaining thereto, shall forthwith be cancelled and destroyed by the Trustee and a certificate of destruction furnished to the Authority; and no further Bonds shall be executed or authenticated or issued hereunder in exchange or substitution therefor.

(c) A Certificate of an Authorized Institution Representative as to any unpaid fees and expenses respecting the Outstanding Project Debt, in connection with the redemption or otherwise, and the amount of funds (other than proceeds of the Project Bonds) required, if any, to provide for full payment of the Outstanding Project Debt and any other obligations of the Institution which are part of the same issue or series as the Outstanding Project Debt, premium thereon (if any) and accrued interest thereon and showing the deposit of such additional funds (if any) with the paying agent or trustee for the Outstanding Project Debt or, in case of other obligations, showing the extension or refinancing thereof.

(d) A Certificate of an Authorized Institution Representative, in reasonable detail, showing the original costs of the Project, including costs of construction of the Building, acquisition of or removal of encumbrances on the Project site, and acquisition of the Leased Equipment, as such Project costs are defined in Section 4.03 hereof.

Section 4.03 Definition of Project Costs. For purposes of the Agreement, the Lease and this Indenture, the following costs incurred for the following purposes shall be considered Project costs:

(a) Obligations incurred for labor and to contractors, builders and materialmen in connection with the construction of the Project, including all necessary construction, acquisition, demolition, alteration, enlargement, reconstruction, and remodeling and obligations for machinery, materials and equipment therefor;

(b) Payments made by the Institution to acquire land and interests in land, and to remove encumbrances on land, in connection with and specifically for the site of the Project, and site improvements required for the construction or operation of the Project;

(c) Interest accruing upon the Original Project Debt during the construction of the Project and interest accruing upon interim financing incident to the construction of the Project before the Original Project Debt was delivered to the purchaser or purchasers;

(d) The cost or allocable share of cost of any indemnity and surety bonds during construction, taxes or other municipal or governmental charges levied or assessed during construction upon the Project or any property acquired therefor, and the premiums for insurance, if any, in connection with the Project during construction;

(e) Costs of acquisition and installation of Leased Equipment;

(f) Fees and expenses of engineers and architects for surveys and estimates and other preliminary investigations, preparation of plans, drawings and specifications, and supervising construction, as well as for the performance of all other duties of engineers and architects in relation to the construction of the Project or the issuance of the Original Project Debt;

(g) Expenses of administration, supervision and inspection properly chargeable to the Project, administrative fees of the Authority, legal expenses and fees, fiscal consultants charges, cost of audits and of preparing, offering and issuing the Original Project Debt, abstracts of title, title reports or opinions, deed taxes, mortgage registry taxes, recording fees, title insurance premiums and initial fees of the trustee, incident to the construction and financing of the Project; and

(h) Any other obligation or expense heretofore or hereafter incurred by the Authority or the Institution in connection with the construction of the Project defined as and constituting a proper Project cost under the Act and approved by the Authorized Authority Representative and, if the Lease is in effect, the Authorized Institution Representative.

Section 4.04 Obligation of the Parties to Cooperate in Furnishing Documents to Trustee. The Authority and the Institution have agreed to cooperate in furnishing to the Trustee the documents referred to in Section 4.02 hereof that are required to effect payments out of the Refunding Account, and to cause such orders to be directed by the Authorized Authority Representative and the Authorized Institution Representative to the Trustee as may be necessary to effect payments out of the Refunding Account in accordance with Section 4.02 hereof. Such obligation is subject to any provision of the Lease or this Indenture requiring additional documentation with respect to payments and shall not extend beyond the moneys in the Refunding Account available for payment under the terms of this Indenture.

Section 4.05 Institution Required to Pay Outstanding Project Debt in Event Refunding Account Insufficient. In the event the moneys in the Refunding Account available for payment of the Outstanding Project Debt (including any premium and interest) and the costs of redemption should not be sufficient to pay the same in full, the Institution has agreed, for the benefit of the Authority, to complete the redemption and to deposit into the Refunding Account such amounts as are necessary and sufficient for payment of the balance required. The Authority does not make any warranty, either express or implied, that the moneys, which will be paid into the Refunding Account and which under the provisions of this Lease will be available for payment of the costs of the redemption, will be sufficient to pay all the Outstanding Project Debt or costs which will be incurred in

that connection or that Additional Bonds can or will be issued and sold to provide financing for such excess costs. Nothing in this Indenture, the Lease, the Agreement or any other document shall be construed as an assumption by the Authority or an agreement by the Authority to pay the Outstanding Project Debt, or any premium or interest thereon, or as an assumption by the Authority of any covenant or term in any instrument securing the Outstanding Project Debt.

Section 4.06 Application of Balance in Refunding Account.

When the Outstanding Project Debt shall have been redeemed and shall no longer be outstanding, and all fees and expenses payable from the Refunding Account shall have been paid, any sums remaining in the Refunding Account shall be used, first, to return to the Institution such amounts (if any) as it may have paid on the Outstanding Project Debt, premium thereon (if any) or interest after the date of this Indenture from sources other than the proceeds of the Bonds and shall be used, second, for deposits in the Bond and Interest Sinking Fund Account or the Debt Service Reserve Account, or to the extent not required to establish the maximum reserves in said Accounts, then in the Redemption Account to be used by the Trustee at the direction of the Institution for the purchase of any Bonds (whether or not redeemable by call) in the open market for the purpose of cancellation, at prices not exceeding the redemption price applicable to any Bonds on the earliest date for redemption; provided that amounts approved by the Authorized Authority Representative and the Authorized Institution Representative shall be retained by the Trustee in the Refunding Account for payment of Outstanding Project Debt not presented for payment on the date of redemption.

Section 4.07 Investment of Refunding Account Moneys

Permitted. The moneys on deposit in the Refunding Account shall at the written request of the Authorized Institution Representative be invested or reinvested by the Trustee in: (i) Any bonds or other obligations which as to principal and interest constitute direct obligations of the United States of America, and (ii) certificates of deposit or time deposit obligations of banks or trust companies, including the Trustee, secured by direct obligations of the United States of America, and (iii) securities issued by the agencies of the United States described in Section 5.06 hereof. Any such investment shall be payable in such amounts and at such times not later than the time or times when such moneys will be needed to pay the Outstanding Project Debt, the premium thereon (if any) and accrued interest on the first next available date on which the Outstanding Project Debt may be redeemed or (if earlier) paid. The type, amount and maturity of such investments shall be as specified by the Authorized Institution Representative. The deposit of any moneys in the Refunding Account may be evidenced by certificates of deposit of the Trustee, as specified by the Authorized Institution Representative. Any such investment made by the Trustee may be purchased from the Trustee. The Institution covenants that that portion of the Refunding Account representing proceeds of said Project Bonds shall be directed to be invested and deposited only for a temporary period pending the need for expenditure to redeem the Outstanding Project Debt, and it

further covenants that said portion representing said proceeds shall not be directed to be invested or used in such manner that any of the Bonds would be "arbitrage bonds" for purposes of Section 103(d)(1) of the Internal Revenue Code of 1954.

ARTICLE V

Disposition of Pledged Revenues

Section 5.01 Revenue Fund Account. The Authority will establish, and will maintain with the Trustee, so long as any of the Bonds shall be outstanding, an account to be designated "Refunding Series 1976-1 (College of Saint Teresa) Revenue Fund Account" (herein called the "Revenue Fund Account") separate and apart from all other funds and accounts of the Authority and Institution. There shall be deposited to the credit of the Revenue Fund Account promptly when received all cash and cash items received as (or as proceeds of accounts, contract rights, general intangibles or instruments which are, give rise to, or evidence) rentals (including Base Rent but not Additional Rent under the Lease), charges, and other income and revenue arising from the operation or ownership of the Project (herein called "Revenues and Income"). In the event that any check or other cash item represents payment for charges in addition to Project Revenues and Income, such check or other item may be deposited in a general checking or clearing account of the Authority provided that the portion thereof representing such Revenues and Income is forthwith deposited into the Revenue Fund Account, and unless the payor otherwise designates, if any such check or other item is received as partial payment, not less than a pro rata share thereof shall be deemed the portion representing such Revenues and Income. All such Revenues and Income shall be held as trust funds in the Revenue Fund Account and shall be expended and used by the Authority and the Trustee only for the purposes and in the manner and order hereinafter provided:

- First: To the Bond and Interest Sinking Fund Account for payment of principal of and interest on the Bonds; and
- Second: To the Operation and Maintenance Account for payment of Current Expenses of the Project to the extent permitted by Section 5.03 hereof; and
- Third: To the Debt Service Reserve Account to the extent required by Section 5.04 hereof; and
- Fourth: To the Redemption Account for the uses stated in Section 5.05 hereof.

Section 5.02 Bond and Interest Sinking Fund Account. The Authority covenants that it will establish and maintain, so long as any of the Bonds are outstanding, with the Trustee a separate account to be designated "Refunding Series 1976-1 (College of Saint Teresa) Bond and Interest Sinking Fund Account" (herein called the "Bond and Interest Sinking Fund Account") into which the Authority and Trustee shall make the following deposits:

(a) All accrued interest received from the sale of the Bonds shall be deposited promptly when received, which sum shall be credited against the amount to be deposited into the Bond and Interest Sinking Fund Account on or before the next interest payment date.

(b) Such additional proceeds of the Bonds, if any, as is provided in the Resolution for a capitalized interest reserve shall be deposited promptly when received.

(c) After the Bonds have been delivered and at least five business days before each semiannual interest payment date, March 26 and September 25 as the case may be, before April 1 and October 1 of each year, the Authority and Trustee shall deposit in the Bond and Interest Sinking Fund Account so much of Revenues and Income from the Revenue Fund Account as may be necessary and sufficient to meet the interest on the outstanding Bonds due on the next interest payment date and one-half of the principal due on the Bonds within the succeeding twelve months.

Such transfers and payments shall be made at least semiannually before each semiannual interest payment date, but the Authority and Trustee may make, and by the Lease the College has covenanted to make in the name of the Authority, the necessary payments from time to time prior to the end of the then current semiannual accounting period ending on April 1 and October 1. The moneys and investments in the Bond and Interest Sinking Fund Account are irrevocably pledged to and shall be used by the Trustee, from time to time, to the extent required, for the payment of principal of and interest on the Bonds as and when such principal and interest shall become due and payable and for that purpose only, subject to the provisions of Section 6.15 hereof.

Section 5.03 Operation and Maintenance Account. The Authority covenants that it will establish and maintain, so long as any of the Bonds are outstanding, an account to be designated "Refunding Series 1976-1 (College of Saint Teresa) Operation and Maintenance Account" (herein called the "Operation and Maintenance Account") with the Trustee separate and apart from all other funds and accounts of the Authority and Institution. So long as the Institution shall pay the Base Rent and perform all other covenants imposed on it by the Lease, no moneys and investments in the Revenue Fund Account shall be deposited in the Operation and Maintenance Account. If the Institution shall default in any of its obligations under the Lease and if, as a result thereof, the Authority or the Trustee shall take possession of the Project, the Authority and Trustee shall deposit monthly into the Operation and Maintenance Account from Revenues and Income of the Project in the Revenue Fund Account not required to be deposited in the Bond and Interest Sinking Fund Account, such a sum as is necessary and sufficient (with funds previously so deposited) to pay the Current Expenses of operation and maintenance of the Project for the then current month and the

next succeeding month. If the Institution shall be in default under the Lease but shall nevertheless remain in possession of the Project, the Authority shall have the right but shall not be required to deposit and direct the Trustee to deposit moneys into the Operation and Maintenance Account from the Revenue Fund Account not required to be deposited in the Bond and Interest Sinking Fund Account in an amount estimated to be sufficient to pay Current Expenses of operation and maintenance of the Project for the current month and next succeeding month. "Current Expenses" of operation and maintenance shall mean and include those and only those necessary current operating expenses, maintenance charges, expenses of reasonable upkeep and repair, the cost of insurance premiums allocable to the Project, and all other increases of cash expenditures of the Authority incident to and necessarily incurred by reason of the operation of the Project, but shall not include depreciation or general administrative expenses of the Authority or Institution; the term "general administrative expenses" as used herein includes the expenses of central utilities owned by the Institution and public utility services furnished to the Institution and not separately metered, and janitorial, supervisory and other personnel services and materials employed or obtained and budgeted by the Institution for its general operation and maintenance and not specifically for the Project. Moneys in the Operation and Maintenance Account shall not be used to pay Current Expenses incurred by the Institution so long as the Institution remains in possession of the Project.

Section 5.04 Debt Service Reserve Account. The Authority covenants that it will establish and maintain with the Trustee, so long as any of the Bonds are outstanding, an account to be designated "Refunding Series 1976-1 (College of Saint Teresa) Debt Service Reserve Account" (herein called the "Debt Service Reserve Account"), into which the Authority and Trustee shall make the following deposits: (a) Such amount of the proceeds of the Bonds, if any, as shall be provided in the Resolution shall be deposited promptly when received. (b) After the Bonds have been delivered, the Authority and Trustee shall deposit into the Debt Service Reserve Account on or prior to March 26 and September 25 each year all Revenues and Income in the Revenue Fund Account not deposited or required to be deposited in the Bond and Interest Sinking Fund Account and the Operation and Maintenance Account until the funds and investments on deposit in the Debt Service Reserve Account are at least One Hundred Sixty Thousand Dollars (\$160,000).

The funds and investments in the Debt Service Reserve Account are irrevocably pledged to and shall be used by the Trustee, from time to time, as may be required, for the payment of principal of and interest on the Bonds as and when such principal and interest shall become due and payable and for that purpose only, subject to the provisions of Section 6.15 hereof.

Section 5.05 Redemption Account. Subject to making of the foregoing maximum deposits and payments, Revenues and Income of the Project and balances in the Revenue Fund Account not required to be deposited in the Bond and Interest Sinking Fund Account, the

Operation and Maintenance Account, or the Debt Service Reserve Account shall be deposited in an account which the Authority shall maintain with the Trustee, to be designated "Refunding Series 1976-1 (College of Saint Teresa) Redemption Account" (herein called the "Redemption Account"), from the Revenue Fund Account at or before the close of each Fiscal Year. In addition to such Revenues and Income, all other funds received by the Authority or the Trustee pursuant to the provisions of the Lease or as owner or mortgagee of the Project or any part thereof shall be deposited in the Redemption Account, including without limitation proceeds from the sale of the Project to the Institution, proceeds from the sale of Leased Equipment, excess proceeds of insurance on the Project or Leased Equipment, and excess proceeds of any taking or condemnation under the power of eminent domain. Moneys and investments in the Redemption Account shall be used by the Authority and the Trustee for the purposes and in the manner and order hereinafter provided:

- First: To create and maintain the required balance in the Bond and Interest Sinking Fund Account;
- Second: To create and maintain the required reserve in the Debt Service Reserve Account;
- Third: To redeem or prepay outstanding Bonds on the next interest payment date, in inverse numerical or chronological order, or purchase of outstanding Bonds at purchase prices not exceeding the redemption price applicable on the next interest payment date on which the Bonds are redeemable.

Section 5.06 Investment of Funds. Moneys on deposit to the credit of the Bond and Interest Sinking Fund Account, the Debt Service Reserve Account, or the Redemption Account shall, upon request of the Authorized Institution Representative or, if the Lease is not in effect, of the Authority, be invested by the Trustee in (i) direct obligations of or obligations fully guaranteed by the United States of America, or (ii) time deposits of or certificates of deposit issued by a bank or trust company (including the Trustee) having a combined capital and surplus of at least \$10,000,000 or (iii) securities issued by the following agencies of the United States: Federal Home Loan Banks, Federal Intermediate Credit Banks, Federal Land Banks, Banks for Cooperatives and Federal National Mortgage Association. Obligations so purchased shall be deemed at all times to be a part of the respective Account, but may from time to time be sold or otherwise converted into cash, whereupon the proceeds derived from such sale or conversion shall be credited to such Account. Any interest and income accruing on and any profit realized from such investment shall be credited to such Account and against Base Rent and the amounts to be deposited by the Institution under the Lease therefor, if the Lease is in effect, otherwise to the Revenue Fund Account to be used as provided in Section 5.01. Any such interest or other investment income or profit not credited to Base Rent and deposits therefor under the

Lease shall be used as promptly as possible and in integral multiples of \$5,000 for the redemption of the Bonds on the next redemption date or for the purchase of Bonds at prices not exceeding the next applicable redemption price as provided in Section 5.05; it being intended that interest, income and profit shall not be permitted to accumulate but shall be used to provide debt service on the Bonds or for the prior redemption or retirement of the Bonds. The investment of such funds shall be valued according to the current market value as of June 30 of the then current year, or December 31 of the immediately preceding calendar year, or the date of issuance of such securities, whichever is latest. Any such investment made by the Trustee may be purchased from the Trustee. The Trustee shall redeem or sell, at the best price obtainable, any obligations so purchased, whenever it shall be necessary to do so in order to provide moneys to meet any payment from the respective Account. Neither the Trustee nor the Authority shall be liable for any loss resulting from any such investment, nor from failure to preserve rights against endorsers or other prior parties to instruments evidencing any such investment. Investment of funds pursuant to this Section shall be limited as to amount and yield of investment in such manner that no part of the outstanding Bonds shall be deemed "arbitrage bonds" under Section 103(d) of the Internal Revenue Code of 1954 and regulations thereunder.

Section 5.07 General Bond Reserve Account. The Authority covenants with the Trustee and with the holders of the Bonds and coupons, if any, that it will maintain the General Bond Reserve Account and apply the moneys and investments therein in accordance with the Resolution. The Authority pledges, and grants a security interest to the Trustee and the holders of the Bonds and coupons in, the moneys and investments in the General Bond Reserve Account in accordance with and subject to the provisions of the Resolution. Neither the Trustee nor the holders of the Bonds or coupons shall have any right to possession of the funds or investments of the General Bond Reserve Account or to direct the investment or reinvestment thereof or to sell or foreclose on the security interest and pledge hereby granted except to enforce application of the moneys and investments in the General Bond Reserve Account ratably to the Bonds and coupons and other obligations and interest thereon, if any, secured or which may hereafter be secured by the General Bond Reserve Account in accordance with the Resolution. Without limiting the foregoing or the terms of the Resolution, all moneys and investments in the Revenue Fund Account, the Bond and Interest Sinking Fund Account, the Debt Service Reserve Account, and the Redemption Account shall be applied to the payment of the Bonds and interest thereon before any funds or investments in the General Bond Reserve Account shall be required or used to pay principal of or interest on the Bonds, and the determination of the Authority of all questions relating to the availability and application of funds and investments of the General Bond Reserve Account shall be binding on the Trustee and the holders of the Bonds and coupons, if any. All payments by the Authority to the Trustee from the General Bond Reserve Account shall be promptly applied by the Trustee to the payment of principal of and interest due on the Bonds, and to the extent not so applied

shall be returned to the Authority. All collections of Base Rent and other moneys received from the Institution (except Additional Rent paid to the Trustee under Section 4.03(b) of the Lease) after any payment by the Authority to the Trustee from the General Bond Reserve Account shall be applied, first, to create or restore the required balance in the Bond and Interest Sinking Fund Account (including the payment of any principal of or interest on the Bonds then due or to become due) and, second, to reimburse the Authority and the General Bond Reserve Account for the payment so made and, third, to restore the required reserve in the Debt Service Reserve Account.

ARTICLE VI

Particular Covenants of the Authority

The Authority covenants and agrees that:

Section 6.01 Payment of Bonds. It will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture and the Resolution and in each and every Bond executed, authenticated and delivered hereunder; will pay from the Revenues and Income of the Project the principal of and interest on every Bond issued hereunder on the dates, at the places and in the manner prescribed in the Bonds in any coin or currency which, on the respective dates of payment of such principal and interest, is legal tender for the payment of public and private debts; and will cause such Revenues and Income to be deposited with the Trustee prior to the due date of each installment of principal and interest and prior to the maturity of any Bond or coupon in amounts sufficient to pay such installment, Bond or coupon to the end that the Trustee may cause to be placed in any other bank of payment specified herein and in the Bonds, on time, money required for payment of principal or interest or both; provided, however, that the principal of and interest on any Bond is not and shall not be deemed to represent a debt or pledge the faith or credit of the State of Minnesota or grant to the holder of any Bond or coupon any right to have the State of Minnesota levy any taxes or appropriate any funds to the payment of principal of or interest on the Bonds, such payment to be made solely and only out of the Revenues and Income to be produced and received from the operation of the Project and the reserve accounts pledged to payment of the Bonds.

Section 6.02 Extensions of Payments of Bonds and Coupons. It shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds, or the time of payment of any of the coupons or claims for interest by the purchase or refunding of such Bonds, coupons or claims for interest or by any other arrangement; and in case the maturity of any of the Bonds, or the time for payment of any such coupons or claims for interest shall be extended, such Bonds, coupons or claims for interest shall not be entitled in case of any default hereunder to the benefit of the Indenture or to any payment out of any assets of the Authority or the funds (except funds held in trust by the Trustee for the payment of particular Bonds, coupons or claims for interest pursuant to this Indenture) held by the Trustee except subject to the prior payment of the principal of all Bonds issued and outstanding hereunder, the maturity of which Bonds or principal installments has not been extended, and of such portion of the accrued interest on the Bonds as shall not be represented by such extended coupons or claims for interest. Nothing in this section shall, however, be deemed to limit the right of the Authority to fund or refund at one time all of such Bonds, coupons and claims for interest.

Section 6.03 Authority of the Authority. It is duly authorized under the Constitution and Laws of the State of Minnesota to acquire and provide funds to refinance the Project, to create and issue the Bonds, to execute this Indenture and assign and pledge to the Trustee the Trust Estate, including the Net Revenues of the Project, and to make the covenants as herein provided. All necessary action and proceedings on its part to be taken for the creation and issuance of the Bonds and the execution and delivery of this Indenture have been duly and effectively taken and the Bonds in the hands of the holders and owners thereof are and will be valid and enforceable special obligations of the Authority in accordance with their terms.

Section 6.04 Title and Possession. It is lawfully possessed of the Project and the site thereof and has the full management and control of the Project and the site thereof, subject only to the provisions of the Act, the Agreement and the Lease. Title to the Project and the site thereof described in Granting Clause I of this Indenture is vested in the Authority in fee simple, free from all liens, defects and encumbrances except for the Agreement and Permitted Encumbrances. There is no pledge of or lien or charge upon any revenues or income of the Project other than the pledge and lien granted or assigned to the Trustee by this Indenture.

Section 6.05 Payment of Lawful Charges. It will, from time to time and before the same become delinquent, pay or cause the Institution to pay and discharge all taxes, assessments, governmental charges and claims for rent, royalties, labor, materials or supplies which if unpaid might by law become a lien or charge upon the Project, the site thereof, or the revenues and income therefrom superior to, or which might interfere with, the pledge of and lien on the Trust Estate, including the Net Revenues of the Project, and covenants and security granted hereby; provided, however, that no such tax, assessment, charge or claim shall be required to be paid if the Authority shall not have funds legally available therefor or so long as the Authority or Institution shall in good faith contest the validity thereof and provide security satisfactory to the Trustee against enforcement and for payment thereof.

Section 6.06 To Operate and Furnish the Project. It will maintain and operate the Project at the Institution upon the tract of land described in Granting Clause I hereof and will provide or cause the Institution to provide, from funds in addition to the proceeds from the sale of the Bonds and from sources which will not jeopardize the security of the Bonds, for furnishings and equipment necessary to the full enjoyment and use and occupancy of the Project.

Section 6.07 To Maintain the Project. It will not do or suffer to be done any act or thing whereby the Project might or could be encumbered or the usefulness thereof impaired, and will at all times cause the Project and the furnishings, equipment, and site thereof to be maintained, preserved and kept in good condition, repair and working order and from time to time cause to be made, from funds legally available therefor, all necessary renewals, repairs, replacements and alterations.

Section 6.08 Concerning the Lease and Project Facilities. It will not modify or amend or consent to modification or amendment of the provisions of the Lease without the consent and approval of the Trustee which may, in its discretion, grant such approval without the consent of the holders of the outstanding Bonds and shall grant such approval upon the consent or direction in writing of the holders of sixty-five per centum (65%) in aggregate principal amount of the outstanding Bonds except as to matters which the Trustee shall determine will adversely affect its own rights and interests. The Authority shall take such action or cause and permit the Trustee to take such action as may be necessary or advisable to enforce the covenants, terms and conditions of the Lease, including the exercise of any right of reentry of the Project or termination of the Institution's rights as tenant under the Lease if such action shall, in its discretion, be deemed to be in the best interests of the Authority or the Bondholders. The Authority shall do or cause to be done all things on its part as Lessor under the Lease so that the obligations of the Institution thereunder shall not be impaired or excused. If the Lease shall terminate, the Authority shall use its best efforts to operate the Project or again to lease the Project to some nonprofit institution of higher education for the purposes and in accordance with the requirements of the Act.

Section 6.09 Not to Sell, Encumber or Pledge. Except for the Lease or pursuant to the provisions of the Agreement and Lease, or pursuant to the provisions of Section 6.08 hereof, it will not sell or encumber the Project or the site thereof, or permit the same to be sold or encumbered except for Permitted Encumbrances; will not pledge or assign the Revenues and Income of the Project or any part thereof, or permit the assignment or pledge thereof, if the pledge or assignment might be or become a charge or lien on the Revenues and Income of the Project prior or equal to the pledge and lien herein provided for the security of the Bonds (except as provided in Section 2.10 hereof) or if such pledge or assignment might interfere with the pledge and lien herein provided. Whenever the Authority deems it necessary to dispose of any of the Leased Equipment, it may sell or otherwise dispose of such Leased Equipment when it or the Institution has made arrangements to replace the same or otherwise as provided in the Lease.

Section 6.10 To Observe Regulations. It will well and truly keep, observe and perform all obligations and regulations lawfully imposed upon it by law, contract or otherwise as a condition of continued enjoyment of its rights, privileges and franchises, or title to the Project.

Section 6.11 To Establish Rental Rates and Regulations. It will establish and maintain, so long as any of the Bonds are outstanding, such regulations, rental rates and charges for the use of the Project facilities as may be necessary:

(1) To assure maximum occupancy and use of the Project;
and

(2) To provide for (a) debt service on the Bonds, (b) Current Expenses of the Project, (c) the required reserve for Current Expenses, and (d) the Debt Service Reserve; and

(3) To assure that the Institution shall be nonsectarian and shall not use the Project for sectarian purposes and shall not teach the distinctive doctrines, creeds or tenets of any particular sect; and

(4) To assure that the Institution shall not discriminate on the grounds of race or religion in the admission of students or the use of the Project and shall comply with the Minnesota State Act Against Discrimination, including Section 363.03, Subd. 5 thereof, and other applicable law.

By approving the Agreement, the Authority has approved the initial rental rates and charges for the Project, and has estimated that Revenues and Income of the Project (including for this purpose the obligations of the Lessee under the Lease) will be sufficient to pay all Current Expenses of the Project and provide for debt service on the Bonds and the required reserve therefor, but the covenants herein provided shall be continuing and the Authority by modification of the Lease or otherwise shall increase the rental rates and charges of the Project from time to time as necessary to provide for debt service on the Bonds, the required reserve therefor and Current Expenses of the Project.

Section 6.12 Insurance on Completed Project. The Authority will procure and maintain insurance coverage as follows:

(a) Fire and Extended Coverage. The Authority shall, if such insurance is not already in force, procure and maintain, or cause to be procured and maintained Fire and Extended Coverage Insurance on the Project. The foregoing Fire and Extended Coverage Insurance shall be maintained so long as any of the Bonds are outstanding and shall be in amounts sufficient to provide for not less than full recovery

whenever a loss from perils insured against does not exceed eighty per centum (80%) of the full insurable value of the damaged building. Each such insurance policy on the Project shall be acceptable to the Trustee as its interest may appear and shall be deposited with the Trustee. Alternatively, so long as the Lease is in effect, the Trustee may accept a blanket policy and a certificate of insurance as provided in the Lease.

(b) Boiler Insurance. The Authority shall, if such insurance is not already in force, procure and maintain, so long as any of the Bonds are outstanding, Boiler Insurance covering any boilers servicing the Project, in a minimum amount of \$50,000.

Section 6.13 [This Section intentionally omitted.]

Section 6.14 Concerning the Insurance Policies. In case of any default by the Authority or Institution in fulfilling the covenants with respect to maintaining any of the insurance policies required under Section 6.12 hereof or the Lease, the Trustee may, at its option, effect such insurance in the name of the Authority or Institution or in the name of the Trustee, and all money paid by the Authority, upon demand, with interest at the rate of eight per centum (8%) per annum and, if not so repaid, shall be secured by the lien of this Indenture in priority to the indebtedness evidenced by the Bonds issued hereunder.

Upon the happening of any loss or damage covered by any such policies from one or more of the causes to which reference is made in (a) of said Section 6.12 (except in the case of a loss resulting from damage to or destruction of property which amounts to less than \$100,000), the Authority shall make due proof of loss containing a power of attorney in favor of the Trustee to endorse all drafts drawn for the payment thereof to the order of the Trustee, and to sign receipts therefor, and shall do all things necessary or desirable to cause the insuring companies to make payments in full directly to the Trustee.

Section 6.15 Repairs and Reconstruction. In the event of any loss or damage to or destruction of the Project, or of any taking of less than all or substantially all the Project under the power of eminent domain, the Authority will promptly cause to be repaired, reconstructed or restored the damaged or destroyed portion thereof, and will apply net proceeds of the fire and extended coverage insurance policies covering such loss or of any condemnation award solely for that purpose. If net proceeds received by the Trustee by reason of any particular loss under the fire and extended coverage insurance policies or of any condemnation award shall not exceed \$100,000, such proceeds shall be paid over by the Trustee to or upon the order of the Authority upon its written request and shall

be applied, to the extent required, solely for the purpose of repairing, rebuilding or restoring the damaged or destroyed property. If the net proceeds received shall exceed \$100,000, such proceeds shall be deposited with and paid out by the Trustee, from time to time, to or upon the order of the Authority, but only upon receipt by the Trustee of (1) a written requisition of an Authorized Authority Representative and Authorized Institution Representative, specifying the expenditures made or indebtedness incurred in repairing or reconstructing the damaged or destroyed property, and that the proceeds of insurance or condemnation, together with any other moneys legally available for such purpose, will be sufficient to complete such repairing or reconstructing; and (2) if the holder or holders of not less than fifty-one per centum (51%) of the outstanding Bonds shall request, the written approval of said requisition by an engineer or architect named in said request.

In the event the net proceeds of insurance or condemnation, together with all other moneys legally available for such purpose, are insufficient to complete the repair, reconstruction or restoration of the damaged or destroyed property, said proceeds shall be deposited with and held by the Trustee as security for the Bonds and for the ratable benefit of the holders thereof; provided, however, that if an Authorized Authority Representative and Authorized Institution Representative shall request and the holders of not less than fifty-one per centum (51%) of the then outstanding Bonds shall so agree in writing, the Trustee shall permit to be applied to such repair, reconstruction or restoration (in the manner hereinabove specified) all securities or moneys in the Bond and Interest Sinking Fund Account, Debt Service Reserve Account, and Redemption Account held by it hereunder.

Any amounts held by the Trustee or by the Authority and remaining at the completion of, and payment for, such repair, reconstruction or restoration shall be deposited in the Bond and Interest Sinking Fund Account, Debt Service Reserve Account or Redemption Account, as appropriate, and applied in accordance with the provisions of Article V of this Indenture.

In the event the Institution pursuant to its rights under the Lease, or the Authority, shall not elect to repair, reconstruct or restore the damaged or destroyed property as above provided, or in the event title to all or substantially all the Project shall be taken under the power of eminent domain, it shall forthwith retire all of the outstanding Bonds and apply the insurance or condemnation proceeds for that purpose. In such event all of the Bonds shall be subject to redemption, and redemption shall be effected pursuant to the provisions of, in the manner, and with the effect provided in Article III of this Indenture.

Section 6.16 Further Assurances. It will execute or cause to be executed any and all further instruments that may reasonably be requested by the Trustee and be authorized by law

to perfect the pledge of and lien on the revenues and income of the Project granted in this Indenture, or intended so to be, or to vest in the Trustee the right to receive and apply the same to the payment or protection and security of the Bonds, and will cause this Indenture and any supplemental instrument to be filed, registered or recorded in any office provided by law and execute, deliver, file and record any financing statement pursuant to the Uniform Commercial Code if such filing, registration or recording shall be necessary or convenient to effect, protect or confirm the pledge and lien granted hereby. The Authority shall pay or cause the Institution to pay all recording, filing and registration taxes and fees, together with all expenses incidental to the preparation, execution, acknowledgment, filing, registering and recording of this Indenture, of any paper pursuant to the Uniform Commercial Code and of any instrument of further assurance, and all stamp taxes and other taxes, duties, imposts, assessments and charges lawfully imposed upon the Bonds or upon this Indenture.

Section 6.17 Proper Books and Records. So long as any of the Bonds issued hereunder shall remain outstanding and unpaid, the Authority shall keep proper books of account and records, in which full, true and correct entries will be made of all dealings and transactions relating to the ownership and operation of the Project. Such books and records shall be open to inspection by the Trustee, the Bondholders, and their agents and representatives. The Authority shall:

(1) From time to time furnish to the Trustee such data regarding the income, expense and property relating to the Project and the Institution as the Trustee shall reasonably request;

(2) On or before ninety days after the end of each Fiscal Year of the Institution, commencing with the Fiscal Year during which the Project shall have been completed, furnish to the Trustee and to any Bondholder who shall request the same in writing, a detailed report of audit prepared by an independent certified public accountant, reflecting in reasonable detail the financial condition and record of operation of the Institution and the Project, including particularly the Institution's enrollment, the occupancy and degree of use of and rates charged for the use of and the insurance on the Project. Such audit report shall include, in reasonable detail, a statement of the status of each fund or account established under the terms of this Indenture showing the amount and source of deposits therein, the amount and purpose of withdrawals therefrom and the balances therein at the beginning and end of the Fiscal Year; and

(3) Include with each report of audit referred to in (2) above, a written opinion of the auditor that, in making the examination necessary to said opinion, no knowledge of

any default by the Authority in the fulfillment of any of the terms, covenants or provisions of this Indenture or the Lease, or of any default by the Institution under the Lease, was obtained, or if such auditor shall have obtained knowledge of such default, he shall disclose in such statements the default or defaults thus discovered and the nature thereof.

Section 6.18 Maintain List of Bondholders. To the extent that such information shall be made known to the Authority under the terms of this Section, it will keep on file at the office of the Authority a list of names and addresses of the last known holders of all Bonds outstanding hereunder with the principal amount of Bonds believed to be held by each. Any Bondholder may require his name and address to be added to said list by filing a written request with the Authority or the Trustee, which request shall include a statement of the principal amount of such Bonds. The Trustee shall be under no responsibility with regard to the accuracy of said list. At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by a Bondholder or Bondholders owning ten per centum (10%) or more in principal amount of Bonds outstanding hereunder or by his or their authorized agent, such ownership and the authority of any such agent to be evidenced to the satisfaction of the Trustee.

Section 6.19 To Observe All Covenants and Terms. It will not issue or permit to be issued any Bonds hereunder in any manner other than in accordance with the provisions of this Indenture and the agreements in that behalf herein contained, and will not suffer or permit any default to occur under this Indenture, but will faithfully observe and perform all the conditions, covenants and requirements hereof. Under the Act, and it is expressly agreed that, the Authority has no obligation to make any advance or payment or incur any expense or liability from its general funds in performing any of the conditions, covenants or requirements of this Indenture, or from any funds other than Revenues and Income of the Project or Bond proceeds or (to the extent provided in the General Bond Resolution) from the General Bond Reserve Account; and the Authority shall incur no liability for failure to perform any such conditions, covenants and requirements hereof for lack of funds available therefor provided the Authority shall have furnished the Trustee a Certificate of an Authorized Authority Representative and an Opinion of Counsel to such effect, specifying the condition, covenant or requirement which the Authority is unable to perform.

Section 6.20 Against Discrimination. It will not discriminate in operating the Project, or in the use or occupancy of such Project, because of race, creed or national origin.

ARTICLE VII

Remedies on Default

Section 7.01 Events of Default. Each of the following events is hereby defined as, and is declared to be and to constitute, an "event of default":

(a) If payment of the principal of any of the Bonds, when the same shall become due and payable, whether at maturity or by proceedings for redemption (by declaration or otherwise), shall not be made; or

(b) If payment of any interest on the Bonds when the same shall become due and payable (in which case interest shall be payable to the extent permitted by law on any overdue installments of interest, in each case at the interest rate borne by the Bonds in respect of which such interest is overdue), or within thirty days thereafter, shall not be made; or

(c) If the Project shall be destroyed or damaged and shall not be promptly repaired, replaced or reconstructed (whether such failure promptly to repair, replace or reconstruct the same be due to impracticability of such repair, replacement or reconstruction or to lack of funds therefor, or for any other reason); or

(d) If the Authority shall default in the due and punctual performance of any of the covenants, conditions, agreements and provisions contained in the Bonds or in this Indenture, or in any Indenture supplemental hereto on the part of the Authority to be performed, and such default shall have continued for a period of sixty days after written notice, specifying such default and requiring the same to be remedied, shall have been given to the Authority and, if the Lease is in effect, to the Institution (giving the Institution the privilege of curing such default in the name of the Authority, if permitted by law) by the Trustee, which may give such notice in its discretion and shall give such notice upon written request of the holders of not less than twenty-five (25%) in principal amount of the Bonds then outstanding; or

(e) If any event of default on the part of the Institution as that term is defined in the Lease shall occur; or

(f) If a court of competent jurisdiction shall enter an order, judgment or decree appointing a receiver of the Authority or of the Project or Project Revenues and Income, or of the whole or any substantial part of the property under

the management of the Authority or the property at the Institution, or approving a petition filed against the Authority seeking reorganization of the Authority under any applicable law or statute of the United States of America or any State thereof, and such order, judgment or decree shall not be vacated or set aside or stayed within sixty days from the date of the entry thereof; or

(g) If, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the Authority or of the whole or any substantial part of its property, and such custody or control shall not be terminated within ninety days from the date of assumption of such custody or control.

Section 7.02 Acceleration of Maturity. Upon the occurrence of an event of default, the Trustee may, and upon written request of the holders of twenty-five per centum (25%) in aggregate principal amount of Bonds outstanding hereunder, shall, by notice in writing delivered to the Authority, declare the principal of all Bonds hereby secured then outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable subject, however, to the right of the holders of a majority in aggregate principal amount of Bonds then outstanding hereunder, by written notice to the Authority and to the Trustee, to annul such declaration and destroy its effect at any time if all covenants with respect to which default shall have been made shall be fully performed or made good, and all arrears of interest upon all Bonds outstanding hereunder and the reasonable expenses and charges of the Trustee, its agent and attorneys, and all other indebtedness secured hereby (except the principal of any Bonds which have not then attained their stated maturity and interest accrued on such Bonds since the last interest payment date) shall be paid, or the amount thereof shall be paid to the Trustee for the benefit of those entitled thereto.

Section 7.03 Enforcement of Covenants and Conditions. In the case of the breach of any of the covenants or conditions of this Indenture, the Trustee, anything herein contained to the contrary notwithstanding and without any request from any Bondholder (subject, however, to the provisions of Sections 8.06 and 8.07 hereof), shall be obligated to take such action or actions for the enforcement of its rights and the rights of the Bondholders and the rights of the Authority under the Lease as due diligence, prudence and care would require and to pursue the same with like diligence, prudence and care.

Upon the happening and continuance of an event of default, the Trustee may, and shall upon the written request of the holders of not less than twenty-five per centum (25%) in aggregate principal amount of outstanding Bonds, proceed forthwith by suit or suits at

law or in equity or by any other appropriate remedy to enforce payment of the Bonds, to enforce application to such payment of the funds, revenues and income appropriated thereto by this Indenture and by the Bonds, to foreclose this Indenture and sell the Trust Estate or any part thereof under the judgment or decree of a court of competent jurisdiction, and to enforce any such other appropriate legal or equitable remedy as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce any of its rights or any of the rights of the Bondholders. Notwithstanding the foregoing, the Trustee need not proceed upon any such written request of the Bondholders, as aforesaid, unless such Bondholders shall have offered to the Trustee security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby.

Section 7.04 Right of Trustee to Enter Project. If one or more of the events of default shall happen and be continuing, the Trustee may, with the consent of the Authority, pursuant to the request in writing by the owners of at least twenty-five per cent (25%) of the aggregate principal amount of Bonds outstanding hereunder, enter into and upon and take and hold possession of the Trust Estate, including the Project, or appoint a receiver therefor to use, manage and control the Trust Estate and conduct the business of the Authority with respect thereto in such manner as in its discretion it shall deem to be to the best advantage of the holders of the Bonds.

Section 7.05 Operations by Trustee. Upon every such entry the Trustee, from time to time and at the expense of the Trust Estate, either by purchase, repair or construction may maintain and restore and insure and keep insured the Trust Estate and make all necessary repairs, renewals, replacements, alterations, additions, betterments and improvements, as it may deem judicious. The Trustee, in case of such entry, shall have the right to manage the Trust Estate and to carry on the business of the Authority with respect thereto and to exercise all the rights and powers of the Authority either in the name of the Authority or otherwise, as the Trustee shall deem best, and shall be entitled to collect, take and receive all fees, earnings, income, rents, issues and profits of the Trust Estate.

After deducting the expenses of operating the Trust Estate and of conducting the business thereof, and of all repairs, maintenance, renewals, replacements, alterations, additions, betterments and improvements, and all payments or reserves that may be made or set up in the Trustee's discretion, for taxes, assessments, insurance and prior or other proper charges upon or in connection with the operation of the Trust Estate or any part thereof, as well as just and reasonable compensation for its own services and for the services of counsel, agents and employees by it properly engaged and employed, and after making reimbursement to itself for advances made pursuant

to the provisions of this Indenture with interest at the rate of eight per centum (8%) per annum on all such advances, the Trustee shall apply moneys received by it pursuant to this section, as follows:

- First: In case the principal of none of the Bonds shall have become due and remain unpaid, to the payment of interest in default in the order of the maturity thereof; such payments to be made ratably and proportionately to the persons entitled thereto without discrimination or preference.
- Second: In case the principal of any of the Bonds shall have become due by declaration or otherwise and remain unpaid, first to the payment of interest in default in the order of maturity thereof; and then to the payment of the principal of all Bonds then due and unpaid and the premium thereon, if any; in every instance such payment to be made ratably to the persons entitled thereto without discrimination or preference, except as provided in Section 6.02 hereof.

Upon the payment in full of whatever may be due for such principal or interest, or payable for other purposes, the Trust Estate (except any money and/or investments required to be held by the Trustee under any other section of this Indenture) shall be returned to the possession of the Authority, its successors or assigns, or to whosoever may be lawfully entitled thereto.

While in possession of such property, the Trustee shall render annually to the Bondholders, at their addresses as set forth on the list required by this Indenture, a summarized statement of income and expenditures in connection therewith.

Section 7.06 Appointment of a Receiver by Trustee. In case the Trustee shall enforce its rights and the rights of the Bondholders by a suit or suits in equity or at law, the Trustee shall be entitled, pending the outcome of such suit, subject to the approval of the court, to the appointment of a receiver of the Trust Estate, including the Project and the income therefrom, to the end that the security provided by this Indenture shall not be reduced and for the purpose of preventing waste. The Trustee or such receiver may receive the rents, issues and profits of the Trust Estate, including the Project, and apply the proceeds to the payment of taxes, assessments, charges and encumbrances on the Trust Estate, due or to become due; to the payment of premiums and charges of any kind or nature upon insurance maintained or covenanted to be maintained on the Trust Estate, due or to become due; to the making of necessary

repairs on the Trust Estate or the payment of the expenses or charges necessary to the preservation of the security of this Indenture or to the maintenance of the Trust Estate; and to the payment of interest, or principal and interest, due upon the Bonds as provided in Section 7.05.

Section 7.07 Public Auction of Properties. If one or more of the events of default shall happen and be continuing, the Trustee in its discretion may, and upon the written request of the holders of twenty-five per centum (25%) or more in principal amount of the Bonds then outstanding and upon being indemnified to its satisfaction therefor shall, apply to a court of competent jurisdiction for a judgment or judgments of foreclosure and, pursuant thereto, sell or cause to be sold to the highest and best bidder all and singular the Trust Estate (except any money then held by the Trustee under any provision of this Indenture) and all rights, title, interest, claim and demand therein and thereto of the Authority. Such sale shall be made at public auction and at such place or places and at such time or times and upon such notice as the Trustee may be advised by counsel to be consistent with the laws applicable thereto, and upon such terms as the Trustee or the public officer conducting such sale may fix.

Section 7.08 Bonds Due and Payable Upon Sale. Upon any sale being made under judgment or decree in any judicial proceedings for the foreclosure or otherwise for the enforcement of this Indenture, the principal of all Bonds then secured hereby, if not previously due, shall become due and be immediately due and payable.

Section 7.09 Manner of Sale. Any such sale made pursuant to judicial proceedings shall be made either as an entirety or in such parcels as may be directed by the court, or if the court shall not direct, such sale shall be made either as an entirety or in such parcels as the Trustee in its sole discretion may determine.

The Authority, for itself and all persons and corporations hereafter claiming through or under it, hereby (1) expressly waives and releases all right to have the properties and rights comprised in the Trust Estate marshaled upon any foreclosure or other enforcement hereof, and (2) agrees that the Trustee or public officer or any court in which the foreclosure of this Indenture or administration of the trusts hereby created is sought shall have the right as aforesaid to sell the entire property of every description comprised in or subject to the trusts created by this Indenture as a whole in a single parcel.

Section 7.10 Adjournment of Sale. The Trustee or public officer conducting such sale from time to time may adjourn any such sale to be made by it by announcement at the time and place appointed for such sale or for such adjourned sale or sales, and without further notice or publication it may make such sale at the time to which the same shall be so adjourned, but in the event of such adjournment or

adjournments, sale shall be made within any limitation of time or number of adjournments prescribed by law and, in any event, within six months from the date of sale fixed in the advertisement or Court order, unless notice of sale on some later date shall be given again in the manner provided by law.

Section 7.11 Bidding by Trustee or Bondholders. Upon any sale made under judgment or decree in any judicial proceedings for foreclosure or otherwise for the enforcement of this Indenture, the holder or holders of any Bond or Bonds outstanding hereunder, or the Trustee, may bid for and purchase the Trust Estate or any part thereof and upon compliance with the terms of sale may hold, retain and possess and dispose of such property in his, their or its own absolute right without further accountability, and any purchasers at any such sale may, in paying the purchase money, turn in any of such Bonds and coupons or claims for interest outstanding hereunder in lieu of cash to the amount which shall, upon distribution of the net proceeds of such sale, be payable thereon. Said Bonds and coupons, in case the amount so payable thereon shall be less than the amount due thereon, shall be returned to the holders thereof after being appropriately stamped to show partial payments.

Section 7.12 Delivery of Deed to Purchaser on Sale. Upon the completion of any sale or sales made under or by virtue of this Indenture, the Trustee shall execute and deliver, or cause to be executed and delivered, to the accepted purchaser or purchasers the property sold with good and sufficient transfers, assigning and transferring all its right, title and interest in and to the properties sold. The Trustee and its successor or successors are hereby appointed the true and lawful attorney or attorneys irrevocable of the Authority in its name and stead or in the name of the Trustee to make all necessary assignments, transfers and deliveries of the property thus sold, and for that purpose the Trustee and its successors may execute all necessary instruments of assignment and transfer, and may substitute one or more persons with like power, the Authority hereby ratifying and confirming all that said attorney or attorneys or such substitute or substitutes shall lawfully do by virtue hereof. Nevertheless, the Authority, if so requested in writing by the Trustee, shall ratify and confirm any such sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be advisable, in the judgment of the Trustee, for the purpose and as may be designated in such request.

Section 7.13 Trustee Receipt--Sufficient Discharge for Purchase Money. Upon any sale made under judgment or decree in any judicial proceedings for the foreclosure or otherwise for the enforcement of this Indenture, the receipt of the Trustee or of the officer making such sale shall be a sufficient discharge to the purchaser or purchasers at any sale for his or their purchase money, and such purchaser or purchasers, his or their assigns or personal representatives shall not, after paying such purchase money and receiving

such receipt of the Trustee or of such officer therefor, be obliged to see to the application of such purchase money, or be in anywise answerable for any loss, misapplication, or nonapplication thereof.

Section 7.14 No Further Right of Authority in Property.

Any sale made under judgment or decree in any judicial proceedings for foreclosure or otherwise for the enforcement of this Indenture shall, if and to the extent then permitted by law, operate to divest all right, title, interest, claims and demand whatsoever, either at law or in equity, of the Authority of, in and to the property so sold, and be a perpetual bar both at law and in equity against the Authority and against any and all persons, firms or corporations claiming or who may claim the property sold, or any part thereof, from, through or under the Authority except for the rights of the Institution under the Lease so long as the Lease shall remain in effect in accordance with its terms and the Institution complies with the provisions thereof.

Section 7.15 Application of Funds. The proceeds of any sale made under judgment or decree in any judicial proceedings for the foreclosure or otherwise for the enforcement of this Indenture, together with any other amounts of cash which may then be held by the Trustee as part of the Trust Estate, shall be applied as follows:

- First: To the payment of all taxes, assessments, governmental charges and liens prior to the lien of this Indenture, if any, and any arrears thereof, except those subject to which such sale shall have been made, and all of the costs and expenses of such sale, including reasonable compensation to the Trustee, its agents and attorneys, and of all other sums payable to the Trustee hereunder by reason of any expenses or liabilities incurred or advances made in connection with the management or administration of the trust hereby created.
- Second: To the payment in full of the amounts then due, owing and unpaid for principal and interest upon the Bonds then secured hereby, and in case such proceeds shall be insufficient to pay in full the amounts so due and unpaid, then to the payment thereof ratably, without preference or priority of principal over interest, or of interest over principal, or of any installment of interest over any other installment of interest except as provided in Section 6.02 hereof.

Third: Any surplus thereof remaining to the Authority, its successors or assigns, or to whomsoever may be lawfully entitled to receive the same.

Section 7.16 Waivers by Authority of Appraisement, Valuation.

In case of any event of default on its part, as aforesaid, to the extent that such rights may then lawfully be waived, neither the Authority nor anyone claiming through or under it shall or will set up, claim, or seek to take advantage of any appraisement, valuation, stay, extension or redemption laws now or hereafter in force in any locality where any of the Trust Estate may be situated, in order to prevent or hinder the enforcement or foreclosure of this Indenture, or the absolute sale of the Trust Estate, or the final and absolute putting into possession thereof, immediately after such sale, of the purchaser or purchasers thereat, but the Authority, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws and all right of appraisement and redemption to which it may be entitled under the laws of the State in which it is situated.

Section 7.17 Right of Trustee to Act Without Possession of Bonds. All rights of action (including the right to file proof of claim) under this Indenture or under any of the Bonds or coupons may be enforced by the Trustee without the possession of any of the Bonds or coupons or the production thereof in any trial or other proceeding relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee, without the necessity of joining as plaintiffs or defendants any holders of the Bonds hereby secured, and any recovery of judgment shall be for the equal benefit of the holders of the outstanding Bonds and coupons, subject to the provisions of Section 6.02 hereof with respect to extended Bonds, coupons and claims for interest.

Section 7.18 Power of Majority of Bondholders. Anything in this Indenture to the contrary notwithstanding, the holders of a majority in aggregate principal amount of Bonds outstanding hereunder shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

Section 7.19 Limitation on Suits by Bondholder. No holder of any Bond or coupon shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust hereof or for any other remedy hereunder, unless a default has occurred of which the Trustee has been notified or of which it is deemed to have notice; nor unless also such default shall have become an event of default and the holders of twenty-five per centum (25%) in aggregate principal amount

of Bonds outstanding hereunder shall have made written request to the Trustee and shall have offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; nor unless also they shall have offered to the Trustee indemnity as provided hereinafter; and such notification, request and offer of indemnity are hereby declared in every such case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for enforcement or for any other remedy hereunder; it being understood and intended that no one or more holders of the Bonds or coupons shall have any right in any manner whatsoever to affect, disturb, or prejudice the lien of this Indenture by his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the holders of all Bonds outstanding hereunder. Nothing in this Indenture contained shall, however, affect or impair the right of any Bondholder, which is absolute and unconditional, to enforce the payment of the principal of and interest on any Bond at and after the maturity thereof or the obligation of the Authority to pay the principal of and interest on each of the Bonds issued hereunder to the respective holders thereof at the time and place in said Bonds and the appurtenant coupons expressed, in accordance with the terms of the Bonds.

Section 7.20 Waiver by Bondholders. The Trustee, upon the written request of the holders of not less than fifty-one per centum (51%) in principal amount of the Bonds at the time outstanding hereunder, shall waive any default hereunder and its consequences, except a default in the payment of the principal of the Bonds at the date of maturity specified therein; provided, however, that a default in the payment of interest on the Bonds shall not be waived unless, prior to such waiver, all arrears of interest, and all expenses of the Trustee shall have been paid or shall have been provided for by deposit with the Trustee of a sum sufficient to pay the same. In case of any such waiver, the Authority, the Trustee and the holders of the Bonds shall be restored to their former positions and rights hereunder respectively. No waiver of any default or event of default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent default or event of default or shall impair any rights or remedies consequent thereon.

Section 7.21 Remedies Cumulative, Delay Not to Constitute Waiver. No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

No delay or omission to exercise any right or power accruing upon any default or event of default shall impair any such right or power or shall be construed to be a waiver of any such default or event of default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

Section 7.22 Restoration of Rights Upon Discontinuance of Proceedings. In case the Trustee or Bondholders shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee or Bondholders, then and in every such case the Authority, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder with respect to the Trust Estate, and all rights, remedies and powers of the Trustee or Bondholders shall continue as if no such proceedings had been taken.

ARTICLE VIII

Concerning the Trustee

Section 8.01 Acceptance of Trust and Prudent Performance Thereof. The Trustee shall, prior to an event of default as defined in Section 7.01, and after the curing of all such events of default as may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture. The Trustee shall during the existence of any such event of default (which has not been cured) exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(a) prior to such an event of default hereunder, and after the curing of all such events of default which may have occurred:

(1) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee, and

(2) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and to the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Trustee conforming to the requirements of this Indenture; but in the case of any such certificate or opinion which by any provision hereof is specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not it conforms to the requirements of this Indenture;

(b) at all times, regardless of whether or not any such event of default shall exist:

(1) the Trustee shall not be liable for any error of judgment made in good faith by a responsible officer or officers of the Trustee unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts,

(2) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of not less than a majority in aggregate principal amount of all the Bonds at the time outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur individual financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

Section 8.02 Trustee May Rely Upon Certain Documents, Opinions. Except as otherwise provided in Section 8.01,

(a) the Trustee may rely and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction, election, order or demand of the Authority or the Institution shall be sufficiently evidenced by an instrument signed by an Authorized Authority Representative or an Authorized Institution Representative, as the case may be (unless otherwise in this Indenture specifically prescribed), and any resolution of the Authority may be evidenced to the Trustee by a Certified Resolution;

(c) the Trustee may consult with counsel (who may be counsel for the Authority) and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel;

(d) whenever, in the administration of the trusts of this Indenture, the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence or bad faith on the part of the Trustee, be deemed to be conclusively proved and established by a Certificate of the Authority and such Certificate of the Authority shall, in the absence of negligence or bad faith on the part of the Trustee, be full warrant to the Trustee for any action taken or suffered by it under the provisions of this Indenture upon the faith thereof.

Section 8.03 Trustee Not Responsible for Indenture Statements, Validity. The Trustee shall not be responsible for any recital or statement herein, or in said Bonds and coupons (except in respect of the certificate of the Trustee endorsed on such Bonds), or for the recording or re-recording, filing, or refiling of this Indenture, or for insuring the Project, or collecting any insurance moneys, or for the validity of the execution by the Authority of this Indenture or the Lease or the Agreement, or of any supplemental instrument, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of any of the Trust Estate, or otherwise as to the maintenance of the security hereof; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenant, condition or agreement on the part of the Authority, except as hereinafter set forth, but the Trustee may require of the Authority full information and advice as to the performance of the covenants, conditions and agreements aforesaid and of the condition of the physical property included in the Trust Estate. The Trustee shall not be accountable for the use of any bonds authenticated or delivered hereunder or of any of the proceeds of such Bonds.

Section 8.04 Limits on Duties and Liabilities of Trustee. The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty of the Trustee, and the Trustee shall be answerable only for its own negligence or willful default. The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises. The Trustee shall not be liable for any debts contracted, or for damages to persons or to personal property injured or damaged, or for salaries or nonfulfillment of contracts during any period in which it may be in the possession of or managing the real and tangible personal property of the Trust Estate as in this Indenture provided, if such debts, damages, salaries, or contracts have been incurred, suffered, earned, or made in connection with the possession or management of such property.

Section 8.05 Giving Notice to Authority. Except as herein otherwise provided, any notice or demand which by any provision of this Indenture is required or permitted to be given or served by the Trustee on the Authority shall be deemed to have been sufficiently given and served for all purposes by being delivered or mailed by registered mail, addressed to the Authority at its address set forth in the Lease or such other address as may from time to time be given by the Authority to the Trustee in writing.

Section 8.06 Obligation of Trustee. The Trustee shall be under no obligation to institute any suit, or to take any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement

of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability; the Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Trustee, without indemnity, and in such case the Authority shall reimburse the Trustee for all costs and expenses, outlays and counsel fees and other reasonable disbursements properly incurred in connection therewith. If the Authority shall fail to make such reimbursement, the Trustee may reimburse itself from any moneys in its possession under the provisions of this Indenture and shall be entitled to a preference therefor over any of the Bonds or coupons outstanding hereunder.

Section 8.07 Responsibilities of Trustee in Event of Default. The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder, except default in the deposits or payments specified herein, or failure by the Authority to file with it any of the documents required, or to deposit with it evidence of the insurance policies required hereunder, unless the Trustee shall be specifically notified in writing of such default by the Authority or by the holders of at least twenty-five per centum (25%) in aggregate principal amount of Bonds outstanding hereunder, and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the office of the Trustee, and in the absence of such notice so delivered the Trustee may conclusively assume that there is no default, except as aforesaid.

Section 8.08 Notice to Bondholders. Within thirty (30) days after the occurrence of any event of default set forth in clause (a) or in clause (b) of Section 7.01 hereof or of any default of which the Trustee is by Section 8.07 hereof required to take notice or if notice of default be given it as in said section provided, the Trustee shall give written notice thereof by mail to the last known owners of all Bonds outstanding hereunder as shown by the bond register and the list of Bondholders required to be kept at the office of the Trustee. If in any Fiscal Year the total amount of aggregate deposits to the credit of the Bond and Interest Sinking Fund Account and the Debt Service Reserve Account shall be less than the amounts required so to be deposited under the provisions of this Indenture, the Trustee, on or before the first day of the second month of the next succeeding Fiscal Year, shall mail to the last known owners of all Bonds outstanding hereunder, as shown by the bond register and the list of Bondholders required to be kept at the office of the Trustee, a written notice of the failure to make such deposits. The Trustee shall not, however, be subject to any liability to any Bondholder by reason of its failure to mail any notice required by this section.

Section 8.09 Intervention in Judicial Proceedings Involving Authority. In any judicial proceeding to which the Authority is a party and which, in the opinion of the Trustee and its counsel, has a substantial bearing on the interest of owners of Bonds issued hereunder, the Trustee may intervene on behalf of Bondholders and shall do so if requested in writing by the owners of at least twenty-five per cent (25%) in the aggregate principal amount of Bonds outstanding hereunder. The rights and obligations of the Trustee under this section are subject to the approval of the court having jurisdiction in the premises.

Section 8.10 Further Investigations by Trustee. The resolutions, opinions, certificates and other instruments provided for in this Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be in full warrant, protection and authority to the Trustee for the release of property and the withdrawal of cash hereunder; but the Trustee may, in its unrestricted discretion, and shall, if requested in writing so to do by the holders of not less than twenty-five per centum (25%) in aggregate principal amount of Bonds outstanding hereunder, cause to be made such independent investigation as it may see fit, and in that event may decline to release such property or pay over such cash unless satisfied by such investigation of the truth and accuracy of the matters so investigated. The expense of such investigation shall be paid by the Authority or, if paid by the Trustee, shall be repaid by the Authority upon demand with interest at the rate of eight per centum (8.00%) per annum.

Section 8.11 Right to Inspect Project and Records of Authority. At any and all reasonable times the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect the Project, including all books, papers, and contracts of the Authority appertaining thereto and to take such memoranda from and in regard thereto as may be desired.

Section 8.12 Right of Trustee to Perform Certain Acts on Failure of Authority. In case the Authority shall fail reasonably to pay or to cause to be paid any tax, assessments, or governmental or other charge upon any part of the Trust Estate, to the extent, if any, that the Authority may be liable for same, the Trustee may pay such tax, assessment or governmental charge, without prejudice, however, to any rights of the Trustee or the Bondholders hereunder arising in consequence of such failure; and any amount at any time so paid under this section, with interest thereon from the date of payment at the rate of eight per centum (8.00%) per annum, shall be repaid by the Authority upon demand, and shall become so much additional indebtedness secured by this Indenture, and the same shall be given a preference in payment over any of said Bonds, and shall be paid out of the Revenues and Income of the Project, if not otherwise paid by the Authority,

but the Trustee shall be under no obligation to make any such payment unless it shall have been requested to do so by the holders of at least twenty-five per centum (25%) of the aggregate principal amount of Bonds outstanding hereunder, and shall have been provided with adequate funds for the purpose of such payment.

Section 8.13 Trustee to Retain Financial Records of Authority. The Trustee shall retain all financial statements furnished by the Authority or the Institution in accordance with this Indenture so long as any of the Bonds shall be outstanding.

Section 8.14 Compensation of Trustee. The Trustee shall have a first lien, with right of payment prior to payment on account of interest or principal of any Bond issued hereunder, for reasonable compensation, expenses, advances and counsel fees incurred in and about the execution of the trusts hereby created and exercise and performance of the powers and duties of the Trustee hereunder and the cost and expense incurred in defending against any liability in the premises of any character whatsoever (unless such liability is adjudicated to have resulted from the negligence or willful default of the Trustee). The Authority hereby covenants and agrees to pay or cause to be paid all advances, counsel fees and other expenses reasonably made or incurred by the Trustee in and about the execution of the trust hereby created and to reimburse the Trustee therefor if such expenses are paid by it. The Authority agrees to pay or cause the Institution to pay the Trustee reasonable compensation for its services in the premises. The compensation of the Trustee shall not be limited to or by any provision of law in regard to the compensation of Trustees of an express trust.

Section 8.15 Trustee May Hold Bonds. The Trustee and its officers and directors may acquire and hold, or become the pledgee of, Bonds and coupons and otherwise deal with the Authority or the Institution in the same manner and to the same extent and with like effect as though it were not Trustee hereunder.

Section 8.16 Appointment of Trustee. There shall at all times be a trustee hereunder which shall be a corporation organized and doing business under the laws of the United States or the State of Minnesota, authorized under such laws to exercise corporate trust powers, having an office and place of business in the State of Minnesota, having a combined capital and surplus of at least One Million Dollars (\$1,000,000), and subject to supervision or examination by Federal or State authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, and another institution or corporation is eligible, the Trustee shall resign immediately in the manner and with the effect specified in Section 8.18 hereof.

Section 8.17 Merger of Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor trustee hereunder and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 8.18 Resignation or Removal of Trustee. The Trustee may resign and be discharged from the trusts created by this Indenture by giving to the Authority thirty days' notice in writing, and to the Bondholders notice by publication, of such resignation specifying a date when such resignation shall take effect, which notice shall be published at least once a week for two successive weeks in a Financial Journal. Such resignation shall take effect on the day specified in such notice unless previously a successor trustee shall have been appointed by the Bondholders as hereinafter provided, in which event such resignation shall take effect immediately on the appointment of such successor trustee.

Any Trustee hereunder may be removed at any time by an instrument or instruments in writing, appointing a successor to the Trustee so removed, filed with the Trustee and executed by the holders of a majority in principal amount of the Bonds hereby secured and then outstanding.

Section 8.19 Appointment of Successor Trustee. In case at any time the Trustee shall resign or shall be removed or otherwise shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver of the Trustee or of its property shall be appointed, or if a public supervisory officer shall take charge or control of the Trustee or of its property or affairs, a vacancy shall forthwith and ipso facto be created in the office of such Trustee hereunder, and a successor may be appointed by the holders of a majority in principal amount of the said Bonds hereby secured and then outstanding, by an instrument or instruments in writing filed with the Trustee and executed by such Bondholders, notification thereof being given to the Authority, but until a new Trustee shall be appointed by the Bondholders as herein authorized, the Authority shall, subject to the provisions hereof, appoint a Trustee to fill such vacancy. After any such appointment by the Authority, it shall cause notice of such appointment to be published at least once within 30 days of such appointment in a Financial Journal, but any new Trustee so appointed by the Authority shall immediately and without further act be superseded by a Trustee appointed in the manner above provided by the holders of a majority in principal amount of said Bonds whenever such appointment by said Bondholders shall be made.

If, in a proper case, no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within six months after a vacancy shall have occurred in the office of Trustee, the holder of any Bond hereby secured or any retiring Trustee may apply to any court of competent jurisdiction to appoint a successor trustee. Said court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor trustee.

Section 8.20 Transfer of Rights and Property to Successor Trustee. Every successor trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Authority an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Authority or of its successor execute and deliver an instrument transferring to such successor all the estate, properties, rights, powers and trusts of such predecessor hereunder, and every predecessor trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any assignment, conveyance or instrument in writing from the Authority be required by any successor trustee for more fully and certainly vesting in such successor trustee the estates, rights, powers and duties hereby vested or intended to be vested in the predecessor trustee, any and all such assignments, conveyances and instruments in writing shall, on request, be executed, acknowledged and delivered by the Authority. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all assignments, conveyances and other instruments provided for in this Article shall, at the expense of the Authority, be forthwith filed and/or recorded by the successor trustee in each recording office where the Indenture shall have been filed and/or recorded.

Section 8.21 Trustee Reports to Authority. The Trustee shall furnish to the Authority an annual report, as soon as possible and in any case within 60 days after the end of the Authority's fiscal year, for the Authority's fiscal year ending June 30 showing receipts and disbursements by the Trustee hereunder and changes in balances of Accounts maintained with the Trustee hereunder. The Trustee shall also furnish to the Authority, from time to time, such additional information as the Authority may request respecting receipts and disbursements, Account balances, investments, and other activities of the Trustee or concerning the Trust Estate hereunder.

ARTICLE IX

Concerning the Bondholders

Section 9.01 Execution of Instruments by Bondholders.

Any request, direction, consent or other instrument in writing required by this Indenture to be signed or executed by Bondholders may be in any number of concurrent instruments of similar tenor and may be signed or executed by such Bondholders in person or by agent duly appointed by an instrument in writing. Proof of the execution of any such instrument and of the ownership of Bonds shall be sufficient for any purpose of this Indenture and shall be conclusive in favor of the Trustee with regard to any action taken by it under such instrument if made in the following manner:

(a) The fact and date of the execution by any person of any such instrument may be proved by the certificate of any officer in any jurisdiction who, by the laws thereof, has power to take acknowledgments of deeds to be recorded within such jurisdiction, to the effect that the person signing such instrument acknowledged to him the execution thereof, or by an affidavit of a witness to such execution.

(b) The fact of the holding of Bonds hereunder by any Bondholder and the amount and the numbers of such Bonds and the date of his holding the same (unless such Bonds be registered) may be proved by the affidavit of the person claiming to be such holder, if such affidavit shall be deemed by the Trustee to be satisfactory, or by a certificate issued by any trust company, bank, banker, or any other depository wherever situated, if such certificate shall be deemed by the Trustee to be satisfactory, showing that at the date therein mentioned such person had on deposit with such trust company, bank, banker or other depository the Bonds described in such certificate. The Authority and the Trustee may nevertheless, in their separate discretion, require further proof in cases where they or either of them shall deem further proof desirable.

(c) The ownership of Bonds registered as to principal or as to principal and interest shall be proved by the registration books kept under the provisions of this Indenture.

Nothing contained in this Article shall be construed as limiting the Trustee to the proof above specified, it being intended that the Trustee may accept any other evidence of the matters herein stated which to it may seem sufficient. Any request or consent of the holder of any Bond shall bind every future holder of the same Bond in respect of anything done by the Trustee in pursuance of such request or consent.

Section 9.02 Waiver of Notice. Any notice or other communication required by this Indenture to be given by delivery, publication or otherwise to the Bondholders or any one or more thereof may be waived, at any time before such notice or communication is so required to be given, by a writing mailed or delivered to the Trustee by the holder or holders of all of the Bonds entitled to such notice or communication.

Section 9.03 Determination of Bondholder Concurrence. In determining whether the holders of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are owned by the Authority or Institution shall be disregarded and deemed not to be outstanding for the purpose of any such determination, provided that for the purpose of determining whether the Trustee shall be protected in relying on any such demand, request, direction, consent or waiver only Bonds which the Trustee knows to be so owned shall be disregarded. Bonds so owned which have been pledged in good faith may be regarded as outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Bonds and that the pledgee is not a person directly or indirectly controlling or controlled by or under common control with the Authority or Institution. In case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee.

Section 9.04 Bondholders' Meeting. A meeting of the Bondholders may be called at any time and from time to time pursuant to the provisions of this Article IX for any of the following purposes:

- (1) to give any notice to the Authority or to the Trustee, or to give any direction to the Trustee, or to make any request of the Trustee, or to consent to the waiving of any default hereunder and its consequences, or to take any other action authorized to be taken by Bondholders pursuant to any of the provisions of Article VII hereof;
- (2) to remove the Trustee or appoint a successor Trustee pursuant to the provisions of Article VIII hereof;
- (3) to consent to the execution of an indenture or indentures supplemental hereto;
- (4) to consent to any amendment of the Lease or to any instrument supplemental to the Lease; or
- (5) to take any other action authorized to be taken by or on behalf of the holders of any percentage of the outstanding Bonds under any other provision of this Indenture or under applicable law.

ARTICLE X

Payment, Defeasance and Release

Section 10.01 Payment and Discharge of Indenture. If the Authority, its successors or assigns shall

(a) pay or cause to be paid the principal of and premium, if any, and interest on the Bonds at the time and in the manner stipulated therein and herein, or

(b) provide for the payment of principal and premium, if any, of the Bonds and interest thereon by depositing in cash with the Trustee at or at any time before maturity the entire amount due or to become due thereon for principal and premium, if any, and interest to maturity of all said Bonds outstanding, or

(c) deliver to the Trustee (1) proof satisfactory to the Trustee that notice of redemption of all of the outstanding Bonds not surrendered or to be surrendered to it for cancellation has been given or waived as provided in Article III hereof, or that arrangements satisfactory to the Trustee have been made insuring that such notice will be given or waived, or (2) a written instrument executed by the Authority under its official seal and expressed to be irrevocable, authorizing the Trustee to give such notice for and on behalf of the Authority, or (3) file with the Trustee a waiver of such notice of redemption signed by the holders of all of such outstanding Bonds, and in any such case, deposit with the Trustee before the date on which such Bonds are to be redeemed, as provided in said Article III, the entire amount of the redemption price, including accrued interest, and premium, if any, either in cash or direct obligations of the United States of America in such aggregate face amount, bearing interest at such rates and maturing at such dates as shall be sufficient to provide for the payment of the redemption price on the date such Bonds are to be redeemed, or

(d) surrender to the Trustee for cancellation all bonds and coupons, if any, thereto appertaining for which payment is not so provided, and shall also pay all other sums due and payable hereunder by the Authority,

then and in that case, at the request of the Authority, all the Trust Estate shall revert to the Authority, and the entire estate, right, title and interest of the Trustee, and of the bearers and registered owners of the Bonds and coupons in respect thereof, shall thereupon

cease, determine and become void; and the Trustee in such case, upon the cancellation of all Bonds and coupons for the payment of which cash shall not have been deposited in accordance with the provisions of this Indenture, shall, upon receipt of a written request of the Authority and of a certificate of the Authority and an opinion of counsel as to compliance with conditions precedent, and at its cost and expense, execute to the Authority, or its order, proper instruments acknowledging satisfaction of this Indenture and surrender to the Authority or its order, all cash and deposited securities, if any (except that held for the payment of the Bonds and coupons), which shall then be held hereunder as a part of the Trust Estate. Bonds purchased by the Trustee from funds deposited in the Redemption Account shall, on request of the Authority or Institution, be cancelled and treated as Bonds surrendered to the Trustee by the Authority for cancellation.

Section 10.02 Bonds and Coupons Deemed Not Outstanding After Deposits. When the Authority shall have deposited at any time with the Trustee in trust for the purpose, in the manner provided, or left with it if previously so deposited, cash or direct obligations of the United States of America sufficient to pay the principal of any Bonds (and premium, if any) when the same become due, either at maturity or otherwise, or at the date fixed for the redemption thereof and to pay all interest with respect thereto at the due date of such interest or to the date fixed for redemption, for the use and benefit of the holders thereof, then upon such deposit all such Bonds and appurtenant coupons shall cease to be entitled to any lien, benefit or security of this Indenture except the right to receive the funds so deposited, and such Bonds and coupons shall be deemed not to be outstanding hereunder; and it shall be the duty of the Trustee to hold the funds so deposited for the benefit of the holders of such Bonds or coupons, as the case may be, and from and after such redemption date or maturity, interest on such Bonds thereof called for redemption shall cease to accrue.

Section 10.03 Unclaimed Money Returned to Authority. Any moneys deposited with the Trustee by the Authority, pursuant to the terms of this Indenture, for the payment or redemption of Bonds and coupons and remaining unclaimed by the holders of the Bonds or coupons for five years after the date of maturity of such Bonds or coupons or the date fixed for redemption of the same, as the case may be, shall, upon the written request of the Authority or of such person as may then be entitled by law to receive the same, and if the Authority or any successor to the obligations of the Authority under the Indenture and the Bonds and coupons shall not at the time, to the knowledge of the Trustee, be in default with respect to any of the terms and conditions contained in the Indenture or in the Bonds and coupons, be paid to the Authority or to such person as the case may be, and such holders of the Bonds and coupons shall thereafter look only to the Authority or to such person, as the case may be,

for payment and then only to the extent of the amounts so received without interest thereon; PROVIDED, HOWEVER, that within thirty days prior to the expiration of the five year period mentioned above, the Trustee, before being required to make any such repayment, may, at the expense of the Authority, cause to be published in a Financial Journal, a notice that after a date named therein said moneys will be returned to the Authority or such person.

Section 10.04 Release of Property. In the event the Institution shall exercise its option to purchase unimproved real property forming part of the Trust Estate or to remove any Leased Equipment from the Project without substitution therefor, in either case in accordance with its rights under the Lease, and shall deliver to the Trustee (1) a certificate of value of an independent appraiser or independent engineer, as the case may be, (2) payment to the Authority and Trustee for deposit in the Redemption Account or other proper Account hereunder of the amount set forth in such certificate, and (3) a certificate of an Authorized Institution Representative, the Trustee is authorized to and shall, on request, release such property from the lien of this Indenture. If the Institution and the Authority shall request the Trustee to release property for, or subject the Trust Estate to, easements, rights-of-way (including the dedication of a public highway) or other rights or privileges in the nature of easements with respect to the Trust Estate, or to release the rights of the Trustee in any existing easements, licenses, rights-of-way and other rights and privileges, and shall deliver to the Trustee (i) a copy of the instrument of grant or release and (ii) a written application signed by the Authorized Institution Representative certifying that such grant or release is not detrimental to the proper use or operation of the Project and will not impair the character or significance of the Project as an educational facility, the Trustee is authorized to and shall release such property from the lien of this Indenture or subject the Trust Estate to such easement, license or other right or privilege, as the case may be.

ARTICLE XI

Supplemental Indentures

Amendments to General Bond Resolution

Section 11.01 Purposes for Which Supplemental Indentures May Be Executed. The Authority, upon resolution, and the Trustee from time to time and at any time, subject to the conditions and restrictions in this Indenture contained, may enter into such indentures supplemental hereto as may or shall by them be deemed necessary or desirable for any one or more of the following purposes, among others:

(a) To correct the description of any property hereby conveyed or pledged or intended so to be, or to assign, convey, pledge or transfer and set over unto the Trustee, subject to such liens or other encumbrances as shall be therein specifically described, additional property or properties of the Authority or the Institution for the equal and proportional benefit and security of the holders and owners of all Bonds and coupons at any time issued and outstanding under this Indenture, subject, however, to the provisions hereinabove set forth with respect to extended Bonds and coupons;

(b) To add to the covenants and agreements of the Authority in this Indenture contained other covenants and agreements thereafter to be observed, or to surrender any right or power herein reserved to or conferred upon the Authority or to or upon any successor;

(c) To evidence the succession or successive successions of any other department, agency, body or corporation to the Authority and the assumption by such successor of the covenants, agreements and obligations of the Authority in the Bonds hereby secured and in this Indenture and in any and every supplemental indenture contained;

(d) To cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indentures which may be defective or inconsistent with any other provision contained herein or in any supplemental indenture, or to make such other provisions in regard to matters or questions arising under this Indenture or any supplemental indenture as the Authority may deem necessary or desirable and which shall not be inconsistent with the provisions of this Indenture or any supplemental indenture and which shall not impair the security of the same; and

(e) To provide for additional Bonds pursuant to the Agreement and Section 2.10 hereof or modify this Indenture as authorized by the Bondholders pursuant to Section 11.04 hereof.

Section 11.02 Execution of Supplemental Indenture. The Trustee is authorized to join with the Authority in the execution of any such supplemental indenture, to make the further agreements and stipulations which may be therein contained, and to accept the conveyance, transfer and assignment of any property thereunder, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects its rights, duties or immunities under this Indenture.

Section 11.03 Discretion of Trustee. In each and every case provided for in this Article (other than a supplemental indenture approved by the holders of sixty-five per centum (65%) in aggregate principal amount of the Bonds pursuant to Section 11.04 hereof), the Trustee shall be entitled to exercise its unrestricted discretion in determining whether or not any proposed supplemental indenture or any term or provision therein contained is necessary or desirable, having in view the needs of the Authority and the respective rights and interests of the holders of Bonds theretofore issued hereunder; and the Trustee shall be under no responsibility or liability to the Authority or to the Institution or to any holder of any Bond, or to anyone whatever, for any act or thing which it may do or decline to do in good faith, subject to the provisions of this Article, in the exercise of such discretion.

Section 11.04 Modification of Indenture with Consent of Bondholders. Subject to the terms and provisions contained in this Section, and not otherwise, the holders of not less than sixty-five per centum (65%) in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the Authority and the Trustee of such indenture or indentures supplemental hereto as shall be deemed necessary or desirable by the Authority for the purpose of modifying, altering, amending, adding to or rescinding in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; PROVIDED, HOWEVER, that nothing herein contained shall permit or be construed as permitting (a) an extension of the maturity of any Bond issued hereunder, or (b) a reduction in the principal amount of any Bond or the redemption premium or the rate of interest thereon, or (c) the creation of a lien upon or a pledge of revenues ranking prior to or on a parity with the lien or pledge created by this Indenture (except as provided in Section 2.10 hereof), or (d) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required to consent to such supplemental indenture.

Whenever the Authority shall deliver to the Trustee an instrument or instruments purporting to be executed by the holders of not less than sixty-five per centum (65%) in aggregate principal amount of the Bonds then outstanding, which instrument or instruments shall refer to the proposed supplemental indenture and shall specifically consent to and approve the execution thereof, thereupon, the Trustee may execute such supplemental indenture without liability or responsibility to any holder of any Bond, whether or not such holder shall have consented thereto.

If the holders of not less than sixty-five per centum (65%) in aggregate principal amount of the Bonds outstanding at the time of the execution of such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no holder of any Bond shall have any right to object to the execution of such supplemental indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Authority from executing the same or from taking any action pursuant to the provisions thereof.

Section 11.05 Supplemental Indentures to be Part of Indenture. Any supplemental indenture executed in accordance with any of the provisions of this Article shall thereafter form a part of this Indenture; and all the terms and conditions contained in any such supplemental indenture as to any provision authorized to be contained therein shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes, and the respective rights, duties and obligations under this Indenture of the Authority, the Trustee and all holders of Bonds then outstanding shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments. If deemed necessary or desirable by the Trustee, reference to any such supplemental indenture or any of such terms or conditions thereof may be set forth in reasonable and customary manner in the text of the Bonds or in a legend stamped on the Bonds.

Section 11.06 Amendments to General Bond Resolution. The Authority reserves the right to amend the General Bond Resolution from time to time as provided in paragraph 4 thereof. It is agreed between the Authority and the Trustee, acting on behalf of the Bondholders, that any amendment to paragraph 2(f) of the General Bond Resolution, entitled "Withdrawal of Excess Reserves", or any other provision of the General Bond Resolution, which is found by the Authority to be necessary or desirable to comply with limitations on the amounts of reasonable reserves under Regulations or Proposed Regulations under Section 103(d) of the Internal Revenue Code, relating to arbitrage bonds, or any other provision of such Regulations or Proposed Regulations, is an ambiguity or formal defect in the General Bond Resolution within the meaning of clause (iii) of paragraph 4(a) thereof; and that the Authority shall have the right and authority to adopt any amendment to the General Bond Resolution, reciting that the amendment is necessary or desirable for such purpose, without the written consent of the holders of sixty-five percent (65%) of the outstanding Bonds.

ARTICLE XII

Miscellaneous

Section 12.01 Covenants of Authority Bind Successors and Assigns. All the covenants, stipulations, promises and agreements in this Indenture contained, by or in behalf of the Authority, shall bind and inure to the benefit of its successors and assigns, whether so expressed or not.

WHEREAS, the Project is to be leased to the College by the Authority pursuant to the terms of a Lease Agreement dated as of the date hereof and as the same may be amended and supplemented from time to time (the "Lease"); and

WHEREAS, the Academy is a corporation of The Sisters of the Third Order Regular of Saint Francis of the Congregation of Our Lady of Lourdes, and the Academy and The Sisters of the Third Order Regular of Saint Francis of the Congregation of Our Lady of Lourdes have sponsored the College and are interested in the accomplishment of its purposes; and

WHEREAS, the Outstanding Project Debt has been guaranteed, in part, by the Academy; and

WHEREAS, the College and the Academy (hereinafter called the "Guarantors") are desirous that the Authority issue the Bonds and apply the proceeds as aforesaid and are willing to enter into this Guaranty Agreement in order to enhance the marketability of the Bonds and thereby achieve cost and other savings to themselves and as an inducement to the purchase of the Bonds by all who shall at any time become holders of the Bonds;

NOW THEREFORE, in consideration of the premises and in order to enhance the marketability of the Bonds and thereby achieve cost and other savings to Guarantors and as an inducement to the purchase of the Bonds by all who shall at any time become holders of the Bonds, Guarantors jointly and severally hereby, subject to the terms hereof, covenant and agree with Trustee as follows:

1. Guarantors hereby unconditionally guarantee to Trustee for the benefit of the holders from time to time of the Bonds and of the interest coupons appertaining thereto (a) the full and prompt payment of the principal of and premium, if any, on any Bond when and as the same shall become due, whether at the stated maturity thereof, by acceleration, call for redemption or otherwise, and (b) the full and prompt payment of any interest on any Bond when and as the same shall become due.

2. The obligations of the Guarantors under this Guaranty Agreement shall be absolute and unconditional and shall remain in full force and effect until the entire principal of, premium, if any, and interest on the Bonds shall have been paid or funds sufficient for such payment shall have been deposited with the Trustee in trust for such purpose and such obligations shall not be affected, modified or impaired by any act, event or circumstance, including (without limitation) the following:

(a) Failure of notice of the acceptance hereof or of any action taken or omitted in reliance hereon or of any presentment, demand, protest or notice of any kind;

(b) Any default of the College, the Authority or the Trustee in the performance of any obligations under the Lease or Indenture;

(e) The invalidity or unenforceability of the Bonds, the Lease or the Indenture, including without limitation, any invalidity or unenforceability of the Bonds due to any law limiting the amount of interest payable on obligations of the Authority.

3. No set-offs, counterclaim, reduction, or diminution of any obligation, or any defense of any kind or nature which the Guarantors have or may have against the Authority or Trustee shall be available hereunder to the Guarantors against the Trustee.

4. In the event of a default in the payment of principal of or premium, if any, on any Bond when and as the same shall become due, whether at the stated maturity thereof, by acceleration, call for redemption or otherwise, or in the event of a default in the payment of any interest on any Bond when and as the same shall become due, the Trustee may, and if requested so to do by the holders of not less than 25% in aggregate principal amount of the Bonds then outstanding, and upon indemnification as hereinafter provided, shall be obligated to proceed hereunder, and the Trustee, in its sole discretion, shall have the right to proceed first and directly against the Guarantors or either of them under this Guaranty Agreement without proceeding against or exhausting any of the remedies which it may have and without resorting to any other security held by the Authority or the Trustee. The Trustee shall not be obligated to expend or risk its own funds or otherwise incur any financial liability in the taking of any action hereunder if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it except liability which is adjudicated to have resulted from its negligence or willful default by reason of any action so taken. The Guarantors jointly and severally agree to pay all the costs, expenses and fees, including all reasonable attorney's fees, which may be incurred by the Trustee in enforcing or attempting to enforce this Guaranty Agreement following any default on the part of the Guarantors hereunder, whether the same shall be enforced by suit or otherwise.

5. The Guarantors hereby expressly waive notice from the Trustee or the holders from time to time of any of the Bonds or of the interest coupons appertaining thereto of their acceptance of and reliance on this Guaranty Agreement.

6. The Guarantors each agree that it will maintain its corporate existence under the laws of Minnesota and will not dispose of all or substantially all of its assets nor consolidate with nor merge into another corporation; provided that either Guarantor may, without violating the agreement contained in this paragraph, consolidate with or merge into another corporation, or permit one or more other of such corporations to consolidate with or merge into it, or sell or otherwise transfer to another such corporation all or substantially all of its assets as an entirety and thereafter dissolve if such surviving, resulting or transferee corporation assumes in writing all of the obligations of the Guarantor herein and has a net worth at least equal to the net worth of the Guarantor immediately prior to such consolidation, merger, or transfer.

7. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to either Guarantor (if such Guarantor is in default hereunder), the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to file and prove a claim for the whole amount of principal (and premium, if any) and interest owing and unpaid (whether at stated maturity or by acceleration, call for redemption or otherwise) in respect of the Bonds and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents, and counsel) and of the Bondholders allowed in such judicial proceeding, and

(ii) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Bondholders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements, and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under paragraph 4 hereof. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Bondholder any plan of reorganization, arrangement, adjustment or composition affecting the Bonds or the rights of any holder thereof, or to authorize the Trustee to vote in respect of the claim of any Bondholder in any such proceeding.

8. All rights of action and claims under this Guaranty Agreement may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or coupons or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the holders of the Bonds and coupons in respect of which such judgment has been recovered.

9. The Trustee undertakes to perform for the benefit of the holders of the Bonds such duties and only such duties as are specifically set forth in this Guaranty Agreement, and no implied covenants or obligations shall be read into this Guaranty Agreement against the Trustee. In case of a default under this Guaranty

Agreement, the Trustee shall exercise such of the rights and powers vested in it by this Guaranty Agreement and use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. No provision in this Guaranty Agreement shall be construed to relieve the Trustee from liability for its own willful misconduct.

10. No waiver, amendment, release or modification of this Guaranty Agreement shall be established by conduct, custom or course of dealing, but solely by an instrument in writing duly executed by the Trustee. The Trustee shall not consent to any amendment or modification of this Guaranty Agreement without the written approval or consent of the holders of not less than fifty-one per centum (51%) in aggregate principal amount of Bonds at the time outstanding. Nothing contained herein shall permit or be construed as permitting any amendment, change or modification of this Guaranty Agreement which would (a) reduce the amount payable by the Guarantors hereunder, (b) change the time for payment of the amounts payable by the Guarantors hereunder, or (c) change the unconditional nature of the Guaranty Agreement herein contained. Except as otherwise expressly provided in this Guaranty Agreement, the provisions of Article IX "Concerning the Bondholders" and Article XI "Supplemental Indentures, Amendments to General Bond Resolution" of the Indenture shall apply to amendments and modifications of this Guaranty Agreement to the extent reasonably possible.

11. Except as other definitions are provided in this Guaranty Agreement, definitions in the Lease and the Indenture shall apply to terms used in this Guaranty Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Guaranty Agreement to be executed in their respective corporate names by their respective officers, thereunto duly authorized, and their respective corporate seals to be hereto affixed as of the date first above written.

GENERAL BOND RESOLUTION OF THE
MINNESOTA HIGHER EDUCATION FACILITIES AUTHORITY
ADOPTED OCTOBER 31, 1972

GENERAL BOND RESOLUTION OF THE
MINNESOTA HIGHER EDUCATION FACILITIES AUTHORITY
ADOPTED OCTOBER 31, 1972

BE IT RESOLVED by the MINNESOTA HIGHER EDUCATION FACILITIES
AUTHORITY, as follows:

1. Purposes and Definitions. The Minnesota Higher Education Facilities Authority (the "Authority"), an agency of the State of Minnesota created and existing under Chapter 868 of the regular session Laws of Minnesota of 1971 (the "Act"), will issue and sell from time to time revenue bonds pursuant to the Act to finance the construction, reconstruction, acquisition, improvement, alteration, equipping and furnishing Projects (as such term is defined in the Act) and sites therefor at participating nonprofit institutions of higher education covered by the Act (an "Institution") and refinancing obligations incurred for such purposes and refunding such revenue bonds (the "Bonds"). The Authority will issue such Bonds in several series, and each series of such revenue Bonds will be issued pursuant to a series resolution (the "Series Resolution") and will be secured by a mortgage trust indenture (the "Indenture") between the Authority and a bank or other qualified corporate Trustee (the "Trustee") on the Project and site thereof and movable equipment (if any) acquired from the proceeds of the Bonds and will be payable primarily from rentals payable under a lease (the "Lease") by the Institution to the Authority for the use of the Project facilities. With respect to each series of bonds and Project, the Authority will enter into a preliminary Agreement with the Institution (the "Agreement") providing, among other things, for the conveyance of the Project site and/or facilities to the Authority, the sale of the Bonds of the series, construction or acquisition of the Project, and the form and terms of the Series Resolution, Indenture and Lease. The purpose of this General Bond Resolution is to provide the terms and conditions (unless amended as herein set forth) on which the Authority may pledge to the Bonds of a series, ratably and on a parity with Bonds of other series then outstanding or thereafter issued, the funds and investments in the General Bond Reserve Account and to provide the terms and conditions of such pledge to and covenants with the Trustee for the benefit of the holders of the Bonds and coupons. Revenue Bonds of the Authority secured by the General Bond Reserve Account, as provided in this General Bond Resolution, are herein called "common fund Bonds" and those not so secured are called "special series Bonds". The Authority has established and hereby confirms the policy to issue revenue Bonds as common fund Bonds to the extent possible in order to improve the marketability and security of the Authority's revenue Bonds but reserves the right to issue special series Bonds, from time to time, when it seems desirable or equitable to the Authority to do so.

2. General Bond Reserve Account. The Authority hereby determines and, so long as any of the common fund Bonds are outstanding, covenants and agrees with each Trustee under an Indenture securing common fund Bonds, as follows:

a. Establishment. The Authority shall establish and maintain a special and separate account and fund to be known as the "General Bond Reserve Account" in a bank or banks having a minimum capital and surplus of at least \$5,000,000, qualified to act as a depository of state funds, qualified to act as a corporate trustee under the laws of the United States or State of Minnesota, and having an office or place of business in the State of Minnesota (herein sometimes called the "Bank"). The officers and representatives of the Authority authorized to deposit and withdraw funds from the General Bond Reserve Account and to purchase, sell or transfer securities for the General Bond Reserve Account shall be bonded by fidelity bonds or insurance in such amounts and under such terms as the Authority shall determine with due regard to the amount of funds and investments in the General Bond Reserve Account and the several responsibilities of such officers and representatives and the Bank. The Authority may enter into such agreements with the Bank with respect to the investment and safe-keeping of the funds and investments in the General Bond Reserve Account as the Authority shall deem appropriate.

b. Deposits. There shall be deposited in the General Bond Reserve Account, promptly when received, the following revenues of the Authority: (i) Proceeds from the sale of the common fund Bonds as provided in the applicable Series Resolution. (ii) All moneys received by the Authority from an Institution as consideration for the exercise of an option to purchase a Project or part thereof after the principal of common fund Bonds or special series Bonds, premium thereon (if any), interest thereon, advances and expenses of the Trustee and Authority (if any), and the fees of the Trustee with respect to such series of common fund Bonds or special series Bonds have been paid or provided for. (iii) The net revenues and income, as determined by the Authority, and after allowance for repairs, replacements and improvements in such amounts as the Authority shall from time to time deem necessary, realized from the operation of a Project by the Authority after expiration of the lease term with respect thereto and after payment of the Bonds issued on account of such Project, premium thereon (if any), interest thereon, advances and expenses of the Trustee and Authority (if any), and the fees of the Trustee with respect to such Project common fund Bonds or special series Bonds has been made or provided for. (iv) The net proceeds realized from the sale of a Project or part thereof, as determined by the Authority, after expiration of the lease term with respect thereto and after payment of the Bonds issued on account of such Project, premium thereon (if any), interest thereon, advances and expenses of the Trustee and Authority (if any) and fees of the Trustee with respect to such Project common fund

Bonds or special series Bonds has been made or provided for.

(v) All other funds received by the Authority except (A) application fees, the initial fee (1/3 of 1% of the original amount of Bonds sold, or such other percentage or amount as the Authority shall determine) and the annual administrative fee (1/8 of 1% of the original amount of Bonds sold, or such other percentage or amount as the Authority shall determine, to be collected as Additional Rent under a Lease) charged Institutions to provide operating funds for the Authority as authorized by Section 5(u) of the Act, (B) any taxes paid or appropriations of state funds made to the Authority, (C) revenues or income or other funds pledged to the payment of outstanding common fund Bonds or special series Bonds or for the payment of expenses or advances in respect of the Project or establishment or maintenance of reserves under the Indenture relating thereto and (D) any other revenues, income, funds or property restricted or dedicated to some other purpose.

c. Investments. Moneys in the General Bond Reserve Account may be invested and reinvested in direct obligations of the United States of America or in certificates of deposit or time deposits secured by direct obligations of the United States of America or in such other securities, if any, as the Authority may lawfully purchase and hold for investment purposes and which are then eligible for investment of public funds of the State of Minnesota or of municipalities of the State. The Authority covenants that investment of funds shall be limited as to amount and yield of investment in such manner that no part of any common fund Bonds shall be deemed "arbitrage bonds" under Section 103(d)(1) of the Internal Revenue Code of 1954 and regulations thereunder.

d. Advances. Whenever the principal of or interest on any common fund Bonds shall become due and there is not enough money (or investments from which money in the necessary amount can be realized) on deposit with the Trustee for payment of such principal or interest, the Authority pledges that it will advance to the Trustee from the General Bond Reserve Account amounts sufficient to pay such principal and interest. The Authority shall have the right, but not the obligation, to advance to the Trustee from the General Bond Reserve Account amounts not then due for principal or interest on any common fund Bonds but which is about to become due if, in the opinion of the Authority, it is necessary or desirable to make such advance to prevent a default of payment on the due date. For the purposes of this General Bond Resolution and any pledge of the General Bond Reserve Account to common fund Bonds (except as herein otherwise expressly provided) principal of any common fund Bond which has not reached its stated maturity date is not due regardless of any acceleration of the maturity date by reason of exercise of an option of prior payment by giving notice of redemption, or of an event of default, or for any other reason; the Authority may nevertheless, in its discretion, advance funds from the General Bond Reserve Account to pay the principal of any such Bonds which have been declared (and otherwise become) due and payable by reason of the giving of a notice of redemption, or event of default, or other reason, together with any premium due and accrued and unpaid

interest. All advances by the Authority to the Trustee from the General Bond Reserve Account shall be promptly applied by the Trustee to the principal of and interest due on the Bonds and to the extent not so applied shall be returned to the Authority. All advances by the Authority under this paragraph shall bear interest at the rate of eight percent (8%) per annum until repaid by the Institution, or by the Trustee from funds received from the Institution or otherwise as part of the trust estate under the Indenture. All such moneys received by the Trustee from the Institution (except moneys paid to the Trustee for its expenses, advances and reasonable fees) and all revenues and income of the Project or proceeds from the sale or foreclosure of the Project received by the Trustee shall be applied, first, to the payment of any principal of or interest on the Bonds due or to become due within 30 days thereafter (including, if the trust estate has been foreclosed, principal which has been declared and has become due prior to stated maturity by reason of an event of default) and, second, to reimburse the Authority and the General Bond Reserve Account to the extent of the advance so made. Neither the Trustee nor the holders of any Bonds or coupons of common fund Bonds shall have any right to possession of the funds or investments of the General Bond Reserve Account or to direct the investment or reinvestment thereof or to sell or foreclose on the security interest and pledge granted to the common fund except to enforce advances in accordance with this General Bond Resolution and application of the moneys and investments in the General Bond Reserve Account ratably to the common fund Bonds and coupons from time to time issued and outstanding and observance of the covenants of the Authority contained in this General Bond Resolution in respect thereto.

e. Rebates to Institutions. Contributions from Bond proceeds (or other sources) to the General Bond Reserve Account by an Institution in accordance with the requirements of a Series Resolution applicable to a series of common fund Bonds remaining to the credit of a subaccount in the Institution's name, to be established on account of such series of common fund Bonds, shall be rebated to the Institution after payment in full of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture) and after any advances, expenses, charges and fees of the Trustee and the Authority and all other amounts required to be paid under the Lease and the Indenture have been paid. At such time, the Institution shall also be entitled to receive its proportionate share of the earnings, if any, of the General Bond Reserve Account, as determined by the Authority. At such time or thereafter, the Authority shall further rebate to each Institution, when received, the Institution's proportionate share of any collections of advances made by the Authority from the General Bond Reserve Account and charged against the subaccounts of the Institution and other participating Institutions. No Institution shall be entitled to

receive a rebate on account of any funds or investments derived from sources other than its contribution from Bond proceeds (or other sources) at the time of delivery of the Bonds, less charges against such contributions, plus a share of the earnings of the General Bond Reserve Account proportionate to its contribution, as provided in this General Bond Resolution.

f. Withdrawal of Excess Reserves. In the event the amounts of cash and investments in the General Bond Reserve Account exceed the amount of principal and interest to become due on common fund Bonds in any calendar year, the Authority may by resolution withdraw and expand for its general purposes moneys from the General Bond Reserve Account or rebate, prior to the end of the lease terms, proportionately to the several Institutions all or part of their contributions to the General Bond Reserve Account, provided that (i) the Authority shall not make withdrawals for its general purposes if, as a result thereof, the moneys and investments remaining in the General Bond Reserve Account shall not at least equal the aggregate of the contributions of the several Institutions and their respective shares of the earnings of such Account and (ii) after such withdrawal or rebate the amount of cash and investments remaining in the General Bond Reserve Account shall at least equal the maximum amount of principal and interest to come due in any calendar year on common fund Bonds.

g. Accounting and Other Binding Determinations by the Authority. The Authority shall have authority to determine all questions of (i) the availability and application of funds of the General Bond Reserve Account, (ii) the availability and sufficiency of the funds for the payment of principal and interest due on outstanding common fund Bonds, (iii) the investment and reinvestment of moneys in the General Bond Reserve Account, (iv) the collectibility and procedures to enforce the collection of advances made from the General Bond Reserve Account, (v) whether particular funds received by the Authority are required to be deposited in the General Bond Reserve Account, (vi) the amount of charges for advances and credits for earnings from investments to be made to the several subaccounts of the participating Institutions, (vii) the rates and fees to be charged by the Institution as agent for the Authority, the expenses to be incurred, insurance to be provided, equipment to be furnished and repairs and replacements to be made in connection with the operation of a Project by the Authority or an Institution, (viii) the option price, or prices, if any, to be charged by the Authority to an Institution for the sale or release of a Project or part thereof, (ix) the amount of any reserves or capitalized interest required (over and above the reserves required by paragraph 3(b) hereof) with respect to any Project or Bonds, (x) the cost and feasibility of any Project to be financed by common fund Bonds, (xi) adequacy of design, plans and specifications, performance and payment bonds, and procedures for construction of any Project and (xii) all other accounting questions and questions of interpretation

and application of the requirements of the Act and this General Bond Resolution which determinations shall be binding upon each Institution, Trustee and holder of any Bonds or coupons unless made unreasonably or in bad faith or as a result of a mistake of fact or mathematical error. No member, officer, agent or counsel of the Authority shall be personally liable to the Authority or to any Institution, Trustee or holder of any Bonds or coupons by reason of any determination, recommendation or opinion relating to the operation of the General Bond Reserve Account made in good faith.

3. Issuance of Common Fund Bonds. Bonds, bond anticipation notes and other obligations of the Authority shall not be deemed common fund Bonds and shall not be secured by a pledge of the General Bond Reserve Account, unless:

a. The Authority shall specifically pledge to the Bonds of the series the General Bond Reserve Account by appropriate provision in the Series Resolution or the Indenture, and covenant to make advances in respect of the Bonds of such series in accordance with the terms of this General Bond Resolution; and

b. The Institution shall contribute from the proceeds of the Bonds of such series (or a series refunded by such series or other sources) in accordance with this General Bond Resolution and the Series Resolution (i) to the General Bond Reserve Account not less than twenty percent (20%) of the probable average annual principal and interest debt service requirements of the Bonds of such series after deducting the estimated annual interest subsidy, if any, to be provided by HUD, HEW or other federal department or agency, as determined or estimated by the Authority and (ii) to a debt service reserve fund to be held and used by the Trustee for payment of principal of and interest on the Bonds of such series not less than eighty percent (80%) of such probable average annual principal and interest requirements of the Bonds of such series as determined or estimated by the Authority; and

c. The Authority and the Institution enter into an Agreement and Lease whereby the Institution agrees to provide all funds (in addition to the Bond proceeds) needed for completion and operation of the Project and to pay base rent and additional rent sufficient to pay the principal of and interest on the Bonds of such series when due and all expenses of operation and maintenance of the Project and expenses of the Authority, Trustee and paying agent, in such form and with such additional provisions as the Authority may approve; and

d. The Authority executes and delivers to the Trustee an Indenture providing a first mortgage lien of record on the Project, subject to the Lease and such permitted encumbrances and in such form and with such terms and conditions and additional provisions and covenants as the Authority may approve; and

e. The Authority shall prescribe in the Series Resolution or Indenture: (i) The authorized principal amount of such series of Bonds, (ii) the name of the Institution and description of the Project for which such series of Bonds is being issued, (iii) the date, maturity dates and amounts of each maturity and the first and subsequent interest payment dates of the Bonds of such series, (iv) the interest rate or rates of the Bonds of such series, or the manner of determining such rate or rates, (v) the denomination or denominations of and the manner of numbering and lettering the Bonds of such series, (vi) the Trustee or the manner of appointing such Trustee for the Bonds of such series, (vii) the paying agent, if any, other than the Trustee, or the manner of appointing such paying agent, (viii) the redemption price or prices, if any, and the redemption terms, if any, for the Bonds of such series, (ix) provisions relating to the sale and delivery of such series, (x) directions for the application of the proceeds of the Bonds of the series, and (xi) any other provision deemed advisable by the Authority, which may include variations of this Resolution with respect to the Bonds to be issued under the Series Resolution and the Project financed thereunder; and

f. The Authority shall determine by the Series Resolution that the requirements of this General Bond Resolution have been met, which determination shall be binding on each Institution, Trustee and holder of the common fund Bonds then outstanding or thereafter issued as provided in paragraph 2(g).

4. Amendments and Consents.

a.
