### Agenda Item I – Minutes of the October 16, 2024, Board meeting.

The first item on the agenda is the review and consideration of the minutes of the most recent prior Authority Board meeting.

Chair Rowland asked for a motion to accept and approve the October 16, 2024 Minutes. A motion was made by Mary Ives to approve the minutes. The motion was seconded by Ken Westphal. Chair Rowland asked if there were any questions, discussion, or changes to the minutes of the most recent prior Board meeting.

There were no questions or proposed changes to the minutes from Board members.

Chair Rowland called for a vote regarding the approval of the minutes, A roll call vote was conducted, and the Board members voted as follows:

Board Members:	David Rowland	Yes
	Nancy Sampair	Abstain
	Gary Benson	Yes
	Mary Ives	Yes
	Ken Westphal	Yes

There were no votes against the motion and the Minutes of the October 16, 2024, MHEFA Board meeting were approved.

### Agenda Item II – Audit Services Engagement

Chair Rowland called on Operations Manager Amanda Lee to review BerganKDV's proposal to provide Audit Services for Fiscal Year 2025 – 2027. Operations Manager Lee reminded the Board that the Authority sent out a Request in November 2024 for a bid for Audit Services. The authority chose not to conduct a full Request for Proposal bid process for a variety of reasons. The Audit fee charged is very low based on what other similar Authorities pay, the escalation of the annual Audit fee in the proposal is the same as paid over the past 3 years and is less than increases observed for similar Authorities.

It was noted that BerganKDV has provided audit services for several years to the Authority and their service has been consistently accurate and helpful.

The proposed engagement fees for the next three-year period are reasonable, show minimal annual increases and compare favorably to the fees under the just concluded engagement. Executive Director Fick noted that NAHEFFA conducts an annual survey of authorities and that the Audit fee paid by MHEFA is one of the lowest reported by Survey responders.

MHEFA Staff recommends accepting the engagement terms and fees proposed by BerganKDV.

Chair Rowland asked if there were questions from Board members. A question was asked about switching auditors and if it would be appropriate to consider a switch. Staff noted that we have experienced staff turnover from BerganKDV at every level. At the partner level, our prior partner retired and subsequently, our interim partner was moved after BerganKDV hired a partner with higher education audit expertise, who was assigned to the MHEFA account. At the manager level, our prior manager moved to a different area of BerganKDV, resulting in a new manager assigned to our account. The senior auditor was unavailable this year, and the junior auditors change every year. This movement injects fresh thinking and eliminates the possibility of any issues between the Authority and the auditors. For this and the reasons outlined above, the Authority did not pursue an RFP process.

Regardless of the turnover, the staff have worked well with the Authority and the annual audit process has been efficient and no issues have arisen during their work to date.

The Audit Engagement Proposal review concluded, and Chair Rowland asked for any other questions. There were no additional questions from Board members or the public.

Chair Rowland asked for a motion and second for the Motion to accept the BerganKDV Audit Engagement Proposal. A motion to accept the Proposal was made by Gary Benson. The motion was seconded by Nancy Sampair. Chair Rowland asked Executive Director Fick to conduct a roll call vote.

Mr. Rowland called on the Executive Director to conduct a roll call vote on the Resolution. A roll call vote was conducted, and the Board members voted as follows:

David Rowland	Yes
Nancy Sampair	Yes
Gary Benson	Yes
Mary Ives	Yes
Ken Westphal	Yes

There were no abstentions or votes against the Motion to accept the BerganKDV proposal was approved.

#### Agenda Item III - Bond Management Software Proposal from DebtBook

Chair Rowland asked Executive Director Fick to outline the DebtBook Proposal. Executive Director Fick noted that the Authority is looking to enhance efficiency, improve integration of resources, increase ease of use of computer systems, reduce complexity of record keeping, and enhance data transparency and long-term efficiency for the Authority and future Authority staff. Multiple software options have been reviewed and DebtBook is, in the opinion of Authority staff, the best solution available to the Authority.

DebtBook is used by the State of Minnesota, Hennepin County, multiple Colleges and Universities, as well as local governments. Authority staff interviewed staff at a number of current users of DebtBook and their reviews were uniformly positive. Authority staff have held multiple discussions with DebtBook and received demonstrations of the DebtBook product using actual Authority bond transaction data. Authority staff are of the opinion that the goals of the Authority can be achieved over time with DebtBook.

DebtBook has proposed a three-year agreement with the Authority. Their proposal has been revised and improved financially. Authority staff is requesting Board approval to enter into final negotiations with DebtBook, and upon conclusion of the negotiations, enter into a contract with DebtBook.

Executive Director Fick concluded his presentation noting that a copy of the DebtBook proposal presentation and proposed contract had been provided by email to Board members. Chair Rowland asked if there were any questions about the DebtBook materials. Questions were raised about specific items in the proposed contract and whether the Authority would need to engage the Attorney General staff or other counsel in the review of the proposed agreement. Executive Director Fick noted that the Authority's statutes do not require the Authority to follow the State Procurement rules. The Authority is not required to use the Attorney General for contracts other than for Financing transactions. The Authority plans to use outside counsel to review the DebtBook proposed agreement. Board members recommended and staff agreed that staff have outside counsel review the Agreement before finalizing it for signature.

Chair Rowland asked for a motion and second for the Motion to approve the DebtBook proposal and authorize execution pending legal counsel review. A motion to approve the Motion was made by Mary Ives. The motion was seconded by Nancy Sampair. Chair Rowland asked Executive Director Fick to conduct a roll call vote.

Mr. Rowland called on the Executive Director to conduct a roll call vote on the Motion. A roll call vote was conducted, and the Board members voted as follows:

David Rowland	Yes

The motion to adjourn the Board meeting and move to a closed session was made by Nancy Sampair and seconded by Mary Ives.

Chair Rowland called for a voice vote regarding the adjournment of the regular meeting at 2:50 pm and moved to a closed session. A Voice vote was conducted, and the Board members voted to adjourn the regular meeting and reconvened in closed session.

Maintain consistency in financial advisory, bond counsel, corporate trust, rating agency and other professional services. Conduct telephone, video conference, or on-campus site visit with all borrower schools at least 1 time.

Have met with or talked with all schools' multiple times since July 2024. Have met in-person with many schools and had presentations to Board committees or Senior management for a number of schools.

2. Arrange for monthly meetings and special events for the Authority, including possible campus visits and video or conference calls within the Minnesota Statutory rules to allow greater meeting accessibility by board members, guests, staff and members of the public.

Provided an opportunity to Board members to attend the CFO Gathering, held at MHEFA offices in Fall 2024.

**3.** Provide post-closing education and assistance to borrowers in matters such as tax law compliance, continuing disclosure, investor relations, credit rating and IRS inquiries affecting tax exempt bonds.

This continued in FY25, with MHEFA providing liaison with Credit Rating agency and bankers.

4. Arrange an annual financing conference for the Authority to bring representatives of eligible institutions, rating agency staff, attorneys, trustees, municipal advisors, institutional investors, and other related professionals together for presentations, networking opportunities and renewing acquaintances.

Successfully held the Authority's largest conference to date, bringing together borrowers and industry partners for networking and valuable presentations on market, rating and demographic conditions.

- Prepare and disseminate the annual report of the Authority, including the audited financial statements.
  Prepared the FY2024 Annual Report in-house and delivered on-time to the State of Minnesota.
- 6. Prepare a "Capital Commentary" newsletter for each financing as a reference tool for eligible institutions and the Authority.

No financings have been completed in FY2025.

7. Stay informed on industry developments and operational practices through affiliations with government issuers and regulatory agencies, trade organizations and nonprofit organizations such as the National Association of Health and Educational Facilities Finance Authorities and the National and Central Association of College and University Business Officers.

Continue to work with these national higher ed organizations to be exposed to new options for schools and to support our borrower schools at conferences where they speak.

8. Monitor regulatory and legislative proposals at the state and federal level regarding the capital market and possible limitations on the use of tax-exempt debt, develop coordinated responses and keep borrowers informed. Provide input and commentary as appropriate to affiliated entities.

Working with GFOA and NAHEFFA on retaining tax-exemption for higher education, healthcare and other bonds classified as "private activity" bonds under the Internal Revenue Code.

**9.** Update MHEFA staff job descriptions consistent with Minnesota Management and Budget guidelines (every three years).

Pending a legislative decision on MHEFA's expansion bill, job descriptions will be updated to reflect the new expansion of MHEFA's responsibilities.

10. Expand staff cross-training on critical Authority items to bolster the Authority's continuity plan and create a more seamless transition should immediate needs arise, such as during an extended absence that is planned or unplanned or a pandemic.

The Authority is currently in process of setting up DebtBook to house data for each Authority-issued financing to ensure data integrity, one place to go for data, and a place to store notes and institutional knowledge for the future.

11. Continue development of a Succession Plan for Authority staff.

The Authority is currently in process of setting up DebtBook to house data for each Authority-issued financing to ensure data integrity, one place to go for data, and a place to store notes and institutional knowledge for the future.

12. Increase focus, develop strategy and identify resources to help with the identification and recruitment of Board candidates to enhance the diversity and inclusiveness of Board members.

2025 brings the addition of new Board Member, Erich Heppner, who has served as a board member on many different boards involving out-state Minnesota and higher education. Erich is the Director of Student Life at Central Lakes College.

13. Monitor and modify as appropriate the new Minnesota Higher Education Facilities Authority website. Continue working with Voom to adjust website based on user feedback. Continue to work with BondLink to maintain and adjust the MHEFA Investor Relations website, based on user feedback, which includes public information and documents for each school as a "one stop shop" for investors.

An update to the Authority-issued debt page of the Authority's website comes from feedback from users and a desire to incorporate more graphics on the website for ease of understanding for users. The update will include the addition of outstanding balances, as well as a graphical representation of the data that is filterable by school, issuance or year.

14. Annual Fee updates & changes, coordinate with annual Operating Budget update and monitoring.

Annual Fee variability causes uncertainty for borrowers and budget concerns when borrowers don't know what the Authority's fee discount rate will be in the next budget year. The Authority has been able to work within its budget to keep the Authority's fee discount steady to allow borrowers to rely on a rate they can calculate ahead of time and include in their next year's budgets.

15. Continue to assess status of record retention and disposal of official records and access for business continuity purposes.

Records are reviewed and disposed of as necessary.

 Continue to review and bring forward recommended revisions to the Board of the Authority's Standing Rules of Operation as processes change.

Each October, the Standing Rules of Operation are reviewed by Authority staff and the Authority board for any necessary updates. If immediate policy changes or additions are needed, they are brought to the next Authority board meeting.

17. Ensure Authority financial stability through forward planning of financial reserves and fee discount stability.

The Authority continues to work within its means, while keeping the fee discount stable for borrowers, despite rising costs and fluctuating market conditions. Any excess earnings are invested with the intention of using those funds in the future to maintain fee discount stability for borrowers.

18. Explore options to enhance Authority value-added and industry visibility through offering occasional webinars, information distribution through Website or LinkedIn, or School staff only in-person ½ day conference/roundtable (in coordination with MPCC.)

The CFO Roundtable, held in November 2024, was well received. Another is planned to be held in the fall of 2025.
